

COLTS SURPRISE SENATORS IN 11 INNING CONTEST

Class B Bunch Plays Great Fielding Game, Although Pitchers Are Wobbly; Hits Bunched on Maxmeyer.

Sacramento, Cal., March 29.—Nick Williams and his Portland Northwestern league team handed the Sacramento Senators another surprise yesterday afternoon. The Senators were forced to play their very best in order to win the game, 6 to 5, in 11 innings. The Senators made 16 hits and were given eight bases on balls, yet they were unable to defeat the Nicks by more than one run. Hirsch pitched seven innings for the Colts and allowed 11 hits and issued seven bases on balls. The Senators scored but five runs off his delivery. Maxmeyer twirled four innings and the winning run was made when three hits were bunched on him. The Colts had an uphill fight throughout the game. The Senators scored four runs in the first and second innings, but this did not discourage them. Williams, the former Victoria twirler, was on the mound for the Senators, and in the fourth inning the Colts opened up on him and scored their first run. Nick singled and went to third base when Miller booted Harris' grounder. Coltrin's sacrifice fly put Nick over the plate.

Tie Up Score.

In the fifth frame, Strait's single and Mathes' double put the Nicks one run behind the Senators. With two down in the ninth inning, Fries and Mathes singled, and Nick doubled, putting Fries and Mathes in the run column and tying the score.

Gaddy relieved Williams for the Senators in the seventh inning, and held the Nicks safe, while the Senators made the winning run in the eleventh by hunching hits on Richard Maxmeyer.

Manager Williams was more than pleased with the form shown by his team. The team work was fine in today's game, the only error being credited to Coltrin.

The Colts handled 20 assists in fine style, Bobby Coltrin leading with eight. Maxmeyer handled 19 chances at second base without an error. Kibbler played a good game at third base, and Carey also put up a good game at the difficult corner during the four innings that he played.

Strait, Mathes, Williams and Kibbler were credited with two hits apiece. Charley Swain, O'Rourke, Helster and Lewis batted in fine style for the Senators.

The Nicks list was cut down again yesterday, when several more youngsters were released. Of the 49 players that were on hand last week, there are but 25 left.

The Nicks will engage in another

GIRL TWIRLER WILL FACE FACULTY NINE

San Francisco, March 29.—Fast ones and slow ones, sliding innobots and outcurves, floaters and perhaps even the new "wave" ball dealt from the arm of Miss Genevieve Nagel, pride of the Polytechnic high school and the only girl pitcher in San Francisco, will be the feature of a baseball game here this afternoon between the student and faculty teams of the school. The eight young men of the senior class who constitute Miss Nagel's support declare that she "has everything and is there a million." Miss Nagel is said to have all the speed of a league twirler, besides a baffling assortment of curves. She can also hit, run bases and field her position like a man. She will be the only woman in the game, and the nine men on the opposing faculty declare they will consider it no disgrace if they fall before her puzzling delivery.

game with the Senators this afternoon.

Umpire—McCarthy.

BERG AND BEELL GLAD TO GO FOR THE TITLE

Noted Lightweight Contenders in Pink of Condition for Gruelling Battle on Mat at Oregon Hall.

After over three years of persistent endeavor on the part of promoters to match Fred Beell and John Berg, the pair will come together tonight at Oregon Hall, Seventh and Oak streets, to settle the question of "who is who" in the light heavyweight wrestling world. Berg claims the title, but he has never met Beell, who for years has been known as the biggest little man in the wide world. For a long time there has been a suspicion that Berg has purposely sidestepped Beell, but the latter is now in action, and he is determined to meet the Wisconsin wonder and the circumstances always arose to prevent their meeting.

Fans Will See Action.

The fans care nothing for the explanation of either wrestler. What they want to see is action, and they will certainly get their fill of it tonight. For those on the inside know that Beell has not overlooked the talk made by Berg during the past three years. Berg has been having a fruitful field in Portland and the contest of other wrestlers, and Beell is determined to cut out the game here and eliminate John as a drawing card.

It is useless to go into Beell's record. He has been known for years to be a follower of wrestling in the country. He once held the world's heavyweight title by defeating Frank Gotch, and only his size kept him from holding it.

In Perfect Shape.

Fred looks to be in perfect trim. He says he will have no excuses if he is beaten by Berg, but doesn't stop to make a consideration. He asserts that he will pin Berg's shoulders to the mat just as soon as he is able to, and that there will be no stalling on his part to tire the other fellow. Science rather than brute strength will be employed by Beell to defeat Berg, and if he heeds to this line the fans may expect a wrestling that will be a real treat. Berg, on the other hand, pronounces himself in excellent shape and assures his friends not to worry over his chances. That he will defeat Beell and do it within reasonable time, Berg feels certain. He has given himself a thorough preparation. A victory over Beell will give him great prestige in the east, and if it is accomplished Portland fans may prepare to say goodbye.

A couple of preliminary bouts will be staged. The doors will open at 7:30 o'clock and the curtain raisers will be called at the mat at 8:30 o'clock. The principals will take the canvas at about 9:15 o'clock.

BURNS-FRAYNE BOUT WILL END LONG FEUD

San Francisco, March 29.—With Frankie Burns still ruling a 10 to 9 choice over Johnny Frayne, the two lightweights announced themselves in fine fettle today and eager for the sound of the gong which will send them together at Dreamland tonight. A long standing feud between the two lads insures a fast fight, and the fans are looking for some lively milking. A feature of tonight's event will be the reappearance as a referee of Eddie Graney. There will be a 10-round preliminary between Joe Atcheson and Frankie Edwards.

M. GIBBONS AND MOHA ARE M'CAREY'S BAIT

Los Angeles, March 29.—Promoter Tom McCarey has his hooks out today for Mike Gibbons and Bob Moha for a late April date in his middleweight elimination tourney. He has wired both men offering transportation to the coast and plenty of money after their arrival. The winner of such a battle probably would be pitted against the winner of McCarey's second frame contest, in which the victors in the Mantell-Herrick and Fagan-Morrow bout will meet.

CLUBS PREPARING FOR ROSE FESTIVAL PARADE

Arrangements are being made by the Portland Hunt club and the Riverside Driving club for the horse and vehicle parade of the coming Rose Festival. Committees of each club are working at the details and both expect their representations to be very beautiful color schemes are being worked out in order to increase the beauty of the exhibition. Many outside horse owners are expected to participate. An innovation this year is the rule that drivers, riders and occupants of vehicles must refrain from smoking.

HERRICK AND MANTELL TO BATTLE TOMORROW

(Special to The Journal.) Los Angeles, March 29.—Jack Herrick of Chicago rules a slight favorite today over Frank Mantell for their 20 round bout tomorrow at McCarey's Vernon arena. Both men have finished their training and will make their 153 pounds at 10 o'clock tomorrow with ease. Herrick recently fought a good draw here with Bert Fagan, while Mantell's victory over Billy Papke at Sacramento made him eligible for tomorrow's match.

REGULAR MEETING OF ANGLERS' CLUB TONIGHT

The Multnomah Anglers' club will hold its regular monthly meeting in the convention hall of the Commercial club at 8:15 o'clock tonight. W. S. Backus will make a report on the condition of the mouth of the Sandy river, and what has been done on the Oregon City fishing net. The by-laws committee will make a complete report at the meeting, and the reports of the game violation committee will also be put before the meeting.

Lewis Beats Mansfield.

Liverpool, March 29.—Harry Lewis, the American welterweight, in victory today over Harry Mansfield of London. He won the decision after 20 rounds of fighting.

Jefferson Beats Columbia.

The Jefferson High school and Columbia university track and field teams held a dual track meet yesterday afternoon which resulted in a victory for the blue and gold team by the score of 31 to 54.

WISCONSIN WONDER WRESTLES TONIGHT

Fred Beell, who will meet John Berg for the world's light heavyweight wrestling championship tonight at Oregon hall.

GRAMMAR SCORES

The Falling school nine defeated the Ainsworth school team yesterday afternoon in the fastest game of the present season, by the score of 2 to 1. The score was one to nothing in favor of the Ainsworth team till the seventh inning, when the Falling team scored two runs and won the game.

Kiontz, the first man up for Falling, singled, stole second, and took third on a wild throw. Elfer's double to left scored Kiontz. Another wild throw put Elfers on third and he stole home with the winning run.

Swerdick fanned 10 of the Ainsworth batters and allowed four hits, while Layton, pitching for the Ainsworth team, fanned 17 of the Falling stickers and allowed three hits.

The Woodstock school nine defeated the Glencoe team yesterday afternoon by the score of 13 to 8. The Glencoe team did poor fielding work, which was partly the cause of its defeat.

The Sunnyside school nine defeated the Mt. Tabor school team yesterday by the score of 16 to 8.

The Kerns team defeated the Thompson team yesterday by the score of 7 to 5. The game was full of excitement.

The Ockley Green and Portsmouth teams did not play yesterday. Portsmouth failed to show up for the game.

The Hawthorne team was swamped yesterday by the Couch team by the score of 23 to 8. Pearl Casey has done fine work as coach of the Couch team.

AGGIE GRAPPLERS WORK OUT AT M. A. A. C.

The Oregon Agricultural college wrestlers arrived in Portland last night and had a workout in the Multnomah gym with several of the Multnomah wrestlers. Instructor O'Connell gave several of the Aggie pointers on the game. The squad left early this morning for Pullman, Wash., where it will meet the Washington State college grapplers.

Seaton Given Boost.

The Philadelphia American prints the following about Tom Seaton, the former Portland pitcher: "He at once impressed Doolin by his calm demeanor and generalship. Doolin said that he never saw a youth break in the fast set with the poise, balance and shrewdness of this Colorado chap."

Exhibition Called Off.

Cincinnati, March 29.—The series of games between the Cincinnati Nationals and New York Nationals has been called off today on account of the bad condition of the local ball park. New York was to have played the Reds here Saturday, Sunday and Monday.

PLANTEN'S OR BLACK C & C CAPSULES REMEDY FOR MEN

JERRY M. WINNER OF GRAND HURDLE

X-Country Race With \$17,500 Purse Goes to English Peer.

(United Press Leased Wire.) Liverpool, March 29.—The Grand National steeplechase, the greatest "cross country" horse race in the world, was won today by Jerry M. Bloodstone as second and Axtelup was third. There were 24 starters.

The attendance at the race was the smallest in its history, due to the coal miners' strike. King George, who had planned to attend, was absent, having explained that he felt his presence was required in London because of the strike. The field was also greatly reduced because of the inability to transport horses to the track.

Sir Charles G. Assheton-Smith, owner of Jerry M., collected first money, amounting to \$17,500.

Greatest Race in World.

The Grand National steeplechase is the greatest "cross country" horse race in the world. It was run on the Aintree race track, over the usual course, four and one half miles, with brooks, ditches and high built-up fences scattered along the route. The stake was worth \$17,500 to the owner of the winner, but the honor of owning a "National winner" is prized more than the money, for horses that can successfully negotiate the Aintree country are placed on record as the pick of their year for breeding and stamina. Many of the owners rode their own horses, for riding a "National winner" is considered even better than owning one.

As is usual, falls were numerous and early, and several overzealous riders risked their necks in reckless fashion in their endeavors to win the coveted prize. Last year of 27 runners only Frank Bibby's Glenside, the winner, escaped a fall. Glenside was in the field again with a stable companion, Caubain, and Bibby being a local shipowner and popular sportsman, Liverpool people gave his colors a hearty reception.

Had Heavy Weight.

Sir Charles G. Assheton-Smith, a famous Welsh landowner, was doubly represented by Jerry M., probably the most popular horse in England, and King of the Scaletts, Jerry M., who started a good favorite, had to carry the crushing weight of 175 pounds, and was only beaten by the narrow margin two years ago, under a similar weight. Several other owners were doubly represented, and among popular fancies were Oswald H. Jones' Rathnally second in the same race last year; Percy Whitaker's Rory O'Moore, C. Bowdismay's Bloodstone; J. Blundell's Jenkinstown (winner two years ago); C. H. Windenburg's Carrey, Paul Nelke's impunt, Prospect's Fortune, and Shady Girl (third last year), and the Earl of Derby's nomination, Axtelup.

Jack Keefe Is Dead.

Hot Springs, Ark., March 29.—Jack Keefe of Boston, former well known pugilist, is dead here today. Keefe started as a lightweight, and fought a number of battles on the Pacific coast and in the east. He climbed into the welterweight division by defeating "Honey" Melloy.

Frank Turk Released.

Frank Turk, the local player, has been given his release by Manager Mike Lynch of the Tacoma team. Turk showed fine form, but with NHL, a former big leaguer, to play second, there was little room for Turk. Turk will likely play with Rupert's Rubes this season.

JUDGE M'CREIDIE ASKS FOR FASTEST AMATEURS

The Portland Northwestern Colts will play the fastest amateur team in Portland Sunday afternoon, April 14, at the new baseball park. Team managers who wish to try their luck against the Colts may see Judge McCreddie about arrangements. The Judge wants the fastest team in the city to go against the Nicks men.

If necessary, Nick will lend the amateurs a pitcher and a catcher, or perhaps Harry Suter will twirl for the amateurs against the Colts.

Games have been arranged with Medford, Grants Pass, University of Oregon, Albany, Salem and Centralia. The team will leave Redding, April 7, and the game at Medford will be played April 9. The other dates are: Grants Pass, April 10; U. of O., April 11; Albany, April 12; Salem, April 13, and Centralia, April 15.

HANDBALL TOURNEY IS NEARING A CLOSE

Watkins and Lombard defeated Biederback and Jordan in the second round of the doubles handball tournament at the Multnomah club last night. Biederback and Jordan won the first set 21-14, and lost the second and third sets 21-18 and 21-16.

Watkins and Lombard will play Jones and Jones in the semi-final round either tonight or tomorrow night, and the winner will meet Osborne and Ellsworth for the championship and the Cleland cup.

ATELL IS OFFERED FIGHT WITH DIXON

Oakland, Cal., March 29.—Abe Attell, the former featherweight champion, is today considering an offer from Mel Moffitt's club for a six round bout with Tommy Dixon here in April. Attell is willing, but will not give a definite answer for several days, as he has a chance to meet Joe Rivers in Los Angeles in the near future. Attell prefers the latter bout.

Trout Stream to Be Closed.

Wallace, Idaho, March 29.—Fishermen in the Couer d'Alenes have been struck a body blow by the decision of local game wardens that the Little North Fork shall be closed during the month of April, the wardens holding the stream to be unavailability. It is one of the best trout streams in the state and early spring fishing has long been looked forward to by the anglers.

American Horse Backed.

Princeton, owned by Foxhall Keene, was heavily backed but ran a poor race, never having a chance to win. Seventeen horses fell. The odds on Jerry M., the winner, were 4 to 1. Jerry M. ran the 4 1/2 miles in 10 minutes flat. The odds on Bloodstone were 40 to 1, and on Axtelup, 20 to 1.

Walling, Idaho, March 29.—Fishermen in the Couer d'Alenes have been struck a body blow by the decision of local game wardens that the Little North Fork shall be closed during the month of April, the wardens holding the stream to be unavailability. It is one of the best trout streams in the state and early spring fishing has long been looked forward to by the anglers.

OXFORD PICKED TO TAKE GREAT RACE

Veteran Crew Has Advantage Over Cambridge Oarsmen in Tomorrow's Race.

(United Press Leased Wire.) London, March 29.—Rowing experts pick Oxford to win the time honored university boat race, the greatest aquatic event of the year, which will be rowed tomorrow on the River Thames between the London suburbs of Putney and Mortlake, over the usual 4 1/2 mile course. The crews, who finished their practice with a light paddle this morning, are in splendid trim, but the Oxonians have the advantage of experience, weight and longer combined training.

The Cambridge captain, R. W. W. Arbuthnot, has had the mortification of seeing his best men laid up one after another and as a result he has only been able to place three "old blues" in his boat, whereas the Oxonian leader, R. C. Bourne, has five men who rowed behind him in last year's race. Bourne himself is a tremendous factor, being considered the finest stroke England has had for many years.

Experienced water men look askance at the Cambridge "No. 7." L. S. Lloyd, whose weight, 145 pounds, is the lowest recorded for that position for some time, and good oarsmen as he undoubtedly is, the general opinion is that Arbuthnot should have placed a heavier man behind stroke.

There are three Rhodes scholars in the crews, but none of them is an American. D. C. Collins, the Cambridge "No. 2," is a New Zealander, and the Cambridge coxswain, C. A. Skinner, is a South African, while the Oxford "No. 7" is C. W. Littlejohn, an Australian. Tomorrow's event will be the sixtieth meeting between the two universities. Oxford has won 27 times and Cambridge 30 while there was one dead heat—in 1877.

Closing Out.
