# The Tremendous Bargains During Gevurtz & Sons'

**EVERY REDUCED ARTICLE MARKED WITH LARGE, RED TAG!**

Hundreds of articles, greatly reduced in price, are not advertised for lack of space. The bargains are scattered through every floor. The Red Tags tell the story. Former price and sale price plainly marked. Regular tags remain for comparison. At this season, right after inventory taking, we find a great many odd pieces and sets that we must move off our floors to make room for the carloads of furniture coming from the east. In many instances the price is reduced to cost. In many cases there are only a few of the advertised articles in stock, so hurry. Every reduction is genuine. Every article exactly as represented. Not a word of misrepresentation is allowed in our advertising!
