#### Council of Joseph Orders Public Gatherings to Cease for Ten Days.

(Special to The Journal.) Joseph, Or., Feb. 22.—Owing to the alarming rate that diphtheria is spreading through the town, the city council has closed the schools, churches and public gatherings until March 4. Several children have already died and adults have been caught by the contagion during the last few days. It is believed that carelessness in calling doctors early to the scene of the disease is responsible for a great many exposures of adults. In one instance, a child was dead before the cause was discovered. Neighbors and friends were exposed through the ignorance of the actual cause of death.

### IMPRESSIVE SERVICE AT CHURCH DEDICATION

The dedication of the church of St. Magdalene, at East Twenty-third and Siskiyou streets, yesterday morning was marked with impressive services, when Archbishop Alexander Christie blessed the edifice. Assisting him were Vicar General James Rauw, Rev. Edwin V. O'Hara, Rev. George F. Thompson, pastor of the new church, and other of the Catholic clergy of Portland and vicinity. Appropriate decorations in honor of Washington's birthday were in evidence.

In welcoming the congregation to the church, Rev. Father George F. Thompson, pastor, thanked the friends who assisted in the erection of the edifice. Mass was celebrated by Rev. Father Arthur Lane of Albany.

Archbishop Christie, who gave a short talk, congratulated Father Thompson and the members of the church on the completion of their beautiful building. He urged the members to see that non-Catholic friends were invited to attend the new church.

A large choir of 30 voices under the leadership of Miss Helen Calbreath, rendered several numbers.

After the dedicatory services a banquet to more than 200 people was served in the assembly room. W. R. McGarry, president as toastmaster.

#### Prosecutor to Tell Clackamas County Court Why No Harvey Indictment.

(Special to The Journal.) Oregon City, Or., Feb. 22.—The session of the Clackamas county court regarding hiring a special prosecutor in the Hill murder case has been suspended until tomorrow, when District Attorney E. B. Tongue is expected to appear before the court and explain his position. The county court will discuss with Mr. Tongue the advisability of the county's securing the services of a special prosecutor. Mr. Tongue is in Astoria, and it is not known here just what view he will take of the matter. It is believed that the matter is not before him he will probably agree to accept assistance, but in the event of his refusal it is regarded probable that the county court will proceed to designate a man.

Detective L. L. Levings, who has been assisting Sheriff Mass in hunting the murderer since the commission of the crime, was before the county court yesterday for some hours and outlined to the members the evidence the sheriff's office has obtained in its work extending over about seven months.

### NO CLUE TO THIEVES WHO STOLE JEWELS

#### San Francisco Police Plan to Round Up All "Suspicious Characters."

(United Press Leased Wire.) San Francisco, Feb. 22.—Police records today are being searched in an effort to learn just what notorious thieves of large enough calibre to reckon with as possible perpetrators of the Palace hotel robbery which level of Mrs. De Saba valued at \$50,000 were stolen, are at large. When this list is compiled there will be a countrywide roundup, after which will come the weeding out of those who have satisfactory alibis.

Police still incline to the theory that the robbery was committed by professional thieves who make a specialty of hotel jobs.

Among the notorious thieves who are being sought by the police are Nick Moran, alias George Cole; Joseph Novac, alias "The Count"; "The Artful Dodger," otherwise known as James Kelly, alias Joseph Ford. Several were in custody here at different times.

### TEN PATROLMEN WILL ENFORCE CURFEW LAW; PARENTS MUST HELP

Ten patrolmen will be assigned by Chief of Police Slover tonight to enforce the curfew law. Many complaints have recently been made to the police about children being on the streets after the curfew hour and the new men assigned to this duty will be ordered to clear the streets of all juveniles accompanying them home if necessary. Parents who fail to support the movement by allowing their children out after hours when it would be possible to keep them in will be prosecuted, and children who persist in violating the ordinance will be taken before the juvenile court. A record will be kept by each patrolman assigned to that duty of all offenders and will report them to a sergeant who will have charge of the squad, and who will handle all prosecutions.

### REBEL ARMY BEARS DOWN ON JUAREZ; FALL SEEMS SURE

(Continued from Page One.)

lutionists already have the upper hand in many sections of Chihuahua. Ciudad, Chihuahua is completely isolated, all rail and wire communication having been interrupted by rebel activities. A state of terror is said to prevail among American residents there, who are completely cut off from escape.

Reports from Chavittio say that all bridges below the city have either been burned or dynamited and all wire communication severed.

### Simultaneous Attack Planned.

(United Press Leased Wire.) Eagle Pass, Texas, Feb. 22.—Plans for a simultaneous attack on Juarez and Ciudad Chihuahua by revolutionary forces are seen here today with the receipt of dispatches stating that General Emilio Campa leading 1800 rebel troops, is marching southward to Chihuahua. At the same time a force of revolutionists commanded by General Salazar and another headed by General Orozco are reported marching towards Juarez. These forces will join a few miles south of Juarez, it is believed here, and the attack on Juarez timed to start at the same moment that General Campa moves on Chihuahua.

The way for intervention by the United States in the Mexican instruction was opened today with the seizure by rebel troops of the smelting plant at Arasco, Durango, controlled by American capitalists, headed by the Guggenheims of Colorado. It is believed that the American government will order action when official reports of the seizure are received in Washington.

### PLANS APPROVED FOR BAKER'S Y. M. C. A. HOME

Bids for construction will be advertised for in a few days. The building will be erected at a cost of \$37,000, which was raised by a popular subscription in a campaign conducted by Field Secretary I. B. Rhodes of Portland last fall. ### SEEKS PLACE AS CIRCUIT JUDGE

#### William C. Benbow, Chief Deputy City Attorney, Makes Announcement.

William C. Benbow.

William C. Benbow, chief deputy city attorney, is a candidate for judge of the circuit court, department No. 2, to succeed Judge R. G. Morrow. Although six candidates have filed for the vacancy to be caused by the retirement of Judge Gantenben, department No. 4, no candidate against Judge Morrow has heretofore appeared.

In order to more vigorously prosecute his campaign, Mr. Benbow has been granted a leave of absence from his duties for two months, during which time he will draw no pay from the city. In the course of his duties in the city attorney's office he has assisted in the preparation and trial of many important cases involving the interpretation of the city charter and its application to franchise and corporate rights.

In a statement issued today, Mr. Benbow declares his policy as follows: Law and Order.

"I believe in law and order and believe that the decisions of our supreme courts, properly understood, tend to aid progress rather than to hinder it. Since the initiative and referendum decision, there is no excuse for violence. Courts are established to protect the weak; the strong ought take care of themselves. It is not the big boy in school who seeks the aid of the teacher, it's the little fellow. So it is the weak member of society who needs the protection of its legal machinery, and the law should be so judged and administered as to give him his right and give it to him without unreasonable delay. No other course is safe in a republic. Crooks should not be protected, whether big or little; and the big crook should be put out of business as fast as possible. It is just as criminal to steal a railroad or a franchise as to 'crack' a bank. I believe in progressive governmental policies, because such policies are necessary to save the country from lawlessness.

"I regard Judge Morrow as an estimable gentleman, and what I have said above has nothing to do with my friendly 'bout' with him for judgeship.

### Sketch of Career.

"The people of the city of Portland have been very kind to me in the past and I have tried to deserve their respect and confidence. If I am nominated and elected I shall do my duty, which I know will meet with the approval of the whole county."

Mr. Benbow was born on a farm near Amo, Hendricks county, Ind., and was reared on a farm. He studied for two years at the Terre Haute Normal school, and after teaching school two years began the study of law in the office of R. L. MacKinlay at Paris, Ill. He rounded his legal education with two years at Ann Arbor. He married Annette Brinkerhoff at Paris, Ill.

### SCORES GUESTS OF PRESS CLUB

#### Reception Proves Unqualified Success; Fine Program Is Rendered.

"I'm sure when the Press club invited us it forgot to say that we must go at 5 in the afternoon," said one of the fair guests at the reception in the club rooms in the Elks' temple yesterday. "I'm having too good a time to leave." With many others she stayed, and the rooms rang with happy laughter until nearly 8 o'clock.

The reception, which was in honor of the first anniversary of the opening of the cozy clubrooms, was originally set for from 2 to 5 o'clock, and a general invitation was issued to the friends of the club. More than 400 responded to the utmost the excellent program which Charles N. Ryan, chairman of the entertainment committee of the club, had prepared.

The guests were received by President and Mrs. Vincent, the directors of the club with their wives and the newspaperwomen of Portland. After the greater portion had assembled the program was given in the "jinks" room.

Ladies' Orchestra Plays. Before the program commenced the Cecilian Ladies' Orchestra played many selections.

Following a speech of welcome by President Vincent, Mrs. Nina Larson gave several interesting and laughable readings. Roscoe Fawcett, the light-fingered "sports" writer, gave some clever tricks showing what a slight-of-hand man can do; "That Trio," Bauer, Wilson and Confer, of the People's Theater, sang raptune ditties until they lost their breath; Ethel Wilson and Harry Weber, from the Hotel Multnomah, demonstrated that the "Texas Tommy" dance is one which can delight without shocking; Miss Calve, of the Majestic, Miss Nora Lawler and Miss Hester Stokes, of the Multnomah hotel, sang pleasingly; the Lyric Trio gave popular songs, and last, but far from least, Jimmy Dunn gave his inimitable character songs. Cliff Harney was the accompanist.

The rooms had been handsomely decorated for the event in the national colors in honor of the birthday of "The Father of His Country."

### Refreshments Served.

A large picture of Washington occupied a prominent place on the platform and was draped with flags. In the center of the punch table a cake of ice was displayed with a flag and flowers frozen in its center. Palms and flowers aided in the decorations.

During the afternoon refreshments were served, sandwiches, salads and punch. All of the rooms were thrown open and many of the fair guests enjoyed the pool and billiard tables. The buffet and card rooms were also open.

Following the departure of the guests.
