January White Wear Sale

The more thoroughly we go into the respective merits of muslin underwear sales now going on in Portland, the stronger is our conviction that we haven't done our own white sale justice in the newspapers. We have been far too conservative in making claims. But women are competent judges of such things. Their enthusiasm expressed in the most practical way admits of but one construction.

Quality for quality—Prices are certainly lower than anywhere else. That fact has been proved over and over again. We are so much lower even on the lower grades that it is worth your while to buy here

On the finer American and the beautiful French hand-made lingerie we save you a great deal. Many times a HALF of what is asked elsewhere. Our advice, "MAKE COMPARISONS," loses none of its wisdom by repetition. Great impetus is given our Great White Sale Thursday by the addition of many new lots of fine undermuslins and lingerie that go on sale at final prices. Which mean **PRICES LOWER THAN EVER BEFORE IN PORTLAND.**
