

GOOD GOVERNMENT CLUB ORGANIZED

Object is to Work for Election of W. H. Evans for District Attorney.

The "Evans Good Government" club, organized in the interest of the candidacy of Walter H. Evans for district attorney, was formed last evening in the Alisky hall.

Other officers of the organization are: First vice president, C. M. Dickinson; second vice president, A. C. Raven; secretary, A. B. Ridgway; assistant secretary, Elmer Young; executive committee, W. A. Dempsey, F. E. Foulton, Paul De Haas, Richard Deleh and C. W. Robinson.

John McCourt, United States district attorney, under whom Evans has been chief deputy for four years, had this to say for the candidate:

"When I entered the office of United States district attorney four years ago I cast about for a suitable assistant. No strings on him.

"I wanted a man who had no entanglements or strings upon him that would decrease his efficiency as a public prosecutor. Mr. Evans was selected, and I consider myself fortunate for such good judgment in the choice.

SAY COMMUTATION TICKET IS HARSHIP

Some time ago the Southern Pacific company put into effect a commutation book giving persons taking advantage of the service between that station on the Yamhill division and Portland, a fare amounting to about 7 cents, or a book good for one month for \$3.50.

Several residents of Oswego are dissatisfied with the new arrangement, saying that while the cheaper book is all right as far as it goes, the increased price on the old book is a hardship on many, especially the women and children.

John M. Scott, general passenger agent of the Southern Pacific, says the "blue book" is proving satisfactory in general, as it gives a material reduction to those who travel each day, for whose benefit it was issued.
