Pre-Inventory Sale

Great January Clearance

Our Business Year Ends January 31st

While good storekeeping demands clean stocks at all times, yet this is particularly true at the close of the business year--so true, in fact, that sharp losses are freely taken to establish the desired condition before inventory. And the public as well as ourselves gain immeasurably by the compelled reductions. Economical shoppers will find it to their advantage to shop while these special low prices prevail at this store.

Our year has been a wonderfully large one. Sales have broken all records, and, naturally, there is a big surplus to dispose of now--every section of the store contributes to the clearing--everything at a reduced price! To buy means to save up to a half in many cases--some of the reductions are even greater than that.

AND THE SAVINGS ARE ON QUALITY THAT WILL NOT DISAPPOINT YOU! READ THE FOLLOWING ITEMS CAREFULLY AND NOTE THE SAVINGS.

The Most in Value--The Best in Quality
