

WILL COOPERATE IN GREATER CITY PLAN

The Progressive Business Men's club planned yesterday to cooperate with the Rotary club, the Ad club and the Greater Portland Plans association in securing an appropriation with which to publish and distribute the Greater Portland Plan report.

A committee of 10 was appointed to attend the luncheon of the Rotary club

next Tuesday at the Hotel Portland, when the mayor and members of the council will be guests of honor and the colored slides illustrative of the greater city plan will be shown and explained. The committee, together with other members of the club, will also attend the council meeting next day when the ordinance for the appropriation will be submitted. The ordinance has been drafted by L. E. Latourette, deputy city attorney, also member of the executive committee of the Greater Portland Plans association, and asks an appropriation of \$6000. The committee appointed yesterday consists of R. W. Raymond, chairman, and Messrs. Brookings, Ehrhart, Bloomer, Lovejoy, Tillson, Willis Fisher, Alkua, Dessendorf. At the

request of W. T. Buchanan a committee was also appointed to confer with committees from other organizations in regard to the proposed organization of a city club, the committee being composed of Charles Fisher, chairman, and Messrs. Dwight, Frebig and Riggs. Some time ago a nominating committee submitted the names of candidates for the various offices of the Progressive Business Men's club. Yesterday by unanimous consent it was decided that the ticket should be enlarged by the nomination from the floor of as many candidates as can secure support. The nominations will be made special order of business next Thursday. The luncheon of the club in the Hotel Portland was presided over by Walter S.

Asher. President Eugene Brookings of the club, who had been nominated for reelection by the nominating committee, announced that he did not wish his name to be considered as a candidate because he believes in rotation in office. In recognition of unusual services rendered the club in increasing its membership and in other activities, F. A. Freeman, cashier of the Lumbermen's National bank was presented with a token of appreciation in the form of a very handsome umbrella. The presentation speech was made by R. W. Raymond and supplemented by words of appreciation spoken by President Brookings, not only for Mr. Freeman, but for Phil S. Bates, chairman of the committee on ar-

rangements for the governor's dinner and other.

War Munitions Go Into Mexico.
(United Press Lined Wire.)
New Orleans, Jan. 5.—Mexican peace is believed to be again threatened today as a result of continued shipments of munitions of war. Eight carloads of cartridges and powder from points in Pennsylvania and New Jersey have been shipped into Mexico within the last 50 days.

CANDIDATES NEED TO HUSTLE FOR NAMES

Because Justices Slater and King, the Democratic nominees for the state supreme court, made such a good race in 1910, Democratic candidates for office in Multnomah county this year will be required to secure a much larger number of names than usual to their nominating petitions. The number required is based on the vote at the previous elec-

tion for Judge of the supreme court. Democratic candidates in Multnomah county this year will have to have 115 names, distributed in at least 12 precincts, and candidates for Portland district offices will require 204 names in 25 precincts. Republican county candidates need 204 names in 39 precincts and those for Portland district 204 names in 35 precincts. Petitions may be signed only by registered voters, so they cannot yet be circulated to advantage, registration beginning last Tuesday. April 3 is the last day for filing nominating petitions.
