

# MERCHANTS PLAN TO SUBMIT OWN MEAT ORDINANCE

## Dr. White's Proposed System Not Practicable, They Say; Prefer Inspection of Meat in Shops.

Fearing that the meat inspection ordinance proposed by Dr. Calvin S. White, state health officer, will work unworkable hardship on small meat dealers, without accomplishing the desired end of "inspection for protection," front street commission merchants announced yesterday a determination to submit an inspection ordinance of their own to the special meeting of the city health board which Mayor Ruslight expects to call.

T. J. Farrell, chairman of a committee of commission merchants, said that the new measure would provide for inspection by two inspectors who would be veterinarians as does the ordinance of Dr. White. But these two inspectors would not inspect all meat as it arrived in the city. They would inspect rather, the meat in the shops as it was exposed for sale.

Farrell said that the ordinance would require that all meat be inspected and stamped by two inspectors only, then the meat during the summer would spoil before it could be reached.

# JACKSON DAY BANQUET WILL BE BIG AFFAIR

Democrats from all over Oregon are planning to come to Portland to attend the Jackson day banquet to be given by the Jackson club January 8. The committee having the affair in charge is daily receiving requests for reservations, indicating that this year's banquet will be the most largely attended of any yet given by the club. The list of tickets yet unsold is very small, and the committee expects to face the situation of engaging an additional number of covers or disappointing many who are late in applying.

The star attraction, when the wit and wisdom of the event is reached, is Thomas M. Vance of Olympia. Mr. Vance was formerly attorney general of Washington, and has the reputation of being one of the most brilliant and entertaining speakers on the Pacific coast. His subject will be "Jackson Democracy and Present Day Conditions."

Governor West will entertain the club's guests with a brief address on "Oregon's Progress Under the Pacific Coast." Governor Thomas Garrick Burke of Baker has promised to speak on "Governmental Leeches."

Walter M. Pierce of Hot Lake will take on "The Crime of the Ages." It has been a long time since Mr. Pierce has been heard from a political forum. Dr. Charles J. Smith of Pendleton, for several years state senator from Republican ranks, will speak on "Some Notes on Democracy."

Dr. Harry Lane will talk on "Duty of the Citizen." Senator M. A. Miller of Linn will speak on "Andrew Jackson."

With the exception of Mr. Vance, all will be limited to 10 minutes each. This is to enable the maximum of prominent speakers being heard in the minimum of time. And should any of the orators be carried away with natural attachments of their own voices, President George J. Smith will ring the curtain down on them though the eagle be along the snow line.

Anyone desiring tickets may procure them from George I. Smith, Fred J. Pheasant, H. B. Van Duzer, Bert E. Haney, F. C. Whitten, John H. Stevenson, Samuel White, Floyd Balyou and Dr. Bettman.

# CAMERON RECALL PETITION IS READY

## Enough Names Have Been Secured to Recall Official, Says Maguire.

Enough names have now been secured for placing the recall of District Attorney Cameron on the ballot, according to County Assessor James Maguire, who has been directing the work of circulating the petitions.

"I have not checked over the names recently," said Mr. Maguire, "but I am sure I now have more than the number required. The work has not been rushed, because I have depended almost entirely upon volunteers, who worked without pay and of course could spare only a part of their time. Only a little over \$100 has been required to circulate the petitions."

"I have not decided just when to file the recall petition with the secretary of state, but my idea is that as the time for the primaries is so near, it would be unwise to cause the taxpayers the expense of a special election. My plan is to hold it until the time comes to have it placed on the ballot in the primary election. Meantime petitions are still in circulation, adding more names to the list."

As the attorney general has advised the secretary of state to refuse to file any recall petition, holding that legislation is needed to carry the recall into effect, a battle in the courts is regarded as inevitable before the question of its appearance on the ballot is decided.

# DR. COE REELECTED AS MAYOR OF BEND

## Objecting to what he termed an effort of C. A. Bigelow to force the street committee of the executive board to vote as he wished them to, R. O. Rector of the committee yesterday afternoon declared that Bigelow had attempted to horsewhip the other members of the committee into line.

Dr. U. C. Coe, mayor of Bend, who is at the Seward, has just been notified that he was reelected at the city election which took place nearly two months ago. It has taken a writ of mandamus and the fear of contempt proceedings, to cause a reluctant admission from Bend aldermen that Mayor Coe and the new council were the choice of the voters last November.

The last campaign is admitted to be about the warmest in the history of Bend. Two complete tickets—both non-partisan—were in the field. That headed by Dr. Coe won easily, the lowest majority of any candidate being 65.

When the outgoing council convened it declined to canvass the vote or take action. It was alleged by the defeated faction that there had been illegal voting. With the newly chosen officials marking time, the old council calmly held down the job. City Attorney Forbes went to The Dalles and secured a writ of mandamus requiring the council to act. It opened the ballot boxes, declared the election illegal and adjourned.

There the matter rested until a rumor was circulated that the aldermen would likely be brought before Judge Bradshaw to explain.

A few days ago City Attorney Forbes came to Portland, followed by Mayor Coe the next day. Neither were on business connected with the election, but the council hurriedly met, reconsidered its former action and declared Coe and his ticket elected.

# DECLARES THAT HE WILL NOT BE COERCED

## Mr. Bigelow has his opinions and I have mine, but I am not going to be coerced, I believe that the property owners on any street should be given whatever kind of pavement they ask for, regardless of the cost. The property owners affected by this improvement are unanimous with one exception in their choice of bituthic and they are eager to have the contract awarded to the Warren Construction company, rather than take a chance on the improvement being further delayed by re-advertising for bids.

Mr. Bigelow said he thought the prices quoted by the company for inlets and excavation were too high. Only one bid was submitted and the committee had no option out to let the contract or reject the bids. It adopted the former course, Chairman Fitzgerald voting with Mr. Rector against Mr. Bigelow.

# Every Woman Has a Right to Be Beautiful

"A clear, soft and satiny complexion is every woman's right. It can be achieved by rubbing your face, neck and arms gently each morning with a solution made by dissolving a small original package of mayatone in a half-pint of which hazel. This is a true complexion beautifier and prevents growth of hair.

"It is a mistake to wash the head, for in addition to danger of catching cold, soap and water take the life out and leave the hair dull and brittle. Dry shampoo keeps the hair soft, wavy and beautifully lustrous. Put a cupful of corn meal in a fruit jar and mix with it the contents of a small original package of theozon. Just sprinkle on the head and brush through the hair. It brushes out easily and takes all dirt with it.
