## **NEW INDICTMENT** OF L. WILDE BEING SOUGHT, IS REPORT

Accused Embezzler of \$90,000 From Oregon Trust Co. Is Is Rumored Today.

with W. Cooper Morris in the embezzlement of \$50,000 from the Oregon Trust & Savings bank, is again under investigation by the grand jury,

According to reports well vouched for the indictment of Wilde on a new embezzlement charge is being sought by manifest by the proceedings in District Attorney Cameron, who has grand jury room today. bezzlement charge is being sought by caused several witnesses to be subpenaed and is once more digging into the FINAL COMMITEE books of the Oregon Trust to show further misdoings by the San Diego capi

Awaiting call at the grand jury room this morning were Walter H. Moore, former president of the Oregon Trust; W. M. Miller, a brother-in-law of Wilde, and John Y. Richardson, one of the ex-perts who went through the books of the bank and testified at the trials of

It is surmised that information given by Morris is responsible for the latest move against Wilde, which comes as a complete surprise to the defendant and his attorneys. It will add fuel to the flame in the charges made back and forth in the case of Wilde, who alleges he is being persecuted by unseen forces

### FREEDOM FROM COLDS & HEADACHES INDIGESTION & SOUR STOMACH BILIOUSNESS & CONSTIPATION

and other ills, due to an inactive condition of the Liver, Stomach and Bowels, may be obtained most pleasantly and most promptly by using Syrup of Figs and Elixir of Senna. It is not a new and untried remedy, but is used by millions of well-informed families throughout the world to cleanse and sweeten and strengthen the system whenever a laxative remedy is needed.

Mr. Moore, admitting he had been called as a witness before the grand Jury, said he did not know why he had been summoned. He said he had been asked to testify in the case of "John Doe." Miller, the relative of Wilde, also said he had been subpensed in the case of "Doe." Richardson, the expert, likewise carried a subpens.

It is understood the latest charge against Wilde involves a \$12,500 trans-action, wherein Wilde and Morris are alleged to have pursued the same meth-ods as in the larger deal in which they are jointly indicted. The facts are said to be largely paraties to the larger retreaction, the specific charge being but Wilde arrested act? Course for Facing Additional Charge, It to a sale of a block of Puget Sound telephone bonds to the bank, the two men packeting the proceeds and dividing the money between them. This was in December, 1996.

In the bill of particulars filed by Louis J. Wilde, who is to go to trial the state yesterday in accordance with within two weeks on a charge of acting an order of court that the prosecution prove in the case against Wilde set for January 9, an allusion is made to this \$12,500 deal, and it is specifically excluded from the trial next month. That the state intends to deal with this in a separate indictment was made

## TO CONSIDER ALL CHARTER PLANS

(Continued from Page One.)

have drafted provides full publicity, he initiative and referendum and recall protection for the people against inefficient or unfaithful commissioners. he injunction is another means of urbing unpopular action which may be mickly applied.

do not believe that the mayor should have only so much power as another commissioner, as does the majority of the people's committee. I provide that the mayor shall be elected the people, that he shall be vested with executive and administrative power, ogether with general supervisory au-hority over all departments, with powwijich the commission may cut or vote down, but may not increase. This makes tual management of the city, as should were the only ones to whom she revests him with responsibility for virwhich I have written, is given power to

Only Six Elective Offices.

"The auditor is to be elected by the cople, and to serve as a check on the I do not provide for any elective officers other than the mayor, uditor and four commissioners. City attorney, engineer, treasurer, municipal judge are to be appointed.

"I make provision for public markets, playgrounds, lavatories and the like, so for municipal ownership of public littles. The commission is forbidden dienation of its police powers, particularly in the matter of public service orporation regulation

it is provided that property holders may control as I have said, all improvements, except that the commission may open up the intersection of two streets to relieve traffic congestion.

"It is required that all claims against the city be filed 60 days before suits ire instituted, that commissioners must have no connection with outside corporations or interests, but must give full sloners authority to administer the time to their work for the people, that business of the city within these limithe commission plan election be held tations unhampered."

### PIONEER NEGRESS HAD INTERESTING CAREER

Mrs. Mary H. Carr.

At the age of \$8 years Mrs. Mary H. Carr, a negress who was known to practically all of the old-time residents of Portland, died last Saturday at her ome, 1018 East Seventh street. funeral services were held Tuesday from Finley's chapel and interment was in Lone Fir cemetery.

Mrs. Carr was a native of Pennsylania and came to Portland in 1858. With the exception of two years in Califormin, she resided continually in this city until her death. Over 40 years ago she opened an eating house at Second and Pine streets, then the heart of the er of removal for cause. He is given city, and among her patrons were many authority to recommend appropriations, men who have since gained fame and Within the precincts of her domain, however, she ruled with an fron hand, and her patrons respected her Among the towns for which organi-word as law.
