Bullet Holes in Heads.

Riverside, Cal., March 23.-Bringing of confirmation of a prospector's story that Mrs. Harriett Guyot of Portland and Miss Julia Francois of The Dalles, Or., had been murdered, Coroner Dickson and Deputy Sheriff Reyburn re-turned today from Black Buttes, in the Chuckawalla range, where they found the bodies of the two women with bul-let holes through their heads.

It was stated that Frank Baurvaerts, a Belgian prospector suspected of the crime, probably would be formally charged today. Baurvaerts is held here in the county jail.

The officers who journeyed to Black Buttes found the body of Mrs. Guyot buried in a canyon 200 feet from the camp, where she is believed to have been killed. Miss Francois' body lay beneath a furnace which had been constructed near the camp from rocks, apparently to burn the women's clothing.

The bodies were so far decomposed that
they were buried at once. No inquest
will be held. Baurvaerts will be given a hearing March 28. rived British steamer Hartington, from

(Salem Bureau of The Journal.).
Salem, Or., March 23.—The schedule for the entertainment of the members of the Portland Press club, who are coming to Salem, about 50 strong, Sunday, as guests of the members of the state board, namely Governor Oswald West, Secretary of State Ben W. Olcott, and State Treasurer.

dtors will immediately be put on street cars and taken to the penitentiary, ar-riving there at about 11 o'clock. A couple of hours will be spent going through that institution, then the guests will be taken to the state asylum, where, at 1 o'clock, luncheon will be served. At 3 o'clock the party will leave the asylum in automobiles and visit the cottage or asylum farm, the tuberculosis sanitarium, the reform school, and then return to the city.

The Oregon Law on Advertising

Any person, who in a newspaper or other periodical, or in public advertisement, or hy letter or circular, knowingly makes or disseminates any statement or assertion concerning the quantity or quality, the value, the price, the method of producing or manufacture of his merchandise or professional work, or the muruer or source of purchase of such merchandise, or the motive or purpose of any sale which is untrue or calculated to mislend, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than \$10 nor more than \$50. The imprisonment in the county fall not exceeding 90 days, or by both such fine and imprisonment. (L. 1000, c, 104, p, 164).

The attention of advertisers, who use "The Journal," as well as that of the public, is directed to the above section from the Oregon Code covering advertising.

"The Journal" makes the same rates on display advertising to all advertisers, in proportion to the space used, and does not make "fish of one" advertiser and "flesh of another," believing one class, or profession, individual, or corporation has "equal rights" to advertise as in other things, and should do so on the same tarms and conditions.

"The Journal" believes that it is no crime to advertise.

Readers of "The Journal," answering advertisements appearing in this paper, are requested to report in writing any fullure on the part of the advertiser to do as he advertises, and if the complaint is well founded, that advertiser will be denied access to these columns, as has been done in the past, and if the advertiser's nets are in violation of the law he will be subject to prosecution.

There are no advertisers using these columns against whom complaints have been made by our readers, and when complaints are made prompt attention will be given to them.

THOS. A. EDISON, THE GREAT

ELECTRICAL WIZARD, SAYS: "THE NEW GERMAN REMEDY for the cure of BLOOD POISON is the greatest achievement and discovery of 1911—and that most of us have Blood Poison and don't know it." DR. C. K. HOLSMAN, THE EX-PERT SPECIALIST, SAYS:

It is now one year since the introduction of the NEW GERMAN REMEDY for BLOOD POISON, and during that time I have administered this preparation in several hundred cases, often giving as many as five doses in a single day. I know my experience with it is far greater than any other physician or specialist in Portland. I have given this remedy a severe test, having met in my experience some extremely bad cases, and I can say without fear of contradiction that it is the greatest discovery of the age and the nearest absolute and permanent cure for Blood Poison, regardless of the stage of the disease or the symptoms present. Every symptom of the disease, from the small eruption to the worst kind of running sore, are checked in their progress at once and completely healed within ten days.

There is no longer any doubt about and expendent There is no longer any doubt about the wonderful curative power of this

C. K. HOLSMAN, M. D. Licensed in Oregon, Washington and California. I possess skill and experience acquired in such a way that no other can share. My years of experience, the right kind of experience, together with the cures I have effected, have earned for me the title—The Leading Specialist.

There is no longer any doubt about the wonderful curative power of this remedy, and when given by an expert there is absolutely no danger of any kind from its use. I introduce it DIRECTLY INTO THE BLOOD by the INTRAVENOUS METHOD, the only proper method of administering it, and the one recommended by Prof.

Enrich himself, as the following extract from his letter shows:

"Judging from all the reports received by me, it appears that the intravenous injection is to be preferred to all other modes of administration, as far as permanency of effect is concerned. Although I have to admit that this method of administration will prove an obstacle to the introduction of the remedy in general practice, on account of certain technical difficulties. I believe that the interests of the patient demand that only the most efficient form of treatment should be decided on. * I should feel much obliged to you if you will—as heretofore—assist me in this direction and in the future employ as much as possible the intravenous method for the administration of the remedy.

My saulpment is as fine as any in Oregon and I give you the GENU-

My equipment is as fine as any in Oregon and I give you the GENUINE GERMAN REMEDY in the RIGHT WAY. You come to my office,
all symptoms disappear. Why should you continue taking mercury and
me and be cured?

I take treat attachments as a sum of the remedy.

I also treat with remarkable success all ailments, such as ENLARGED VEINS, NERVOUS DEBILITY, BLADDER AND KIDNEY TROUBLE and CONTRACTED DISORDERS. I GIVE INDIVIDUAL TREATMENT I wish to make one point distinct and emphatic. The remedies employed in treating my patients are prescribed and compounded to meet the exact requirements of each individual case. Every patient of mine can rest assured that the treatment he receives is not of the "ready-made" kind. I make a special study of every case I trest, note all conditions in the beginning, note all developments as the cure progresses, and so alter my remedies as to accomplish just what my knowledge and trained perception tell me must be accomplished. After diagnosing your case I will know just what you need.

CONSULTATION FREE TO ALL PATIENTS

If you are suffering from any of the above diseases, call for Free Consultation. If you cannot call, write me immediately, giving me a description of your case in your own words. By return mail I will send you, absolutely free, a diagnosis of your case and my best professional advice as to how to proceed in order to correct your trouble.

My office is open all day from \$2. m. to \$ p. m., and Sundays from 10
