ULSTER UP IN ARMS PREPARED TO SHED BLOOD OF INVADERS

Disregarding Advice of Friends and Threats of Orangemen, Winston Churchill Departs to Carry Out Program.

30,000 ARMED UNIONISTS WILL ATTEND MEETING

Throughout Belfast, Citizens Are Barring Windows and Barricading Doors.

(Special to The Journal.) Belfast, Ireland, Feb. 7.—The crisis in Ireland's home rule movement will come tomorrow.

Scorning the advice of his friends, Winston Churchill, first lord of the admiralty, departed today from London to speak here tomorrow for home rule.

His mother did not accompany him. It was feared the excitement would adversely affect her.

Rioting is almost certain to come with Churchill's address. Although the authorities have tried to take every precaution to prevent trouble they admit they probably will not be able to cope successfully with the 30,000 Ulsterites who will attend the meeting armed with clubs ready to start riots if the speakers attempt to carry out their program.

Unionists Ready for Fray.

Captain J. Craig, M. P., member of the Ulster Unionist council, when told today that Churchill had departed from London and was determined to deliver his home rule speech here tomorrow, said:

"Our organization is sufficient to enable us to prevent this arch-traitor from defiling our historic city."

Belfast seriously apprehends bloodshed. Throughout the city today, windows and doors are being boarded up, and other means are being taken to protect property.

Feeling Never So Bitter.

Never has the feeling between the two factions been so bitter. Anger felt by the Unionists of Ulster province, when the home rule campaign first announced several months ago that they would invade the enemies' country, has turned to hatred.

Churchill is expected to excite the anti-home rule Unionists. Sir Edward Carson, chief leader of the opposition to home rule, probably will be heard at one of the street meetings of Ulsterites held just outside the football grounds where Churchill, Redmond and others will talk.

"If we are compelled to use more strenuous weapons than words, we are prepared to do so," he said today. "We will fight to the finish for our rights as loyal British subjects."

Opposition "Mental Disease."

Lord Dunraven, taking the opposite tack, said today that opposition to home rule was "a mental disease from which Ulster has long been suffering."

He said that the Ulstermen believed themselves superior to the Irish as a whole and dreaded to be put on the same level.

Churchill has made it known that he will not strive to be pacificatory in tomorrow's speech. He has said he would try by the force of plain argument to persuade the people to instruct their representatives to vote for the famous home rule bill Premier Asquith is expected to introduce in parliament.

Churchill's father, Lord Randolph Churchill, strange to say, was just as

ARMED MEXICANS ARE CAPTURED ON U. S. SIDE OF LINE

Troop of Yankee Cavalry Nabs 13 on American Soil Northeast of El Paso; Government Watches Orozco.

(United Press Leased Wire.) Mexico City, Feb. 7.—Official advice that the rebels have captured six cities in the state of Chihuahua were received here this afternoon.

Washington, Feb. 7.—Thirteen armed Mexicans were captured on the American side of the border today by a troop of American cavalry, according to advice received by the war department today from Colonel Steever, in command of the United States troops stationed at El Paso.

The Mexicans were captured 23 miles northeast of El Paso. It has not yet been determined what disposition will be made of the prisoners.

Despite statements from General Orozco that he has no intention of starting a movement in Chihuahua to cause that state to secede from Mexico, the war department today is keeping close tabs on the Mexican chief.

Department officials admit that General Orozco has a large following in Chihuahua and declare that any rising headed by him would undoubtedly assume serious proportions.

Gomez Head of Insurrection.

El Paso, Texas, Feb. 7.—That Emilio Vasquez Gomez is the active head of the present insurrection in Mexico is regarded here as almost certain today.

This is borne out by the arrival of Paul Martinez, former secretary to Gomez, to establish a revolutionary junta.

Other followers of Gomez are arriving on every train. It is believed here that General Orozco and Gomez will join in efforts to overthrow the Madero government.

Orozco Denies Disloyalty.

El Paso, Texas, Feb. 7.—Denying disloyalty to the federal government and declaring the state of Chihuahua is not on the verge of secession from the Mexican republic, General Pasqual Orozco today issued the following statement:

"I wish emphatically to deny reports published as to the accession of Chihuahua and my disloyalty to the Madero government."

BRITAIN AND JAPAN DEPOSE AMERICAN ADVISER TO REBELS

General Homer Lea's Criticism of Powers Results in His Being Ousted From Seat at Han Councils.

(United Press Leased Wire.) Shanghai, Feb. 7.—Unofficial protests of England and Japan today resulted in General Homer Lea, the American soldier of fortune and author of the "Valor of Ignorance," being deposed as chief military adviser to the Chinese revolutionary leaders.

General Lea's criticism of the Anglo-Japanese treaty and his statement that he believes England and Japan are planning the partition of China, aroused the anger of these nations.

Lea formerly lived in Los Angeles. International fame came to him principally as the result of his book, which was an expose of what he declared to be the inadequate Pacific coast defense of the United States in case of attack by Japan.

COMPLETE ARMISTICE KEEPS QUIET IN CHINA

Peking, Feb. 7.—Pending negotiations between the throne and the revolutionists, a complete armistice has been arranged.

It is expected that at least two weeks will be consumed by Premier Yuan Shi Kai in arranging the capitulation, as the Manchus wish perpetuation of titles, retention of the imperial family in the Peking palaces, continuation of the imperial guard at the expense of the republic, and the right of the court to exact homage from the nation.

TARIFF PROTECTING LABOR AT LAWRENCE

'DRY' EDITOR SHOT DOWN BY SALOON PARTY'S LEADER

Long Standing Feud in Truckee Between Liquor Interests and Prohibitionists Comes to Tragic Crisis.

FIGHT IN POSTOFFICE BRINGS SUDDEN SHOTS

Writer Had Called Assailant Liar and Charged He Was Not "Square."

(United Press Leased Wire.) Truckee, Cal., Feb. 7.—During an altercation in the postoffice here today a long standing feud between the saloonkeepers of Truckee and W. H. Smith, editor and publisher of the Truckee Republican, was brought to a tragic crisis when P. M. Doyle fatally shot the newspaper man through the back and head.

Smith is expected to die. Doyle is under arrest.

Blows were exchanged during the quarrel which preceded the shooting and Doyle's friends say Smith attacked Doyle first, knocking him down.

Doyle has been a leader in the opposition to Smith, and Smith has been writing caustic articles against Doyle in the Republican.

In the last issue Smith called Doyle a liar and intimated that Doyle had not even played fair with the saloonkeepers by withdrawing his support from the Truckee Independent, a newspaper started by Doyle and his friends in opposition to the Republican.

Doyle has retained General McGlashan as his attorney.

LABOR LEADERS WILL BE ARRESTED IN WEEK

(United Press Leased Wire.) Indianapolis, Ind., Feb. 7.—Simultaneous arrests of the 32 men indicted by the federal grand jury here as a result of the dynamiting investigation are to come next week.

Formal pleas by the men accused are to be made in the United States court here March 12. No announcement has yet been made as to who are the labor men involved in the government's accusations of conspiracy to unlawfully transport dynamite, but United States District Attorney Miller has allowed the impression to spread that none of the union officials higher up than those with headquarters in this city are to be arrested.

The aggregate bonds to be required of the labor men when they are arrested are likely to be more than \$250,000. No serious resistance by those indicted to their removal from their districts to Indianapolis is expected by the federal authorities.

If the arrested men do resist removal, all that will be necessary, it is said, will be to prove their identity in order to enforce the federal demand.

Barbary Coast Glare to Be Toned.

San Francisco, Feb. 7.—San Francisco's world famed Barbary Coast, its bright lights, dancing girls and "spielers" must go.

The police commission decided today to close all resorts of a small restricted district, and those within the permissible zone must be toned down.

Roosevelt Ready If Called Likens Stand to Lincoln's

Ambassador to France

Myron T. Herrick, who has been nominated by President Taft.

(United Press Leased Wire.) Washington, Feb. 7.—Myron T. Herrick, former governor of Ohio, was today nominated by President Taft to be ambassador to France, succeeding Robert Bacon, resigned.

Ambassador Jusserand notified Secretary of State Knox that Herrick is personally gratified with the French government.

Herrick probably will reach Paris to relieve Ambassador Bacon on or about March 1.

Myron T. Herrick was born at Huntington, Ohio, October 3, 1854. In 1878 he was admitted to the bar and two years later married Miss Caroline M. Farnely.

He is chairman of the executive board of the Wheeling & Lake Erie railroad and a director in a number of railroad companies.

In 1903 he was elected governor of his native state. He has an office at Cleveland, where he is active in financial affairs.

COLONEL ADMITS HE'S BEEN SAVING HIS AMMUNITION

Calls Reporters in to Tell Them Why He Has Been Silent; Reads Lincoln Letter to Them.

(United Press Leased Wire.) New York, Feb. 7.—Breaking his silence of months on political matters, Colonel Roosevelt, "contributing editor," today assembled the reporters in the main office of The Outlook and pointed out extracts from the letters and speeches of Abraham Lincoln, saying:

ROOSEVELT WILL ENTER CONTEST IF HE IS 'DRAFTED'

Progressive Leaders After a Day in Constant Communication With Colonel, Expected to Make Statement.

(United Press Leased Wire.) New York, Feb. 7.—Theodore Roosevelt, candidate for the Republican presidential nomination is to be announced soon.

Definite statement that the former president is in the race will come, not from Roosevelt himself, but from the progressive leaders who up to now have been supporting Senator La Follette of Wisconsin.

The formal announcement probably will be signed by George Record, of New Jersey; Gafford and Amos Pinchot, former United States Senator Beveridge of Indiana, Medill McCormick of Chicago, and possibly by Governor Hiram Johnson of California.

Hold Many Conferences.

All of these leaders held a series of conferences here today, during which they were in constant communication with Colonel Roosevelt, and though the conferees would not talk of what was done, it is understood that Roosevelt has agreed to run, "if drafted."

It is stated by those "in the know" that Roosevelt will make no public and personal announcement of his candidacy in the near future, but that he is likely to make a public statement outlining his principles as demanded by Senator La Follette.

La Follette's Stand Mystery.

What the Wisconsin senator will do in the event of Roosevelt putting himself squarely on record as regards progressive policies is also shrouded in mystery as yet.

It is believed, however, that La Follette, angered by the defection of many of his former supporters, will decline to withdraw from the presidential race, and will carry the fight for the nomination to the floor of the Chicago convention.

La Follette Physically Unfit.

(United Press Leased Wire.) Lincoln, Neb., Feb. 7.—Believing that Senator La Follette is physically unfit to take a leading part in the fight for the Republican presidential nomination to a successful conclusion, Governor Chester Aldrich of Nebraska, in a statement here today, urges progressive Republicans to unite on Theodore Roosevelt as their candidate.

Governor Aldrich said: "My judgment, reached from evidence at hand, is that sentiment is rapidly crystallizing in favor of Colonel Roosevelt. In this sort of content principles and policies, and not men, are the chief factors. We progressives are agreed on principles and policies. We are bound, beyond a shadow of a doubt, by certain and positive policies to select a leader who will carry these policies to a successful conclusion."

"Another matter of importance in considering the availability of Colonel Roosevelt is that with his nomination there would not be the uncertainty, unrest and distracting influence on business that hovers over every presidential campaign. It would be known at the start what his attitude on business would be and this one proposition alone is worthy of profound consideration in selecting a Republican standard bearer."

May Launch Boom Saturday.

(United Press Leased Wire.) Chicago, Feb. 7.—Formal launching of the Theodore Roosevelt boom for the Republican presidential nomination.
