Plans for the proposed struc-ture have already been drawn and it is understood that satisfactory progress is being made in signing up ten-

gon slough last year. Mrs. Gerin claimed Hollenbeck authorized "Frisco" Day to take the car out on the night of the accident. Hollenbeck claimed Mrs. Gerin had charge of the driver and gave him orders. This is the second suit. The first one resulted in the jury disagreeing. The judge gave the ver-dict to the defendant on the ground that Mrs. Gerin did not prove title.
