

STAGE DRIVER, 80, GETS BRIDE OF 24

J. W. Lathrop, Veteran of the
Anti-Railroad Days, Still
Young Enough to Wed.

(Special to The Journal.)
Klamath Falls, Or., March 20.—John W. Lathrop, probably the oldest stage driver of southern Oregon and northern California, was married Saturday in this city. Lathrop is close to 80 years while his bride confessed to just 24 years. More than a half century ago Lathrop was considered one of the best four horse drivers on the coast. He drove out of Jacksonville, Or., and out of Hedding, Cal., long before the railroads entered the state. In the early days he was known as "Bugler John," being recognized as an expert on that instrument. He is well preserved physically and does all his own work on his 40 acre chicken ranch, about 12 miles from this city. His bride was Josephine Wagner.

between Taft and Roosevelt. California and Oregon are placed in the doubtful column, along with districts in South Dakota and Minnesota, where La Follette is strong.

Orrine for Drink Habit

TRY IT AT OUR EXPENSE

We are in earnest when we ask you to give ORRINE a trial. You have nothing to risk and everything to gain, for your money will be returned, if after a trial you fail to get results from ORRINE. This offer gives the wives and mothers of those who drink to excess an opportunity to try the ORRINE treatment. It is a very simple treatment, can be given in the home without publicity or loss of time from business, and at a small price.

ORRINE is prepared in two forms. No. 1, secret treatment, a powder; ORRINE No. 2, in pill form, for those who desire to take voluntary treatment. Costs only \$1.00 a box. Come in and talk over the matter with us. Ask for booklets.

strength of the candidates was gleaned from many sources, including the rival claims of managers for Taft, Roosevelt and La Follette, results in states where delegates have already been chosen, views of independent observers, and careful weighing of the influence of leaders in various states.

Reputation in North Dakota.

North Dakota's reputation of the claims of the Roosevelt men that he would take all the direct primary states under his wing will unquestionably have a strong effect in La Follette's favor, and will correspondingly depress the Roosevelt enthusiasts.

Taft already has a good start in delegates actually elected. He has Alabama's 24, all but one district in Virginia's 12 and all of Georgia's 28. Texas and North Carolina are the only southern states in which Roosevelt has a good hold. The Indiana primaries for convention delegates assure him practically a solid delegation there. Oklahoma is the only state that has declared for Roosevelt so far, and some of the districts there have been carried by Taft.

Cummins has been unable to hold his own in Iowa, losing several districts to Taft. One Wisconsin district seems to be shaky, and may be won from La Follette by Taft.

CHITWOOD, OR., MAN LOST ON WAY HOME

F. M. French Has Only Mile
to Go With Mail But
Never Gets There.

(Special to The Journal.)
Toledo, Or., March 20.—F. M. French, a young man who has been working the past winter for M. L. Trapp at Chitwood has mysteriously disappeared. Saturday morning Trapp sent French to Chitwood after the mail, a distance of about one mile. French got the mail and started home and the last seen of him, he was going down the track reading a letter.

On his failure to reach home, Trapp became alarmed and a search was instituted. It is thought he might have fallen from the railroad bridge into Yaquina river and the people of that vicinity are dynamiting the stream in the search for his body.

OPENS FINAL WEEK'S LYRIC ENGAGEMENT

For the final week of their season at the Lyric theatre, the present Keating & Flood Musical Comedy company opened yesterday in a funny mixture of music, mirth, and laughter, entitled "Whitney Orley." It is the best effort of the season put forth to amuse by this clever aggregation of players and not a little regret will be felt when the final performance is given next Sunday night. In the past 18 weeks this clever company has amused and entertained thousands upon thousands, and all the members have made a host of friends who no doubt will wish them a fond good bye during the week. Whitney Orley, who is always a knockout, is again a riot this week and when he sings his parodies the audience does not know when to let him go. Vack and Curtis, with Allen, in their schemes of frenzied romance, are funnier than ever and keep the audience in good humor during the entire performance. Gladys Middleton who became a prime favorite last week is seen to good advantage and sings amusingly "Give Me a Rose." Myrtle Guild has a novelty in "The Trolley Car Swing," Carlton Chase sings "Frisco Fris" and the chorus does some new steps not before shown here, that call forth many encores. Vack and Little Sutherland sing a "German Number" and with the chorus do a waltz clog that had to be repeated many times. "The" trio sang a number of selections that pleased, and a surprise was sprung, by introducing Tom Post, who sang a number of ballads. Post has a magnificent tenor voice, knows how to use it to advantage and his numbers were selected with care. In all this week's bill is good and will serve as a fitting closing for this popular company, who have done their best to please during the past season. There will be a matinee every day and two performances nightly, the last performance being next Sunday night.

Both of the men selected to speak in Oregon by the national Taft committee will be unable to come, according to late reports received at state headquarters in the Selling building, and correspondence is now under way to secure other speakers. Outside spellbinders are promised, but their names are yet unknown.

Congressman Foster of Vermont, who was to have come, is ill, and Senator Townsend of Michigan, who was likewise promised, is detained by illness in his family.

Literature is pouring into the headquarters of the Taft and La Follette camps for distribution over the state, and the least activity is manifest in the Roosevelt organization. Senator La Follette is to speak for himself in Oregon next month, and the Roosevelt men are to send speakers from the east about the same time.

PURE MILK PROBLEMS TO BE CONSIDERED

Through arrangements made by the Portland Young Men's Christian Association, dairymen and their assistants will be given an opportunity to make a thorough study of the problem of supplying Portland with absolutely pure milk. The Y. M. C. A. long has regarded the pure milk question as of utmost importance and to aid the campaign that has been carried on in its behalf has decided to provide an educational course for dairymen to continue 10 weeks, beginning tonight.

The dairymen themselves are interested in this course and are in part responsible for it. They declare that they are interested, no less than the general public, in providing pure milk, especially with the rigid inspection laws now in effect. The Y. M. C. A. believes that at least a part of the blame for impure milk in the past is due to ignorance and hopes by the forthcoming course to remedy this condition.

The class at the association will be conducted by A. S. Wells, state chemist in the laboratory of the state dairy and food commissioner. Mr. Wells has devoted much time to inspecting dairies near Portland and throughout the state and is considered entirely competent to handle the course. The class will meet each Wednesday night for 10 weeks, from 7:45 to 9:30 o'clock.

The course will include the analysis of milk, cream, cheese, butter and ice cream, butter tests, solids, methods of detecting added water, preservatives and other foreign substances. It is expected that the course will be attended by a large number of dairymen and their employees.

A TRIAL WILL CONVINCE ANYONE THE GREAT KID- NEY REMEDY NEVER DISAPPOINTS

A few years ago I was troubled with a complication of kidney and stomach ailments and although I tried two or three different doctors, I was unable to obtain a cure. Having heard a great deal about Swamp-Root, I decided to give it a trial and purchased a one dollar bottle of Mr. Alexander, the druggist. From the beginning I could notice a change for the better and after taking eight bottles of your medicine I felt entirely cured and have not had any trouble since.

Had I began using Swamp-Root sooner, I would have been a few hundred dollars to the good and saved myself a lot of suffering.

You may use my testimonial any time you wish. Yours very truly,
CHARLES E. HARRIS,
460 Sixth St., Marion, Iowa.

I certify that Charles E. Harris signed the above testimonial in my presence, being first duly sworn to the truth thereof, this 12th day of July, 1909.
