

TRAINING MAY BE STARTED TODAY IN CAMP OF BEAVERS

Baseball Players Waiting for Pluvius to Desist; Ten Men on Hand; Recruit Pays Expenses to Gain Chance.

By H. A. Cronin. Santa Maria, March 6.—Greeted by the five men already on the ground, the Beaver baseball contingent, composed of Range, Krueger, Harkness, Kibbie and Manager McCredie, arrived in Santa Maria last night. Infielders Rodgers and Lindsay, Catcher La Longe, Pitchers Hirsch and Byrd, with Lemon, a new recruit, and Trainer Schmieder, were waiting for a glimpse of their old team mates. All of the men stood the trip well and are anxious to don spanglers and lumber up.

Walter Deane, the New Orleans outfielder, arrived this morning from Philadelphia, where he has been spending the winter. He is ready to go into practice at once. In appearance he is much the same as Spack Harkness, and weighs about 175 pounds.

The weather is clearing up and may admit of practice this afternoon. The team was out bright and early this morning, although it has been raining steadily since Sunday, but were unable to play. The field here is remarkable in that it will dry thoroughly within an hour after a hard rain.

Lemon is a young right handed pitcher, who twirled for the San Bernardino team in the Imperial Valley League. Lemon paid his own expenses to the camp to beseech a trial with the Beavers, which was promptly granted by Manager McCredie. Mac announced that he would give the youngster a thorough tryout before letting him go.

Elmer Koestner wired McCredie that he had uncovered a bush twirler of promise named Herr at Piper City, Ill., and would like to bring him to the coast for a trial. Mac has not made up his mind whether or not he will give the youngsters a tryout. Elmer himself takes his time about reporting, and McCredie does not expect him before March 10.

Bill Rodgers is in splendid condition, although Doc Schmieder says he is inclined slightly to favor his ankle, which was broken last summer. He has been limbering up for several days and showed his old time speed.

Lindsay is heavier than he was last season, and is also in top notch shape. Mickey La Longe is anxiously awaiting the opening game, and according to Mickey, Gus Fisher and Dan Howley will have to work hard to keep him off the team.

Hirsch is a well built chap with a great pair of shoulders and well-poised extra flesh. He is a picture of perfect health. Manager Mac was impressed with his appearance in street clothes.

Byrd, the young twirler drafted from the Helena club, is another "giant" of the Portland staff of recruits, and is built something on the order of Spack Harkness.

Comments have been heard on all sides of the similarity of Joe Kibbie to Duffy Lewis, when the latter broke into the Coast league with the Oakland club. Kibbie is full of pepper, and is waiting patiently for the first work out.

Other players are expected to arrive today, and the majority of the squad are expected in by Friday night. McCredie's Yammigans and the regulars will meet Saturday afternoon if the weather allows, and is propitious for training.

Posters are out announcing a game next Sunday between the Beavers and the Santa Maria team. The game will be the first real work out of the Beavers.

Last Sunday, under the leadership of Bill Rodgers, La Longe, Lindsay, Lemon and a number of local players played the Santa Maria regulars and were defeated by the score of 5 to 2.

When the entrined Beavers passed through Paso Robles, the new park there was without vestige of life, owing to the heavy downpour. The San Francisco players were spending the day getting acquainted with the mud baths at that resort.

The Beavers and Seal Yammigans will meet in a game at San Luis Obispo shortly. Manager McCredie arranged for the game with Danny Long, the San Francisco manager.

Kelly Will Fight McGrooty. Chicago, March 6.—Eddie McGrooty yesterday matched to meet Furo Kelly in a 10 round bout at Kenosha, Wis., March 18. The fighters are to make 150 pounds at 4:30 p. m. on the day of the battle.

ELLSWORTH HEADS THE M. A. A. CLUB

Katz, Vice President; Allen, Treasurer; Secretaryship Not Settled.

Allen M. Ellsworth was elected president of the Multnomah Amateur Athletic club last night at the first meeting of the board of trustees, which was held in the clubhouse last evening. Ellsworth will succeed Walter A. Holt. Alma D. Katz was chosen vice president and Albert H. Allen was chosen treasurer for the third success time. The election of secretary was deferred until the next meeting of the board. The elections proved to be very popular among the members of the club. All were unanimous.

President-elect Ellsworth appointed chairman of a few committees, but before appointing chairman of some of the most important committees he will go through the club membership book in order to secure the best men for those positions. The following men were appointed chairman of the committees: Baseball—Ed Morris. Bowling—A. B. MacKay. Billiards—W. C. Duntway. Grounds—Hugh H. Hardman Jr. Handball—C. P. Osborne. Outdoor athletics—T. M. Dunna. Tennis—A. D. Wakeman. Turkish baths—A. D. Katz. Raquets & Squash—Hamilton Corbett.

The board wants to retain Edgar E. Frank as chairman of the boxing and wrestling committee. Chairman for the gymnasium, swimming and house committee will be named after a careful study.

3 FAST BASKETBALL GAMES ARE SCHEDULED

Lovers of basketball will have an opportunity to witness three good basketball games during the remainder of this week. Tomorrow night the fast Multnomah quint will meet the Y. M. C. A. Spartans in the Multnomah floor. This will be the first game in the new gymnasium, and will give the public a chance to see the new gymnasium. The Spartans suffered defeat last Saturday at the hands of the Silverton Athletic club by the score of 29 to 23.

Friday night the Y. M. C. A. Billikens will line up against the Oregon Freshman five. The Billikens are confident of a victory over the freshmen. On Saturday afternoon the Washington high school team champions of the interscholastic league will play their return game with the Oregon freshmen team. The freshmen defeated the Washington team in Eugene last week. The Hibernal team of the Bankers Basketball league jumped into the leadership last night on the P. A. floor by defeating the Lumbermen's team by the score of 23 to 8.

In the second game the Ladd & Elton team suffered defeat at the hands of the United States National team by the score of 22 to 8.

Tomorrow night the First National team will play the Security Savings & Trust team. If the First National team wins it will be tied with the Hibernal team for first place.

HENDERSON TRAINING FOR O'BRIEN MATCH

Earl Henderson, the Muscatine, Iowa, lightweight, who will meet Danny O'Brien, the local favorite, in a ten round boxing exhibition in Gresham, Or., March 20, arrived here Monday. Henderson was accompanied by his trainer and started training this afternoon in the Columbus club. He will box every afternoon at 8 o'clock.

The ten round exhibition is causing a great deal of talk and a large number of local fans will travel to Gresham to witness the bout. O'Brien is working out and will be in fine condition for the bout. 15 minutes from First st. to Oaks rink.

"PACKY" VICTOR; HIS STOCK RISES

McFarland Wins All the Way in Fight With One Round Hogan in New York.

New York, March 6.—Packy McFarland, the Chicago lightweight, looks better than ever to the followers of the fight game in this city following his easy victory over One-Round Hogan of San Francisco last night.

McFarland won all the way and many of the ringsters thought that Packy could have knocked the Bay City fighter out had he extended himself. Packy's most effective punches were lefts to the face and a right uppercut. Hogan made his best showing in the eighth round when he landed a swing to Packy's nose that drew blood.

Hogan was heavier than McFarland by one point but at no time did he show the class of the Chicago boy.

Hayes Climbing Fight Ladder. Atlanta, Ga., March 6.—Grover Hayes of Philadelphia, stands today a rung higher up the lightweight ladder, following his defeat of Frankie Whitney in a six round bout here last night. Hayes outpointed Whitney in every round, the gong saving the St. Paul boy in the sixth. The fight was the fastest ever seen in Georgia.

Dillon and Coffey to Mix. San Francisco, March 6.—Walter Coffey of San Francisco and Jack Dillon, Indianapolis, who meet in a continuation of the middleweight elimination contests in Oakland tomorrow night, are reported today in excellent condition. Both are confident of victory. Dillon has a match with Frank Klaus in night and as this is his first appearance on the coast, he is anxious to make a good impression.

Evans Wants Matches. A letter received today from Bobby Evans says that he will challenge the winner of the Anderson-O'Brien bout in April. Evans also stated that he will probably meet Tommy McFarland on St. Patrick's day in Medford. Final arrangements for the bout have not been completed, but the two will be signed up in a day or so. Evans intends to stay in Medford for some time.

Medford to Have Good Bout. Medford, Or., March 6.—Bobby Evans, the Portland lightweight, and Young Nixon, will meet in a ten round boxing exhibition here tonight. In the first bout between the two lightweights it was an even affair but both boys are confident of a victory tonight.

ATELL, MURPHY READY; BETTING VERY LIGHT. San Francisco, March 6.—With the fight only three days off, betting today is light on the Attell-Murphy scrap next Saturday afternoon and the little money wagered is at even odds. Both men are training hard, and look to be fit.

Because of the tricks that J. Pluvius has been playing, Promoter Coffroth is a little worried for fear that more dampness may prevent the battle being staged Saturday afternoon as it will be fought in the open air arena at Daly City.

Rug McKeale, Outfielder. Joe Cohn intends to use Hughie McKeale, the local player, in the outfield this coming season. Hughie is also some catcher. But Cohn figures the outfield is the place for him.

Jensen Now a Mormon. Erve Jensen, who pitched for the Nicks last season, will pitch for the Salt Lake club in the Union association next season. Jensen formerly pitched for Spokane and Vancouver.

White Crows Add to Lead in Race. Only two more bowling nights remain before the close of the 1911-1912 season of the Big Four Bowling League and the White Crows are still ahead, with an almost unbeatable lead. Last night the Cigar men walloped the Jarretts in two of the three games played between the two teams. The second game was the most exciting, there being but a margin of 10 pins between the two teams. The White Crows were on the long end of the score. McMahon of the victors was in great form. He has an average of 201 and bowled the high game of the night, which was 256. Moffett was next with an average of 198.

After losing two games to the Jarretts, the Excelsiors came back and won the third contest. Edgar and Melvin were responsible for the Excelsiors' victory by bowling 245 and 220 respectively. Case was high man for the Derbies with the average of 183.

In order to clinch the championship the White Crows will have to win one game, but if the Derbies drop one game it will be all over but the shouting.

Next Tuesday night, the White Crows and Derbies will roll and upon the results of the games rest the title. The Jarretts and Excelsiors will bowl games at the same time.

The scores last night:

Table with columns for team names (Slater, Crawford, Hunt, Martin, Gross, O'Donnell, Totals), scores, and averages.

Table with columns for team names (Case, Duffey, Gross, Hamno, Totals), scores, and averages.

Table with columns for team names (Hoffman, Edgar, Boland, Melvin, Totals), scores, and averages.

Friedman Defeats Jordan. James Friedman last night defeated Jordan in a ten round boxing exhibition at Solli's hall by the score of 22 to 27. Friedman made three runs of 4 and three runs of 3. Jordan made one run of 4 and three runs of 2.

SCHOLARS OF STATE SHOWING INTEREST

Annual Interscholastic Track Meet in Corvallis Draws Many Youngsters.

(Special to The Journal.) Oregon Agricultural College, Corvallis, March 6.—There is much interest among the high school men of the state in the annual interscholastic track meet which is to be held at the Oregon Agricultural college, May 17 and 18. This is evident by the large number of inquiries which are being received requesting information regarding this annual event. There seems to be no doubt that the meet will be the largest in the history of the college.

The management of affairs has been placed in the hands of Bert Pilkington, a '05 graduate and former manager of Multnomah club. Mr. Pilkington has a number of student committees working on the plans for conducting the meet and is well pleased with the present outlook. The management and student body will cooperate in order to make the entire two days' program as interesting as possible to the high school athletes. The various fraternity and club houses and the men's dormitory will look after the entertainment of the visitors and the students in charge have announced that there will be receptions, dances and other forms of amusement, as well as athletic events.

Unique invitations have been issued to every high school in the state requesting each to send five men to the college on the dates mentioned. Several schools have already accepted and many others have signified their intentions of complying with the management's requests. The athletic council is convinced that the attendance will be the largest in the history of the college, and every effort will be put forth to place the standard of the meet up to the expectations of the high school men.

Wattelet told a little tale about Thomas, his speedster, who was sold to the Boston club for \$1500. Wattelet said that he was offered \$5000 for Thomas, but Ed Householder advised holding for \$6000. The result was a slump in Thomas' price. Wattelet expects to have Ed Householder on his club next season, if Sacramento gets Shinn. Managers of semi-professional baseball teams which intend to travel this season will help themselves a great deal in securing games by attending a meeting tonight at the Archer-Wiggins store.

The Oregon Baseball association will be formed for the purpose of securing out of town games for local teams. The meeting will be called to order at 8 o'clock.

At the same time the Commercial league for the 1912 season will be organized. Any business house teams, which desire to enter can do so by having a representative present at the meeting.

Tacoma Has 43 Players. According to the files in the Tacoma baseball office, 43 players are signed for the coming season. The chopping block is being laid upon several of the recruits will be cut loose.

The complete list of players is: Catchers—Ludwig, Crittenden, F. J. Spencer, W. Slebt, A. McLean. Pitchers—Bert Hall, Charles Schmutz, Higgins, Gotchy, Starkel, Schuis, Simons, Helmsack, English, Hatch, Corington, McHenry. Infielders—Don Cameron, Anson, Mott, Pete Morse, Dale, D. Bannado, Sawyer, Turk, Baldwin, Wolf, Moore, Becker, Vogel, Pettit, Wilson Miller, Beach and Black. Outfielders—Lynch Abbott, Neighbors.

DOG OWNER CHEWS EAR OF DOG TAX COLLECTOR. (Special to The Journal.) Cottage Grove, Or., March 6.—With one ear badly chewed, his eyes blackened and his face swollen as the result of an encounter with an irate dog owner, Warren McFarland, city dog tax collector, feels that holding a city job is considerably less than a sinure.

The mixup took place when he attempted to collect the tax from Jack Rice, yesterday. According to McFarland's account, while he was making some notes in a book, his assailant jumped onto him, hugged him with the strength of a wild animal and proceeded to chew his ear. In the struggle that followed McFarland fell to the ground over a rock, making four flag officers, but the dog remained on top and pummeled him till he gave up.

Four stitches were necessary in the ear and the injured man is now confined to bed. A warrant has been issued for Rice, charging him with assault and battery, but he has been in hiding since the fracas and has not been apprehended yet.

MUD, WATER NO BAR TO ANGELS, TIGERS

Los Angeles, March 6.—The Angels and the Tigers will be first-class mud-ders when the Coast League season begins if Berry and Hogan are obeyed to the letter. In spite of mud and high water at Washington Park, both leaders drove their squads through some weird training stunts yesterday. The men hurled rivulets, splashed through miniature lakes and occasionally dived for a ball that had disappeared in the mud. Between showers the pitchers of both squads warmed up easily. Little batting or fielding practice was possible, the work being confined to tossing the ball about and circling the outer edges of the field.

Aberdeen Slow; Centralia Impatient. Centralia, March 6.—No word has been received from Aberdeen by the Centralia baseball directors relative to the city joining the State league. It was reported that the Aberdeen merchants were unanimously in favor of
