"To Them That Hath"

A SHORT SERMON TO FAT FOLKS.

"To them that hath shall be given." is a sentence that applies to fat people very neatly. It is common knowledge that once a human being begins to fatten up, to what they have already is added more than they want until finally a stage is reached where reduction must be made or decided disadvantage results.

sults.

Then comes forward the ages-old query, "Reduce—but how?" To the uninformed nothing suggests itself but the (to them) twin evils—less eating—more activity. They contemplate a more or less lengthy siege of dieting and exercising. So it may be said safely that every man or woman in the land now undergoing the fattening-up process has his or her mental eye fixed dublously on that not far distant day when he or she will have to don the "ashes and sackcloth of reduction."

"ashes and sackcloth of reduction."

This is not an enlivening prospect, and so it is with considerable satisfaction that we announce the emancipation of the fat. Nowadays one may reduce much or little, a pound a day if desired, or hold their fat in check, absolutely stationary, without doing a tap of exercise, missing a single meal, doing a particle of harm or causing a solitary wrinkle: All that's required, as hundreds testify is the taking after means and at bedtime of one Marmola Prescription Tablet, which tablets are sold by the Marmola Co., 655 Farmer bldg., Detroit, Mich., or any good druggist, at the uniform price of 75 cents, this sum being accepted for a case of tablets so well and generously filled that even one produces desirable results.

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are five letters from southern women which prove

the efficiency of Lydia E. Pinkham's Vegetable Compound.

LETTER FROM VIRGINIA.

Elliston, Va.-"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time.

"Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these medicines have done for me and I will always speak a good word for them."-Mrs. ROBERT BLANKENSHIP, Elliston, Montgomery Co., Va.

LETTER FROM LOUISIANA.

New Orleans, La .- "I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with hot flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything. Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold." - Mrs. GASTON BLONDEAU, 1541 Polymnia St., New Orleans, La.

LETTER FROM FLORIDA.

Wauchula, Fla .- "Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused

by female troubles. 'Legot two bottles of Lydia E Pinkham's Vegetable Compound and a package of Sanative Wash and that was all I used to make me a well woman. "I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicine and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor."-Mrs. MATTIE HODNOT, Box 406, Wau-

LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.-"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself,
"I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENBERRY, 712 N. 3rd St., Martinsburg, W. Va.

ANOTHER LETTER FROM VIRGINIA.

Newport News, Va.-"About five years ago I was troubled with such pains and bloating every month that I would have to go to bed. "A friend told me to take Lydia E. Pinkham's Vegetable Compound and soon found relief. The medicine strengthened me in every way and my

doctor approved of my taking it.

"I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1929 Hampton Ave., Newport.
