

RECRUITS GIVEN WHALING BY PAT O'BRIEN'S MEN

Manager Nick Regards Thorough Workout in Big Game as Best Thing to Determine Merits of Youthful Tossers.

Sacramento, Cal., March 30.—Nick Williams used three recruit twirlers, Armstrong, Daley and Gregg, against the Sacramento team in yesterday's contest and their offerings were pounded to all corners of the lot by the Sacramento team, which won, 18 to 6.

The Nick's located Mahoney's delivery for 13 hits, but scored only six runs. Armstrong started on the mound for the Colts and the Harps took a liking to his offerings. In one and a third innings, and before he was relieved in the second, three more were scored. Daley, who relieved, was touched up in a lively manner, and three more runs were registered before the end of the frame.

Slaughter in Sixth.

Daley allowed one run and one hit in the third inning, and in the fourth inning he shut the Senators out. In the fifth inning the Senators scored four runs, making a total of eight runs and six hits off his delivery in three and two thirds innings.

Dave Gregg, Van's brother, pitched the last three innings and held the Senators to five runs and six hits. Gregg showed a vast improvement over his work of last season. Mahoney did not allow a base on balls during the nine innings and fanned five of the Colts. The three Colt twirlers issued two passes each. Daley whiffed four and Gregg fanned one.

Both teams had four errors at the end of the game. Mahoney was the chief offender in the fielding line with two errors. The Colts failed to score in the first inning, but in the second inning three tallies were chalked up. Two runs were scored in the seventh and one in the ninth.

Menor is Star.

Menor was a star for the Colts. He fielded in fine style, hit well and ran bases in his old time form. Strait, Fries and Kibbie batted in good order. Kibbie and Fries connected for two bingles and three hits were used by Strait.

Nick used 17 players in the game. Haris, Wilson and Troch were used behind the bat. Wilson failed to show anything and probably will be released. Armstrong, the Michigan league recruit, will also be shipped the blue envelope. Coltrin and Carey were used at the short patch, and Kibbie and Gay worked at third base. Foy worked at first base, but was relieved by Mathes. Williams sat on the bench and watched the recruits work.

Manager Nick worked his young players yesterday, irrespective of the result of the game. He feels that it is the only way that he will learn whether his recruits are up to standard. The wind was blowing a gale and it was almost impossible to judge a fly ball.

Coltrin's injured ankle was given a further wrench and Curtis was sent to the hospital to be treated for mumps. A physician is in attendance to see that the maldy does not spread to the other players.

Will Pitch Regulars.

Manager Nick is determined to pitch Bloomfield and Tomsonen today, and Eastley and Doty are scheduled to work Sunday against the Senators. The Yaguigans will play the Willows team Sunday. After that Manager Nick will cut his squad to 24 men, and will depart Monday for Redding for a brief stay.

BARNEY OLDFIELD TO VISIT IN PORTLAND

(United Press Leased Wire.)
San Francisco, March 30.—Barney Oldfield, the automobile "speed king," is in San Francisco today on a tour of the coast cities with a number of prominent automobile men.
Oldfield said he was very anxious to get back into the racing game, in which he has taken no part for about a year. He is seeking reinstatement by the American Automobile association, in the hope of securing a race with Bob Burman, the present holder of the speed king crown of America. Such a race, Oldfield said, probably would be held somewhere on the Pacific coast.
Oldfield's present tour will include visits to all the principal cities of California, Oregon and Washington.

HERRICK AND MANTELL AT MCGAREY'S TODAY

Los Angeles, March 30.—Jack Herrick, elongated Chicago middleweight, and Frank Mantell, who aspires to be graduated from the trial horse class, were the headliners at McGarey's classic matinee at Verpon this afternoon. The men were scheduled to weigh in at 158 at 10 a. m. Although betting was very light, Herrick ruled a 10 to 7 favorite early today. Chicago money carried the price from evens. George Carrese and Al McLain, white hopes, were down for a 10 round preliminary. The main event was scheduled to start at 8 o'clock.

HAMILTON BREAKS AIR SPEED RECORD

Sacramento, Cal., March 30.—Charles K. Hamilton holds the world's aviation speed record today for a 50 mile flight. He negotiated the distance between this city and Stockton, 57.7 miles, in 33 minutes less 20 seconds, at the rate of 136 miles an hour. The fastest previous time was 103 miles an hour, made by Jules Vedrines, at Pau, France.

BERG'S GOOD LUCK BRINGS BEAT AFTER CONJUGAL AN EYE WRESTLING

Wisconsin Bearcat Has Northwest Grappler Beaten to Frazzle on Mat and Crowd Cheers Decision of Referee.

Showing a yellow streak that surprised his friends of years, John Berg quit cold to Fred Beell in their wrestling match last night, after apparently purposefully gouging the Wisconsin man in the eye while his own shoulders were nearing the mat after 70 minutes of wrestling. It was the most flagrant case of saffron nerves that Portland fans have ever witnessed and Berg should never again be foisted on the public here, which has stood for his frame of beating easy marks long enough. Until Berg stuck his thumb in Beell's eye, the match was the cleanest ever witnessed here, and both men were being applauded vigorously. The revulsion of feeling was pronounced when Berg jumped off the platform and went to his dressing room, followed by a torrent of hisses and jeers.

Blitz on Referee.

That had blood existed between the two wrestlers came out when Berg refused to accept Herbert Greenleaf as referee and insisted on Ed. Noel, of Theos Acton, former world's champion. Berg was simply a toy in Beell's hands and the latter played with him as a cat does a mouse. He "kidded" Berg along for half an hour and even slipped into a few words to give John Beell confidence in himself, it seemed, breaking them when Berg became too aggressive. The last half hour of the match Beell was behind Berg continuously and had him tied in a knot at frequent intervals. Berg crawled off the mat every time he was asked to hold, and having previously been stipulated that should the feet of one man be off the mat, the wrestlers were to relinquish the hold and start over again in the center of the canvas. Time and again Berg took advantage of the rule, every time working on one of Berg's legs until it was in a very strained position and he would not let John get up to stretch his limb.

Thumb Finds Eye.

Finally he slipped into a body hold that not even Frank Gotch could have bridged out of, much less Berg. Berg's shoulder was slowly being crushed to the mat, when spectators saw Berg's thumb shoot into Beell's eye. The latter relinquished his hold and appealed to the referee. Berg walked to his corner while Beell's orb was being doctored and sought the counsel of his chief second, Bert Shores. When the men came to the center of the mat again Beell charged Berg with dirty work and they began slugging at each other. Referee Acton had them parted and several officers hopped into the ring to quell the fistful work. When the officers hopped in, Berg took advantage of their presence and beat a retreat to his dressing room. He was given five minutes to return but when he came back he was wearing a roll of bandage, and flourished a roll of bills. He wanted to make a speech but the crowd would not listen and Acton declared the bout in favor of Beell.

Berg secured \$281 as his 25 per cent of the gross receipts of the house. Probably the last money he will earn in Portland. Beell's 50 per cent gave him nearly \$340.

Beell will remain in Portland a couple of days to have his injured eye treated by a specialist.

Oaklander Is Too Much for Johnny Frayne, Who Falls in Ninth.

COLLEGIANS WILL MEET COLUMBIA "U" WITH INEXPERIENCED DIAMOND SQUAD

Colegians Will Meet Columbia "U" With Inexperienced Diamond Squad.

(Special to The Journal.)
Oregon Agricultural College, Corvallis, Or., March 30.—The baseball team at the Oregon Agricultural college will be opened this afternoon, when the Beaver youngsters are scheduled to meet the representative of Columbia university. Coach Stewart has had a large squad of inexperienced men out on the local diamond every evening this week, and is attempting to select a nine to meet the representatives of Columbia university. The fact that they have a large majority of the squad appear to be of about an equal ranking, it is impossible as yet to even suggest a probable lineup for the season. Only four veterans, Captain Kleben, Cooper, Phillips and Hinkle, are on hand at this year. However, a large number of new candidates are showing up well, and prospects for a first class team are generally considered much brighter than the outlook a few weeks ago indicated. Coach Stewart will doubtless use a large number of men in Saturday's game, in order to get a line on the most promising candidates for the varsity.

Captain Kleben will occupy the mound, and will probably be assisted by Culliver Payette, Idaho, who is one of the most promising writers available. Phillips, Hinkle, Evans and Darnell will take care of the receiving department. Cooper will be back in his former position at first base. Coleman, formerly of Mount Angel college, seems to have a lead for the second base position, although he is being crowded by several of the other candidates. Walters, a substitute last season, and Little Jack Gross, former mascot of the Portland Beavers, are showing up well at the third sack and shortstop. In the outfield, Shave of Beeson and Dennis of Guam are in line for permanent positions. Young, Hitt, Spense and a number of other youngsters are working hard for places, and another week of work, with a few practice games, may greatly alter the lineup, which will be delegated to open the contest with Columbia university.

RUPERT ORGANIZING TEAM TO PLAY NICK

Red Rupert is organizing a team, which will probably be pitted against the Northwestern league team on April 1. The team will play at the Vaughn street park. Rupert should be able to develop a strong team between now and the 14th, with such former league players as are available in Portland.

That disorder commonly known as weakness has for years and generations baffled the efforts of physicians. Yet to the very day a majority of doctors, specialists not excepted, are attempting to overcome it by methods that have been in constant use and have always failed for half a century. They dose the system with powerful stimulants and tonics calculated to restore nervous force or strength that is not and never has been lacking, with the result that the functions are temporarily restored, but the positive decay of the patient. Weakness is not a symptom caused by many distant local conditions and is curable by local treatment only. I BELIEVE WEAKNESS WITH MY NEW SYSTEM TREATMENT, without giving a single internal dose, which demonstrates
