Demonstration Extraordinary

Conducted by Two Famous Corsetieres

For a period of two weeks, beginning tomorrow, we will hold a series of corset studies in our Corset Salon, on Second Floor, during which Mrs. L. A. Belden, an expert corsetiere, will demonstrate and give fittings of the celebrated Bon Ton and Royal Worcester Corsets. She will reveal the marvelous figure-moulding possibilities of these world-famous corsets and demonstrate their absolute importance to all fashionable women. Come!

Correct Corseting Is Essential to Perfect-Fitting Gowns

Before ordering your Spring Gowns, Suits and Dresses, you should by all means find a corset that will fit you with perfect comfort without destroying the natural lines of your figure. The very foundation of a correctly fitting garment is the Corset. It retains the poise of the body—controls the flesh—and at the same time gives freedom of action. The corset furnishes the lines for the tailor or gown maker to work from, and without a perfect fitting Corset no garment can be made to fit correctly. Call and see them.

All women, young and old, are cordially invited to attend this demonstration, showing the various styles of Corsets on the various figures. The corsets will be fitted on living models to clearly illustrate the practicability of every idea advanced by the Corsetieres. Don't miss this demonstration, it's the first of the kind ever held in Portland. Watch papers for further announcements.

MISS HELEN MINOGUE
Expert Corsetiere and
Manager of
Our Corset Dept.

The women of Portland need no introduction to our Miss Minogue. She came to us highly recommended as a Corsetiere and manager after long experience in the department work and extensive travels in introducing new corset features in the large cities of America, Australia and New Zealand. She loves to talk Corsets, too.

Royal Indorsement Accorded Bon Ton Corsets

In one of his recent society articles a famous London newspaper correspondent writes:

An English Duchess who is prominent at court is responsible for the following: "The irresistible charm and grace of American women in London is due almost wholly to the superb designs and perfect fitting qualities of their corsets. Since this secret has become known, the demand for American corsets is noticeably brisk."

This speaks volumes for the superiority of the American made BON TON Corsets, which have an enormous sale in London and all over Europe.

The Woman Who Wants a High-Class Corset Will Buy the Bon Ton

Bon Ton Corsets are made of various kinds of materials—from the plain sheer Imported Batiste to the most gorgeously trimmed Silk Brochets. All are boned with non-rustible, non-breakable Wulffin. Fittings at your home by appointment without extra charge. You are invited to call and examine these corsets.

Royal Worcester Internationally Famous and Popular for 50 Years We've Sold Them for 26 Years

It goes without saying that any article must possess exceptional merit to hold its leadership for half a century and be sold and worn in every civilized country on the globe. It has been a pleasure to us to sell them, for they always please.

Women Who Want Moderate-Priced Corsets Will Buy the Royal Worcester

The Royal Worcester Corset is designed to meet every corset requirement of woman. The prices range from \$1.00 up. Each particular model is an original conception designed upon correct lines, fashioned from the best materials with painstaking care by skilled work people. They are free from defect, perfect in fit, and every one is sold with an absolute guarantee of satisfaction to the wearer.
