The News As Told in Morning Papers

Brief Items Condensed From Yesterday's Happenings Received Too Late for Tuesday's Issue.

Congressional. That no nation can afford to stand in the way of a peace movement was the keynote of a speech by Senator Theodore A. Burton of Ohio in support of the arbitration treaties. After waiting for nearly seven years, the crew of the lighthouse tender Munsie, which foundered in the Columbia river October 6, 1904, as the result of a collision with a dredge in tow of a tugboat, are to receive money for the loss of personal effects. The senate committee on claims has favorably reported the bill to reimburse the men, and there is every prospect of its enactment during the present session. The senate has passed a bill reducing from five to four years the time necessary for aliens to serve in the navy to be naturalized. The bill also extends to members of the revenue cutter service the right of naturalization without continuing residence. The senate democrats held a caucus Tuesday which developed into a conference for the discussion of the tariff. A general exchange of views favored an aggressive policy. The bill to repeal the Canadian reciprocity bill, introduced by Heyburn, was debated by the senate finance committee, but no action was taken. In a speech endorsing the currency reform plan of the monetary commission, Representative Vreeland gave it as his opinion that money panics have brought more losses and suffering to the Amer-

ican people than all the wars in which they have been engaged, barring alone the loss of life and limb. Congressman Hawley has been advised that the Blue Lodge mines, near Medford, recently held for cancellation, have now been ordered to patent, as a result of his presentation of facts to the interior department. Blue Lodge already expended over half a million dollars in development, but stopped all work when the forest service started a movement to have the claims held for cancellation. Representative La Follette was chosen Republican congressional committee from Washington, and not Senator Poindexter, as was previously reported. John Mullison of Wyoming enjoys the unique distinction of receiving a greater pension than he asked for. His application for \$30 a month was voluntarily raised by the senate pension committee to \$34. The creation of a bureau of markets is being urged before the interstate commerce committee, the reason being that it may have an effect on the reduction of food cost. Governor Clark of Alaska appeared before the territories committee and urged development of railroads and fuel resources. He is opposed to an Alaska elective legislature. Congressman Warburton of Washington has introduced a bill authorizing a survey of the Columbia river bar between Vancouver and the mouth of the Willamette, with an estimate of the cost of removing the bar. Also a bill to authorize a survey of the Willapa river and estimate of the cost of deepening the stream to 24 feet at low tide. Representative Pepper has introduced a bill to prevent shut down and wage reduction threats by employers to influence employes' votes at presidential elections.

Political. Among the nominations sent to the senate by President Taft was that of Colonel George R. Smith, to be paymaster general of the army. Announcement regarding the prospective appointment of ex-Governor Myron T. Herrick of Ohio to be ambassador to France, succeeding Robert Bacon, is expected to be made at the White House as soon as certain diplomatic formalities have been fulfilled. Mr. Herrick is said to be acceptable to the French government. A bill providing for the allowance of wages for the work of men serving in workhouses in counties in Colorado of 20,000 or more people, and the turning over of these wages to the family of the prisoner, and also providing for support by the state of indigent mothers whose children are forced to go to school, will be submitted for an initiative vote of the people of Colorado at the November elections. Eastern. That the National Cash Register company of Dayton, Ohio, has a "lawful monopoly" in the business of registering devices, secured to it by the patents of the United States, is the answer the company filed at Cincinnati in the proceedings brought against it a few weeks ago, charging it with monopoly and violation of the American anti-trust law. Colonel Burr, commanding officer of the Rock Island arsenal, has replied to the ultimatum of the employes that if the Taylor "job cards" were issued they would strike. He said the cards will be issued, and that any men refusing to accept them will be discharged. A family cat in New York overturned a small oil stove, setting fire to the house. Mrs. Rose Murphy and Miss Mary McDonald were fatally burned. Marsh island, covering 73,000 acres in Vermillion bay, Louisiana, has been purchased by Mrs. Russell Sage of New York, and is to be offered to the United States government as a game preserve. Dr. John Ritter of the advisory board of the city tuberculosis hospital in Chicago says there are 80,000 tubercular persons in Chicago. Their only hope of being cured, he said, was to sleep outdoors. The Pulitzer School of Journalism at Columbia university will be opened for the first lecture next September. Fire at Moline, Ill., destroyed the plant of the Barnard & Leas Manufacturing company, one of the largest builders of flour milling machinery in the United States. The loss is estimated at \$500,000. Representing a capitalization of \$100,000,000, the Independent Tin Plate manufacturers of the United States were granted a charter in commonwealth court, Pittsburg, under the name of the Association of Sheet and Tin Plate Manufacturers. No attempt, it is said, will be made to fix prices. To succeed F. O. Kiecher, killed in the recent wreck at Kinnear, Ill., A. C. Ridgway has been elected second vice president of the Chicago, Rock Island & Pacific.

Foreign. The great cold wave in Europe continues and is becoming more severe in the west. Holstein reports a temperature of 24 degrees below zero. In Berlin and vicinity the mercury has fallen as low as 12. The Baltic between Mecklenburg and Denmark is frozen over and steamship traffic between Wartemunde and Gjedser, Denmark, has been suspended. A revolver duel between a girl and her sweetheart was fought in Paris recently at the entrance of a house in the Rue de Bouchardon, with the result that both lovers were wounded. Jealousy was the cause. Miscellaneous. Colonel Beverly Winford Wrean, aide on the staff of General Robert E. Lee in the Civil war, died in New York Tuesday from blood poisoning. State wide protest against the reduction of present tariffs on zinc, lead and tungsten for tinoman made in Colorado. Labor unions have joined with mine owners in an appeal to congress against the reduction. The state railroad commission of Montana has notified the traffic departments of all railroads operating in that state that it will not approve the new western classification to go into effect February 15, but that the old classification, known as classification 50, will continue in effect in that state in intrastate business. D. J. Huff, a wealthy mine owner of Kansas City, warns the country against the absolute error and great danger of intervention sentiment being fomented by many Americans on the Mexican border. He says Mexico is trying to solve the problem of self-government and should be let alone. Advocates of intervention, in his opinion, are actuated by greed and a hope to move the border line 100 miles farther south. Man with skeleton keys visits towns of valley. Cottage Grove, Or., Feb. 7.—A housebreaker wanted at Albany, was taken up here Monday by City Marshal Shodgrass and taken back by the Linn county authorities yesterday. The prisoner had committed depredations in Albany and surrounding towns and the marshal had been warned to be on the lookout for him. The captured man had two grips with him, containing plunder of every description and was fitted out with a complete line of skeleton keys. He evidently intended to do a little business in Cottage Grove if the marshal's activities had not interfered.

Brilliant military ball for officers. (Special to The Journal.) Dallas, Or., Feb. 7.—The sixth annual meeting of the National Guard association closed last night, after sessions extending over two days. The closing feature was a brilliant military ball in honor of the visiting officers. About 50 officers of the national guard and regular army were present at the convention. Yesterday Adjutant General Finzer read his report on the conditions of the state militia and resolutions were adopted to take steps toward the organization of a campaign for a substantial armory appropriation by the next legislature. Monday evening the official opening exercises of the Dallas armory were held in the armory building and speeches were made by prominent officers of the national guard, regular army and officials of the town. Poultry show officers. (Special to The Journal.) Eugene, Or., Feb. 7.—E. J. McClanahan, owner of Eugene's big incubator factory, was elected president of the Lane County Poultry association at its annual meeting held in this city. Other officers elected are: M. J. Thompson, vice president; L. R. Kerna, secretary; E. E. Hardesty, treasurer; Amos Wilkins, superintendent; A. C. Berntzen and H. A. Korf, assistant superintendents. The executive committee consists of E. F. Keeney, J. A. Griffin and M. J. Thompson. Reports from the recent annual exhibition showed that it was a success financially.

For Sprains. Sloan's Liniment is the best remedy for sprains and bruises. It quiets the pain, relieves congestion and reduces the swelling very quickly. HERES PROOF. Mr. HENRY A. VOZEL, of Somerset St., Plainfield, N. J., writes: "A friend sprained his ankle so badly that he was hinc. He laughed when I told him I would have him out in a week, but I soaked his foot and then applied Sloan's Liniment, and in four days he was working, and said that was a right good liniment." Mr. JOE HATGREN, of Selma, N.C., R.F.D. No. 4, writes: "My daughter sprained her wrist and she applied Sloan's Liniment and it has not hurt her since."

DRIVE OUT DEADLY CATARRH, IT IS A FILTHY AND DISGUSTING DISEASE. Ely's Cream Balm Clears the Head and Throat. Cures and Prevents Catarrh. If you are subject to frequent colds, or if you have any of the distressing symptoms of catarrh, such as stuffed up feeling in the head, profuse discharge from the nose, sores in the nose, phlegm in the throat causing hoarseness and spitting, dull pain in the head, ringing in the ears, just about the nostrils or rub the throat or chest with a little Ely's Cream Balm, and see how quickly you will get relief. In a few minutes you will feel your head clearing, and after using the Balm for a day or so the nasty discharge will be checked, the pain, soreness and fever gone, and you will no longer be offensive to yourself and your friends by constantly hawking, spitting and blowing. Shake off the grip of catarrh before it impairs your sense of taste, smell and hearing, and poisons your whole system. In a short time you can be completely cured of this distressing disease by using Ely's Cream Balm. This healing, antiseptic Balm does not fool you by short, deceptive relief, but completely overcomes the disease. It clears the nose, head and throat of all the rank poison, soothes, heals and strengthens the raw, sore membranes, making you proof against colds and catarrh. One application will convince you, and a 50 cent bottle will generally cure the worst case of catarrh. It is guaranteed. Get it from your druggist today. Special agent, Owl Drug Co.

Take Cel-so for a bad stomach. The first glass will give immediate relief for any stomach trouble. Removes gas, heartburn, indigestion and headache. (Celso is Good for the Nerves). Cel-so. Mildly laxative, absolutely harmless. A pleasant, foamy drink. Try a glass—it acts like magic. Sold by leading druggists, cafes and soda fountains, 10c glass or 25c and 50c bottle. TRY IT FOR KIDNEYS OR BLADDER. Simple Home Mixture — Make Some Up and Try It, Anyway—No More Kidney Trouble Here If This Prescription to Make Home Remedy Becomes Known. Here is a prescription that anyone can mix at home. Any good prescription pharmacy can supply the ingredients named at little cost, being composed of standard drugs. It is harmless and inexpensive. Best of all it does its work well, relieving even the worst forms of bladder trouble, frequent urination, backache, kidney complaint and by its direct action upon the eliminative tissues of the kidneys, makes these most vital organs rid the blood and system of waste matter and uric acid, which causes rheumatism. Here it is: Fluid Extract Juniper Berries, one ounce; Compound Fluid Balmwort, one ounce; Compound Syrup of Hypophosphites, four ounces. Try it if you suffer. Shake well in a bottle and take in teaspoonful doses before each meal and at bed time. Former sufferers stated one week's use shows curative results in nearly every instance, and such symptoms as lame back, frequent desire to urinate, pain in bladder, dyspepsia, indigestion and even chronic rheumatism are generally relieved within a few days, the pain and aching disappearing with each dose.

Fine for Croup. Mothers Should Cut This Out and Never Be Unprepared. In any home where a child has a tendency to croup, a bottle of HYOMEI (pronounce it High-o-mey) should be kept constantly on hand. A sudden attack of croup with difficulty breathing at extreme distress is apt to come on at any time. The course to be pursued is plain. Send for your doctor at once, and in the meantime drop 30 drops of Hyomei into a bowl of boiling water, and hold the child's head over it, cover with a towel or cloth, so that only the air filled with Hyomei vapor is breathed. This method of treatment has saved many a child's life, and mothers of croupy children should see to it that HYOMEI is always on hand. Full instructions for prompt relief of croup is in each package. A 50 cent bottle of HYOMEI is all you need for croup. It is sold by druggists everywhere. HYOMEI is made of Australian Eucalyptus and other antiseptics. It contains no cocaine or other harmful drug. Money returned if it does not give satisfaction in treatment of catarrh, coughs, colds, croup and catarrhal deafness. Complete outfit including inhaler \$1.50.
