WEST SIDE—\$1250 with inducement to homebuilders. Strictly for those with willing savironment is a factor and who will cooperate in preserving the trees and foliage with the view of keeping the beauties of the district in its natural state. This district is exceptionally clone in, walking distance. Close enough to the carling to be convenient, and away enough to be desirable. Special pains have been taken to construct the reads in conformity with the natural contour of the property and likewise the building sites, mostly irregular in shape, are platted to harmonize with and beautify the whole district.

This district, with its degwoods, firs, willows and foliage that blooms, is particularly adopted for 4, 5, 5 room homes of the lodge, chalet and rustic bungalow type. A small home built here among the trees and foliage is more attractive than a mansion on the crowded city lot, Suburban surroundings, walking distance.
