40 Acres --- \$500
We are subdividing our lands into 40 acre farms, selling at \$500 for each forty. Southern Pacific's Natron extension runs through the land. No forty more than five miles from the railroad. Remember, these lands have an average of 24 inches annual precipitation. We are plating the towns on the Natron extension, and will give free to each of the first 100 farm purchasers four lots, one in each of four towns, as prizes in the great movement "back to the land."
