line de sole so thin that it hardly dims the lustre of the satin, while the tunic is of white margulaette run with sliver bugies into a massing of embroidery done in a combination of gold and silver beads.

This tunic, cut in redingote effect, fits quite smoothly over the hips, continuing down over the skirt into a long

rain that is started from the center front where, just at the knees, the two edges of the tunic are drawn together underneath a handsome ornament of gold buillion.

The corsage is draped with a scarf of the chiffon run through the center with the massed lines of silver bugles and bordered with narrow crystals banding.

A pretty shadow lace gathered to a band of pressed applique forms the lower part of the corsage and runs underneath the mousseline of the skirt, showing between the front edges of Mrs. J. Richards and Miss Lenore the tunic. The wide ceinture is of coral

This model also works out successfully in certain color combinations or in two or three shades of a single color as, for instance, in three shades of yellow with the embrodery done either in gold or in pearl heads. The foundation

might be a yellow hardly deeper than a cream. Then the mousseline sheathing it would be in a deeper tone, and
