Congressional.

A delegation from Eastern Washing ton is asking for an allotment of funds sufficient to resurvey the Palouse project, which, if approved will irrigate 100,000 acres of land. Congress will be asked to authorize a special bond issue of \$5,000,000 for this work.

Charles P. Taft, brother of the president, will be subpensed to appear be-

the house committee investigating the case of Paymaster Beecher B. Ray, the army officer, who is charged political activity.

The senate recieved a minority re-port from the Stephenson investigating committee declaring that enough evidence was adduced by the inquiry to warrant the senate in declaring Senator Stephenson's seat vacant.

The Cummins resolution to provide right of appeal to the supreme court of the United States from the New York decree approving the "Tobacco Trust" reorganization plan, was adversely reported by the senate committee on the judiclary. Senator Cummins will make a minority report.

President Taft has withdrawn from the senate the nominations of two collectors of customs and eight postmasters, all in North Carolina. Political conditions in that state, it was intimated, prompted the action.

The "money trust" investigation resolution has been sidetracked in the house. On a point of order made by Representative Dalzell, who maintained that part of the resolution had not been passed on by the rules committee, the resolution was withdrawn, to be considered again by the committee.

The Elliott report on the Florida everglades, which the department of agriculture is said to have suppressed, was held back because of differences of Wright, a witness before the house committee on expenditures in the agricultural department.

The price of lead has declined fourtenths of a cent a pound since the Un-derwood steel tariff revision bill passed the house, according to lead producers who appeared before the senate finance committee Monday.

of La Follette, has issued a formal statement saying that in his opinion Theodore Roosevelt should be the next Republican nominee for president. The statement was issued, he says, with Roosevelt's knowledge, but not necessarily with his sanction.

Champ Clark has been promised the support in California of W. R. Hearst,

nobleman, committed suicide at Salt Lake City Monday. Heavy losses in poolrooms are said to be the cause.

DOING SPLENDID WORK

(Salem Bureau of The Journal.)
Salem, Or., Feb. 20.—"There are 17
high schools in Linn county and 90 per cent of all eighth grade graduates in that county in the last three years are attending the high schools," said Superintendent L. A. Alderman, who has returned from a trip through Linn county. "I taught school in Linn county for a few years, and on this trip I noticed wonderful progress has been made since

that time," said the superintendent.
Superintendent Alderman addressed
the schools and citizens' meetings on educational and industrial subjects. He is arousing interest in the children's industrial work, which is being inaugurated in the schools. He said the schools of Linn county would have fine industrial displays at the state fair, as thousands of the school children were inter-ested. He said County Superintendent W. L. Jackson is very enthusiastic over

This week Superintendent Alderman will visit Eugene, Pleasant Hill, Creswell, Cottage Grove and Junction City. C. C. Thomason, one of the field managers for the children's industrial work, will visit the schools in Douglas county this week. Superintendent Alderman has assurance from Congressman Hawley that

nish an expert to carry on a short educational campaign in connection with the industrial work of the children. Superintendent M. C. Case of Washington county has made the suggestion that pennants be provided for the children to place at the head of their gardens, so that the attention of travelers over the state will be called to the work

Secretary of State Favors More Stringent Laws to Govern Organizations.

(Salem Bureau of The Journal.) Salem, Or., Feb. 20 .- "The infant mortality of corporations in this state is terrible," said Assistant Secretary of State C. B. Babcock today.

"What do they die of?" he was asked. "From many causes, but we never know that many of them are dead until we endeavor to collect the annual license Just now scores of letters are being

received at the secretary of state's office from members and officers of alleged defunct corporations giving reasons why

certificate of dissolution," said Assistant Secretary Babcock, "but instead of doing that they let the matter drag along until we send notices of license fee delinquencies. If we find any delinquent corporations that have assets we intend to sue them for the fee and the fine of

"The law provides that when a cor poration is delinquent two years it shall be dissolved by the governor, but it remains liable for the license fees for five years after dissolution. It is also liable to a fine of \$100 for failure to file a report or pay its fees.

"Failure to notify us when a corporation ceases to do business causes names of such corporations on our books and send notices to them, while it would be a simple matter for them to send us a certificate of dissolution. "This is another instance of too much

finest residence property in the city. The price was \$64,000. It is understood the property will be platted later on. The Southern Pacific has purchased several residences in North Bend and negotiations are on for the purchase of a block of residence property in the north end of that city. It is said that the property is desired for a right of way which the railroad is securing from a point where it is proposed to bridge the bay to extend through part of the city and connect with the tracks of the Terminal railroad.

Work Scarce on Coos Bay.

Marshfield, Or., Feb. 20.—There are more than the usual number of loggers and other laborers out of work here. It is rare there are any men out of work in this county, and the present condition is due to the fact that many men are coming in here from the north. The logging camps are all running as usual,

Picky Child Gets New Appetite and Vigor to Match.

Be patient with the picky eater, nother-the child who turns up his nose at good victuals, and has to coaxed or scolded into eating. Bad appetite was never cured by reproaches, but is cured every day by

fresh air and Ozomulsion. Weak appetite is a sign of general weakness in the child; Ozomulsion makes him strong. It gives him so much bounding, ir-

resistible energy that he simply cannot stay in doors. Fresh air does the rest and so, with Ozomulsion added to his other food, the child, once pale and cross, becomes rost

and jolly, and grows like a weed.

Sample Bottle Free by Mail That those who are seeking health and strength for themselves, children, relatives or friends may experience the lifeway gold medal ozonized cod liver oil medicinal food emulsion—as well as to (Special to The Journal.)

Marshfield, Or., Feb. 20.—One of the know Ozomulsion superiority—in being largest real estate sales here for a long most palatable and easy to take—a gentime was the transfer of 80 acres of erous 3-oz, bottle will be sent by to E. G. Perham. The property is in postcard or letter to Ozomulsion, 548 Marshfield and includes some of the Pearl street, New York.
