

Happenings of the Week on Monday

A Brief Report of News of Importance in the East, on the Coast and in Foreign Countries.

Congressional.

Although Secretary Fisher was much opposed to the Borah-Jones three-year homestead bill, the measure was brought up in the senate Monday and passed without a dissenting vote.

Milton Blumenberg, the official reporter, has been summarily dismissed by the Lorimer investigating committee.

The secretary of the interior has advised Senator Chamberlain that notices were being prepared by the reclamation service providing for the system of graduated water-right payments on the Umatilla reclamation project.

A joint resolution that would permit the Panama Pacific Exposition company to use portions of the Presidio and Fort Mason military reservations at San Francisco, for temporary exposition purposes, passed the house.

Representative Higgins of Connecticut has introduced a constitutional amendment prohibiting the reelection of a president and increasing the term of the president and vice-president to six years.

The house has passed the bill requiring that the government's estimate of the cotton acreage be taken on July 1, instead of June 1, and that the sugar, universally consumed and universally taxed, is subject to government control and regulation as to price in almost every country, and to varying trade methods as well.

Political.

The Roosevelt league of New York state has started an endless chain to further Roosevelt's nomination.

Announcement has been made by Charles L. McNary, a lawyer and politician of Salem, and whom friends have urged to run for congress in the first congressional district, that he is not a candidate and will not allow his name to be used for the position.

A wager of \$5000 to \$1000 that President Taft, if nominated, would be re-elected, was offered on the curb of a stock exchange on Wall street Monday.

Eastern.

Union officials of New York have launched a plan for bringing a number of the children of the strikers who have families in the city to the city, to be adopted by the families of members of unions until the strike is over.

Fire, believed to have been incendiary in origin, destroyed the Northern Milling Company's Chicago Monday.

The annual report of the New York board of coroners shows that 5700 sudden deaths were reported to the coroner's office in 1911.

A plea to stop the government from
