

### CLUB BANQUET IS LARGELY ATTENDED

Two Hundred Citizens of Albany Enjoy Annual Booster Function.

(Special to The Journal.) Albany, Or., Dec. 7.—About 200 people attended the annual banquet of the Albany Commercial club at the armory last evening.

George M. Hyland of Portland discussed the "Methods of Attaining Objects of a Commercial Club." Mr. Hyland said that in order to obtain the best results it was necessary to put more time on the development of the country tributary, and when any specified plan was set on, not to drop it until it had been completed. Mr. Hyland told of the early failures of the Portland Commercial club with a hope that the club here would not make the same mistake.

Frank Groves, who was instrumental in getting Lane, Linn and Benton counties exhibit together, gave an address on the Omaha land show. Mr. Groves stated that the Willamette exhibition was one of the best at Omaha, and that many thousands people for the first time found out where the Willamette valley is and what can be raised in it. J. C. Holbrook, who was in charge of the Linn county exhibit, spoke on "Land Show Lessons." Mr. Holbrook stated that the land show put this valley on the map, and suggested that if another one should be held next year to keep it on the road for four or five months visiting the smaller towns. By so doing he thinks more of the farming class would be reached and better results obtained.

D. C. Freeman, manager of the Eugene Commercial club, spoke on "What I Know About It." Mr. Freeman stated that the Willamette exhibit had a large amount of publicity, and that nothing but good results can be obtained from this sort of advertisement.

### Moore Lodge at Albany.

(Special to The Journal.) Albany, Or., Dec. 7.—Under the direction of Deputy Supreme Organizer Sherman of the Loyal Order of Moose, an open meeting was held at Woodmen hall to perfect an organization. Fifty men are necessary to get a charter and Mr. Sherman states that he has 40 signed up, and that it will only take a few days more for him to have the required number to form the lodge here.

### Alchemist Gets Eight Years.

(United Press Leased Wire.) Oakland, Cal., Dec. 7.—H. Robert Moore, an alleged spiritualist charged with having victimized a railroad man by promising to double his money by a process of alchemy, was yesterday sentenced to eight years imprisonment. At the time of his trial Moore offered to prove his powers by holding a dark séance in the court room.

Pianos rented \$3 per month. All money paid as rent can apply on purchase price later if desired.

### S. P. BUYS LAST LINK, EUGENE-COAST RANGE

(Special to The Journal.) Eugene, Or., Dec. 7.—The Southern Pacific company has bought the 39 acres of land owned by the Lane County Asset company at Powell's pass, five miles west of Eugene, and now has a continuous right of way between Eugene and the tunnel site, 23 miles west of Eugene, for the Coos Bay railroad.

Construction work will begin at the pass immediately. Twoby Bros., the contractors, have received a dozen car-loads of construction outfit during the past week, much of it being rushed to the tunnel site, but graders and scrapers have been kept in Eugene to be used between the city and the tunnel.

Wet weather will not seriously interfere with work at Powell's pass for the reason that the ground is high and well drained there. A cut of 10 or 12 feet is necessary for a considerable distance through the pass. The Asset company excavated there last summer for its proposed electric railway to the coast, but this cut will not be used by the Southern Pacific company for the reason that the later's survey crosses the divide in a southwesterly direction while the Asset company's grade extends due east and west.

### PROGRESSIVES TO START BOOM FOR SEN. LA FOLLETTE

(Continued from Page One.)

A change of party in charge of the nation. Thousands of Republicans everywhere are hoping they can vote for a man representing progressive principles in the Republican ranks, just as thousands of Republicans in Oregon last year wanted to vote for a Republican but were unable to convince themselves that they should vote for Eisenhower.

"There will be no state organization in the interest of La Follette. I shall endeavor to get in touch with the progressives in all parts of the state, however, and secure the organization of local La Follette clubs. La Follette men in all parts of the state will thus be aroused and made active, and good men

### RATS IN MILLIONS OVERRUN CARDIFF; SWARM THE STREETS

(United Press Leased Wire.) Cardiff, Wales, Dec. 7.—The waterfront district of this city is overrun with rats, which are thought to have come from the holds of ships. The rodents appear in millions between night and morning. The authorities seem powerless to exterminate them. They swarm even the busiest thoroughfares at night, setting underfoot. Scores of persons have been bitten by them.

They have raided stores, cleaning them out. One shopkeeper reported that in the night his place was flooded with water, and a subsequent investigation showed that rats had gnawed through the lead water pipes.

### Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1899 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case. I was every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent, simply mail your name and address and I will send it free to try. If, after you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.
