### Our Enlarged European Organization--

row includes offices and representatives in Paris, London, Berlin, Belfast, Chemnits, Calais, Nottingham, Yokahama. These are in addition to the buyers whom we send to Eu-

rope each year.

We offer to all our customers planning a European trip this summer, the privilege of shopping in any city where we have an office, having purchases charged to their account here and paying upon their return to Portland.

FYOU were to step into any of the fashion shops of Fifth Avenue or Broadway, New York, you'd find no more varied assemblage of Easter apparel than here in the great Ready-to-Wear Salons of The Meier & Frank Store! Styles couldn't be smarter, fabrics newer or more beautiful, colorings more lovely than displayed here.

Discernibly, they're fashioned from abroad, modified to sult the American woman's conception of beauty and grace of line.

Typical of the Silk Gowns is the stunning model sketched here. Fashioned from a Paris creation by Bechoff-David. Of rich, soft black taffeta-the Russian Casaque bodice, combined with ribbon-like bands in red rose pattern and hue. Finished with tiny red silk buttons. Priced at \$35.

Scores and scores of other styles, each attractive in their own type of beauty. Prices range from \$15 to \$125.
