Nothing appeals more strongly to a woman's sense of refinement than dainty new Embroideries. To begin with, this is not a sale of old stock or last season's numbers. It is a sale of the season's newest and best products, imported directly from Switzerland by Olds, Wortman & King. On account of overproduction on the part of the mills and disturbed conditions of the European markets, our buyers have been afforded an excellent opportunity to secure many large lots at less than the actual cost of production. Thrifty women will supply their needs for months to come at this great sale.

Sale Begins Tomorrow at 8 A. M.
