EIGHT OREGON MEN | EAST MEETS WEST

Bunch of Veterans to Work With.

University of Oregon, Eugene, Or., Dec. 8 .- Now that the football season was passed the prospects for the coming season of 1912 are being discussed at the University of Oregon.

Of the 13 men who made the official varsity "O", eight will return to the University next season. These are Fenton (end), Bradshaw (end), Hall (tackle), Walker (half), Balley (tackle), Auesner (half), Jones (full), and Kais-

Graduation will take Chandler, Fariss. Latourette, Michael and Main from the ranks of the pigskin artists.

While eight is a good nucleus for the building of a team, the loss of Captain Main and Latourett's will be a severe one. The second team will also furnish many capable men for the squad next year.

The matter of coach is receiving ar unusual amount of discussion from the football fans. Letters from prominent alumni have been daily coming to the university urging the system. university urging the system of graduate ceaching. The graduate coach system seems to be favorable to the stu dents and there is but one man under consideration now who is not an alumnus of the university. This man is Hugo Bezdek of the University of Chicago, who is now coaching the University of Arkansas in football, baseball and basketball. A rumpr is about the campus that Bezdek is ready and willing to return to the University of Oregon where he coached the varsity to victory in 1906. Undoubtedly he is the best coach Cregon ever had, and his record at the University of Arkansas is one of con-tinual victories. The feeling here is that he is the one man in sight capable of coping with Gilmore Dobie. In speaking of Bezdek the Oregon Emerald says:

"The name of former coach Bezdek shines brightly on the walls of our 'Hall of Fame, and if it is true that he is willing and anxious to return to Oregon, as rumor says he is, the Emerald says, 'Get him, by all means, and for-get any change of system for the present, for, without a doubt, Bezdek is the only man that has been in the northwest in years that is the match of Gilmore Dobie as a football coach."

This sentiment is a popular one. The graduate system of coaching would undoubtedly prove a success in time, but the students want to see a victory over Washington next season if possible.

SOLOMON RETAINS HIS TITLE OF POOL CHAMP

Henry Solomon retained the northwest pool title last evening by defeating Charles J. Draper of Kansas City Solomon played a better game than his opponent last evening and scored 154 points to Draper's 114.

Both players started poorly but Solomon steadled as the game grew older. The total score for the four blocks gives Solomon 600 and Draper 565. High runs were less frequent last night, 15 being the highest run made

Holbrook, Henry Hanno Jr., Larry Schade, Charles Strube, Ed Jorgensen, San Francisco, Cal., Dec. 8.—With the adoption of the double umpire system, giving the distribution of the baseballs to the umpire in chief, and officially resoluting against gambling in baseball parks, the Pacific Coast league directors losed their meeting last night, the only REENTER RACE GAME bit of legislation remaining being the selection of an official baseball. The adopting of the ball will probably be ione at the schedule meeting, to take place in Los Angeles, January 9.
