PERSONAL

WE have been in Portland many years, have treated over 4000 patients and never had a death while under our treatment. We have invested more money in modern machines and electrical apparatus than any other clinic on the Pacific coast. We get results in thousands of cases where medicines failed to help and have saved hundreds from operations after all hope had been given up. We will be glad to consult with you. We make no charge for treatment. We use no medicines and do not operate. We use every electrical and mechanical means, baths, massage, heat and light.
