Washington, Dec. 6.—Samuel Unter meyer, eminent corporation lawyer of New York, and chairman of the Civic Federation's subcommittee on trust legislation, so many thought, came nearest to offering a complete plan for the fed-eral regulation of big combinations that has been done by anyone yet heard by the senate committee on interstate com-merce. Mr. Untermeyer appeared to be genuinely anxious to have worked out a scheme which would protect the masses against extortion, and, at the same time, permit the needed large corporations to exist. I have been practicing in Portland for many years. During that time I have administered to thousands of patients my medicines compounded from Roots, Herbs, Buds and Barks. From these natural remedies I have brought about remarkable cures not unusual to the Orientals who know that the secrets and properties of these medicines are handed down from father to son in the physicians' families for generations, and that the unfailing results are to be expected from their source. ## A STRAIGHT MEN'S DISORDERS

By C. K. Holsman, M. D., The Leading Specialist I am an expert specialist, treating ailments of men ex-

I am an expert specialist, treating aliments of men ex-clusively. I own my office and equipment, publish my true photograph and personally supervise the treatment of all patients from the time they come to me until they are discharged as cured. Although my time is fully oc-cupied from early morn until late at night in looking after the wants of my patients, and in administering my special treatment for Blood Poison and Varicose Veins, I always take pleasure in consulting with new patients. In offering my services to the afflicted I am giving you the BEST that can be had anywhere. My reputation and experience for the past 18 years can leave no doubt as to my ability, honesty and integrity and should be sufficient to convince the most skeptical that I am the FOREMOST and LEADING Specialist in Portland. I possess skill and experience acquired in such a way that no other can share it and should not be classed with inexperienced doctors or receivilists.

A thorough investigation should be made by every ailing man as to the specialist he consults. Duty and destiny to self and those who depend upon you demand the best medical attention. I have the ability and can give you this service. I have always charged a very reasonable fee, so that my services may be obtained by any man who sincerely desires to be cured. I make no misleading statements, false promises or unbusinesslike propositions. I would like to have you for a patient if you will come to me on a strictly professional basis, accepting inducements that I offer, which are my ability, 18 years successful experience, time-saving treatment and cure of certain diseases.

\*\*EIDEEY AND SLADDER DIS

With these diseases you may have more complications than are presented by any other diseased organ. By my searching illumination of the bladder I determine accurately the disease and by microscopic examination and urinalysis I make doubly sure the condition of the kidneys, thus laying foundations for scientific treatment.

Scientific treatment only should be used in combatting this loathsome disease. I cure Blood Poison by the new German Remedy which I introduce directly into the blood, purifying it, neutralizing it and expelling poison from the system. New blood thus formed supplies and rebuilds the tissues in such a way that the patient recovers his normal state of health, strength and soundness.

MY DIRECT TREATMENT FOR WEARNESS.

That disorder commonly known as weakness has for years and generations baffled the efforts of physicians, yet to this very day a majority of doctors, specialists not excepted, are attempting to overcome SPECIFIC BLOOD POISON.

it by methods that have been in con-stant use and have always failed for half a century. They dose the sys-tem with powerful stimulants and tonics, calculated to restore nervous tonics, calculated to restore nervous force or strength that is not and never has been lacking, with the result that the functions are temporarily excited to the positive detriment of the patient. Weakness is only a symptom resulting from many local conditions and is curable, by local treatment only, without the giving of a single internal dose, which demonstrates the absolute accuracy of my understanding and which demonstrates the absolute accuracy of my understanding and treatment of this disorder. In years I have not met with a single failure and I have entire confidence in my ability to cure all cases that come to me for treatment. I am equally certain that no treatment other than that which I have perfected can completely and permanently restore strength and vigor.

strength and vigor.

NO MONEY REQUIRED TO COMMENCE TREATMENT. Many patients have no confidence in their doctor, because he demands pay before a cure has been effected and there are many who have been misinformed about their condition or through unsuccessful treatment have become skeptical and think there is no cure for them. I want an opportunity to treat such men. It makes no difference about the financial part, as I accept pay for my services as benefits are derived; when I am satisfied the patient is reliable. Health is capital at interest. I will prove my ability to cure before asking pay for my services.

"My troubles began along in the summer in the hottest weather and took the form of small eruptions and itching and a kind of smarting pain. It took me mostly all over my back and kept getting worse until finally my back was covered with a mass of pimples which would burn and itch at night so that I could hardly stand it. This condition kept getting worse and worse until my back was a solid mass of big sores which would break open and run. My underclothing break open and run. My underclothing would be a clot of blood. "I tried various blood medicines and other

remedies and salves for nearly three years and I was not getting any benefit. It seemed I was in eternal misery and could not sleep on my back or lean back on a chair. I was edies by my brother who recommended them to me very highly. I started using the Cuticura Remedies and inside of two weeks I could see and feel a great relief. I kept on using Cuticura Soap, Ointment and also the Resolvent, and in about three or four months' time my back was nearly cured and I felt like a new being. ### ROBBERS TAKE TURKEYS WHILE OWNER "HIDES"

Chicago, Dec. 6 .- Two robbers who drove to the grocery and butcher shop of Joseph Dim, early last evening and robbed the cash register of \$65 and stole a dozen turkeys, created more excitement for an hour than has been excitement for an hour than has been excited a state of the state perienced in the Desplaines street district in several months.

Joseph Dim, owner of the place, was waiting on a negro woman when the robbers arrived in a truck drawn by two horses. One, about 22, asked the price of turkeys and Dim. without looking up from a package he was wrapping, answered. The next moment the thief thrust his revolver against the grocer's head.

"Give us your money or we will kill you," was his command. Dim for a moment was too frightened to move, but the woman customer, at the sight of the revolver, fled to the street, shouting "Murder!" Both robbers tried to catch her, and this gave Dim an opportunity to run into the ice box.

The thieves did not bother with wim, but took \$65 from the cash register, then seized a dozen turkeys and ran to their wagon and drove away.
