# Veasey, Gilligan Due Soon: Peters and Fisher Later: Hawley Arrives.

### By R. A. C.

Santa Marin, Cal., March 14 .--- With arrival of Catcher Dan Howley last night, the Beaver training roster has completed with the exception of Pitchers Veasey and Gilligan, Peters, who reports in May, and Gus Fisher, who will most likely check in at Los Angeles at the start of the season, Haw, ley is a nimble looking fellow and comes with a splendid reputation. He would have reported earlier, but was ill for five days in Los Angeles, being forced to take to his bed. McCredie was overjoyed at Howley's series and regular Yannigan games are due to start tomorrow afternoon.

Chadbourne and Stralt were in uniform this afternoon. This boy Strait looks as if he could hit the ball a Pitchers were feeding him fast despite the fact that he had just ped off the train and his eyes were bad, but he made no complaint and drove them out of the lot or bunted at will He batted one back at Temple that nearly tore Bill's hands off, but at that he will have some job supplanting

Chadbourne is the Chad of old. He is in good shape and says his instep, which bothered him a bit toward the close of last season, is feeling better than ever. He retains his old time speed and batting optic and showed youthful left handed batsmen a few thing about

chopping into the ball. Nick Williams, who scales 205 pounds, at 3 o'clock donned his spangles and drove left handed pitchers all over the He said the ball looked like a balloon to him. Nick will take off 30 pounds before he gets back to weight. The blonde beauty is satisfied with the fielding of his recruits and will watch their batting closely until Friday, when

he leaves for the capital city. Word was received from Mobile yes-terday that Gus Fisher wants to come to Portland if he is turned back to the minors, but Davis will give him a good trial with the Naps. McCredle has Chapman or Butler of Toledo ready to come west to fill the shortstop position for the Champions. Bobby Coltrin cut loose today in an effort to land the place,

# **Five Portland Athletes Leave** Tonight for Seattle; Some Records in Danger.

BASEBALL MANAGERS

Seattle, Wash, March 14 .- In Con Walsh, Jack Sweeney, Hal Beasley, Ira Courtney and Clarence Edmundsen, sport lovers will see five stellar athletes who are practically certain of participating in the Olympic games at Stockholm, in action at the P. N. A. indoor meet at Seattle Friday night.

Of these, Con Walsh of Seattle will undoubtedly break a world's record in the 56 pound weight event. Walsh, in his tryout yesterday, tossed the hammer several inches higher than the record of 16 feet, and at the P. N. A. champion-ship indoor track and field meet Friday he will undoubtedly establish the new

Beasley and Sweeney both represent Victoria, and are champions of British Columbia in their respective events, Beasley in the short dashes and Sweeney in the mile. Both look forward to representing Canada at the Olympic games. Courtney is a Seattle boy, and has a recdash. He will be a close competitor of Beasley in the 100 yard dash and will probably win the 220 yard dash.

T. M. Dunne, acting chairman of the athletic committee of the Multhomah club, accompanied by five athletes, will leave tonight for Seattle, where the Pacific northwest indoor track and field championships will be held tomorrow

Five athletes-Captain Sam Bellah, Carl Wolff, Schmitt, Dart and Myers-will represent the Multhomah club in the meet. Bellah has spent the last week training on running and broad jumping and expects to make a big showing in the indoor championships. Dart, Myers and Schmitt have been

training hard for the meet. These three athletes and Bellah will take care of the sprints, relays, hurdles and broad jumps, while Carl Wolff will handle the weights for the Winged "M" club.

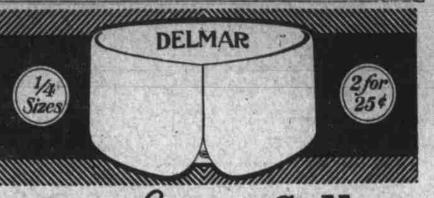

(Swedial to The Journal.) Centralia, Wash., March 14.-The news that Aberdeen would place a team In the State league was received with rejoicing by local fans, as whether or not Centralia had organized baseball this summer depended upon Aberdeen's action. Another committee was sent to Olympia today, and in view of Aberdeen's decision, it is believed here that Olympia will follow suit and adopt class D league ball.
