LAFFERTY'S LEAD OVER GANTENBEIN IS LESS THAN 500

In Eastern Oregon District Loyal Support of the Home County Gives N. J. Sinnott Victory Over Ellis.

Nominations for Congress.

First District—Republican, W. C. Hawley of Marion; Democrat, R. G. Smith of Josephine.

Second District—Republican, N. J. Sinnott of Wasco; Democrat, C. C. Covey of Crook.

Third District—Republican, A. W. Lafferty; Democrat, M. G. Munly of Multnomah.

The triumph of A. W. Lafferty, incumbent, over Judge C. U. Gantenbein for congressman in the new third district was not nearly so great as was expected. With Multnomah county practically complete Lafferty has 3947 and Gantenbein 3474, giving the present congressman a lead of only 473. It looked early yesterday like this plurality would be much greater. Clyde, with 4252, and Shepherd with 3419, had the rear end of the contest to themselves.

Lafferty's winning is believed due in great part to the campaigning of the workingmen's political party, while Gantenbein's friends blame Shepherd for taking away much strength that otherwise would have gone to Gantenbein.

Sinnott Has Substantial Lead.

The contest for congressman in the Second district, eastern Oregon, looked close until the returns were more than half in, when it was seen that only an unusual combination of circumstances could defeat N. J. Sinnott of The Dalles. Sinnott is a law partner of Judge A. S. Bennett and brother of Roger B. Sinnott of Portland. His plurality over former Congressman W. R. Ellis of Umatilla is nearly one third. His home county of Wasco was all but solid for him, while the neighboring counties of Hood River, Sherman and Gilliam gave him substantial leads. This congressional race had marked local features. Ellis carried Umatilla, Cochran Union and Rusk Wallowa, home counties, but in no case by any such sweeping plurality as Sinnott had in Wasco. Rusk and Cochran cut into each other's home counties severely. Roosevelt, of Pendleton, a merchant, did not run strongly.

R. G. Smith's Name Written.

In the first district, where the Democrats had no candidate, names were written in, principally those of R. G. Smith of Josephine and C. W. Talmage of Tillamook. Smith, it is believed, prevailing. Smith is mayor of Grants Pass and Talmage is a lawyer of Tillamook. The Republican nominee, W. C. Hawley, present congressman, had no opposition.

C. C. Covey, Democratic opponent of N. J. Sinnott in next fall's election, is former Indian agent at Warm Springs.

WRECK OF TITANIC TO BE SUBJECT OF CHURCH SERMONS

Solemn Memorial Services to Be Held in Nearly Every Church in City—Services at Y. M. C. A.

Memorials to those whose lives were sacrificed in the wreck of the Titanic form the theme for sermons in more than one church in Portland today. The first memorial service was held last Thursday morning when solemn requiem mass was solemnized at St. Mary's cathedral before a gathering of prominent citizens of many denominations, representing all walks of life.

One of the most solemn memorials tomorrow will be held at the First Congregational church of which F. M. Warren, one of the victims, was a member. Dr. Dyott will preach a sermon in the evening on "The Titanic Disaster." At the Young Men's Christian association, of which Mr. Warren was one of the charter members, the afternoon meeting will be devoted to a service in his memory at which the story of the Titanic will be told by stereopticon views.

Rev. William G. Eliot Jr., of the Unitarian church, is to preach in the evening on "Disaster and the Christian Religion." At the Central Christian church Dr. J. F. Ghormley will take as his subject in the morning "In the Toils of the Sea." At the Church of the Strangers, United Presbyterian, Rev. S. Earl DuBois will speak on "God and the Sea Tragedy" in the evening.

"A Shipwreck" will be the subject of Rev. J. E. Snyder, of the Piedmont Presbyterian church in the morning. In the evening Rev. Frank D. Findley will speak on "The Carpathia and the Church Under Steam for the Rescue." "The Wreck of the Titanic" will be Dr. E. Nelson Allen's subject in the morning at the Hawthorne Park Presbyterian church. Dr. Young will take the same subject at Taylor Street M. E. curch in the morning and Rev. Walter Benwell Hinson will do likewise at the White Temple in the evening.

At Grace, Montavilla, Baptist church, Rev. Albert E. Patch will speak on "Ships That Sink" in the morning. "There Shall Be No More Sea" will be taken by Rev. Robert Gray at Tabernacle Baptist church for his morning topic. Dr. J. D. Corby at the Universalist church will hold a memorial service for the victims of the disaster in the morning and Rev. F. S. Bollinger will speak at the Highland Baptist church on "After the Horror, the Still Small Voice."

NO FIGHT FOR JUSTICE OF SUPREME COURT

There was no contest for the Republican nomination for justice of the state supreme court, and Justice Robert Eakin, incumbent, is the nominee. On the Democratic side R. J. Slater of Pendleton, a brother of former Justice W. T. Slater, is presumed to be the nominee, as his name was largely written in. He will accept the nomination.

No attempt was made to tabulate the returns on delegate to the national convention or electors in either party. The vote is widely scattered and it will be several days before the 10 delegates of each party can be named. Under the presidential primary law the Republican delegates go to Chicago instructed for Roosevelt and the Democratic delegates will go to Baltimore instructed for Wilson.

The office of elector is a perfunctory one. The Democrats had a full ticket of five, Hugh McLain of Coos, Will M. Peterson of Umatilla, J. M. Wall of Washington, and D. M. Watson and F. C. Whitten of Multnomah being elected. M. J. Mac Mahon was the only Republican candidate for elector on the ballot. He is elected, and four others have been chosen by writing in names, but who they are will not be certain for some time.

RECORDS OF INQUIRY WILL BE OPEN TO ALL

(United Press Leased Wire.)

New York, April 20.—Any court of justice which can make use of it, is welcome to the information which the senate subcommittee has obtained in its hearing on the Titanic disaster, according to Senator William Alden Smith, chairman of the committee tonight.

"I don't know whether anything of a criminal nature will be developed at the hearings," he said, "and I will not vouchsafe an opinion. But the records of the investigators will be placed at the disposal of anyone who may be able to make use of them."

NICKLE DEFEATS PORTLAND DOCTOR

Forest Grove Man's Plurality Given at 2267—Cottel Follows Closely.

John D. Mickle, nominated by Republicans for dairy and food commissioner.

Incomplete returns from 25 counties, including Multnomah, give John D. Mickle of Forest Grove a plurality of 2267 for the office of state dairy and food commissioner, and strongly indicate his nomination.

The total vote for Mickle is 15,253. His closest competitor is Dr. W. I. Cottel with a total vote of 12,986. The total vote for A. H. Lea of Portland is 11,467, and for Arthur T. Edwards of Portland, 8296.

Cottel led the Multnomah county vote, having 7097 to Mickle's 5422, Lea's 5050 and Edwards' 5335. Cottel also led in the strictly Portland vote, the figures being: Cottel, 6513; Mickle, 3847; Lea, 3588; Edwards, 2620.

It was in the out-state vote that Mickle showed his strength. The figures from 24 counties are: Mickle, 9831; Lea, 6417; Cottel, 5889; Edwards, 2961.

Washington county, Mickle's home, rallied strongly to him. The vote there was: Mickle, 1454; Lea, 339; Cottel, 229; Edwards, 106.

Lea was strongest in Marion county, where Carle Abrams had been campaigning for him. The vote there was: Lea, 1308; Mickle, 981; Cottel, 635; Edwards, 635.

Mickle was behind in Baker, Gilliam, Harney, Hood River, Josephine, Lincoln and Marion counties. The vote in Morrow county was a tie between himself and Dr. Cottel.

The strength shown by Dr. Cottel was one of the surprises of the election. Mickle and Lea had been considered leaders and the outcome was seriously doubted by all prophets of the dairy and food commissioner fight.

Mickle made his campaign strictly on a pure-food, pure-milk basis, announcing his intention of enforcing state laws requiring these things and avowing his belief in the efficacy of the tuberculin test as a means of weeding out diseased animals. Lea's platform was similar, as, indeed was that of Dr. Cottel, who had been active in securing pure milk legislation. Edwards is a comparative newcomer.

BOY, HIS FATHER LOST, TELLS STORY OF WRECK

(By the International News Service.)

Philadelphia, April 20.—John B. Thayer Jr., whose father, second vice president of the Pennsylvania Railroad company, went down with the Titanic, today gave out an account of his thrilling experience. Young Thayer, who is 18 years old, said:

"Father was in bed and mother and myself were about to get into bed. There was no great shock. Father and mother came on deck with me. We walked around to the port side, as the ship had then listed to port.

"We then went to our rooms on C deck and all of us dressed quickly. We all put on life preservers. Over these we put our overcoats.

"Father and I said goodbye to mother at the top of the stairs on A deck. Father and mother went ahead and I followed. They went down to B Deck and a crowd got in front of me and I was not able to catch them and lost sight of them. As soon as I could get through the crowd I tried to find them on B deck but without success. That is the last time I saw my father."

EXCITING CONTEST FOR COMMISSIONER GOES TO LIGHTNER

Krueder Runs Incumbent Close Second, Losing Only by 700 Votes—Dan McAllen Close Third.

One of the most exciting contests for a county office was the neck and neck race between Lightner and Krueder for county commissioner, Lightner winning by 700. Lightner's vote with half a dozen precincts missing was 4181. Krueder with a total vote of 3481 was less than 400 ahead of Dan McAllen who with 3424 votes came third. Sweeney with 2791 was nearly 1100 behind McAllen. Ex-Councilman J. T. Ellis ran fifth with a vote of 2649, and Ex-Senator A. A. Bailey brought up the rear with 2343.

A sidelight on the contest between Lightner and Kreuder was the vote in precinct 72 where they both live, which gave Kreuder the defeated candidate, 51 votes as against 31 for Lightner.

HENRY E. REED'S LEAD OVER SIGLER, 367; 12 PRECINCTS TO REPORT

Henry E. Reed has apparently defeated B. D. Sigler for renomination for assessor. Reed has a lead of 367, with probably a dozen precincts yet to report. Sigler was nearly 600 behind at noon yesterday, but he steadily reduced Reed's lead throughout the afternoon. However, it is not thought that the few remaining precincts will change the result as announced above. The vote stand—Reed, 12,121; Sigler, 11,754.

COFFEY WINS GREAT VICTORY FOR CLERK; TOTAL VOTE IS 9315

John B. Coffey won a decisive victory for county clerk. His total vote, with a few county precincts missing was 9315. His plurality was 2530 over his nearest opponent, R. C. Smith, chief deputy under Fields. Smith's vote is 6785. Fred Prasp, formerly chief deputy under Fields, was third with a vote of 5706. Joe S. Hutchinson, license clerk in the city auditor's office, was low man with a vote of 3022.

Coffey was defeated for the clerkship two years ago by Frank Fields.

TAZWELL'S BIG VOTE SURPRISES TO MANY; WINS OVER 7 MEN

One of the surprises of the county ticket was the nomination of Police Court Judge George Tazwell to succeed C. U. Gantenbein, judge of the circuit court, department No. 4. Tazwell won handily in a field of seven candidates. With about 10 precincts missing, his plurality is 1174 over Justice of the Peace Fred Olsen, his nearest competitor. Tazwell's vote is 6155; Olsen, 4981; Seton, 4772; Masters 3698; Ditchburn 2097; Reid 1943; Geisler 1286.

MORROW RENOMINATED OVER BENBOW BY A MAJORITY OF 8083

Judge Robert G. Morrow was renominated for judge of the circuit court in department No. 2 over his only opponent, W. C. Benbow, deputy city attorney, by the largest majority received by any candidate on the county ticket. Judge Morrow's majority is 8083 in a total vote cast for the two candidates of 24,201. With a small number of country precincts not reported the vote stands Morrow, 15,642; Benbow, 7559.

A. P. ARMSTRONG WINS CONTEST FOR COUNTY SCHOOL SUPERINTENDENT

A. P. Armstrong, formerly county school superintendent, was again nominated for that office over R. F. Robinson, incumbent, and G. W. Henderson, principal of Ockley Green school. Armstrong's plurality is 654 over Robinson, who ran second. Henderson was 160 votes behind Robinson. The total vote of the three candiates, with 8 precincts missing, is as follows: Armstrong, 8374; Robinson, 7720; Henderson, 7560.

Robinson is serving his third term as superintendent of schools.

HITCHCOCK URGES FUND FOR RELATIVES

(United Press Leased Wire.)

Washington, April 20.—Postmaster General Hitchcock today addressed a communication to Chairman Moon of the house postoffice committee, recommending that a provision be inserted in the pending postoffice appropriation bill, authorizing the paying of $2000, the maximum amount prescribed by law, for payment to the relatives of railway postal clerks killed while on duty, to the families of each of the three sea post clerks who lost their lives on the ill fated Titanic.

"The bravery exhibited by these men," Hitchcock stated, "in their efforts to safeguard, under such trying conditions, the valuable mail entrusted to them should be a source of pride to the entire postal service and deserves some marked expression of appreciation from the government."

When last seen by those who survived the disaster, those three clerks, John S. March, William K. Gwynn and Oscar S. Woody, were engaged with the two British clerks in transferring bags of registered mail to the upper decks. An officer of the Titanic stated today that when he last saw these men, they were working in two feet of water.

Called on to Produce Evidence.

(United Press Leased Wire.)

Boston, April 20.—In a telegram sent tonight to Oyster Bay, Representative "Gussie" Gardner replied to Colonel Roosevelt's refusal to meet him in a debate on present political issues. Gardner asserted that the colonel's charge that Senator Lorimer had received President Taft's support and assistance was false and called upon the president and Colonel Roosevelt to produce correspondence which the Massachusetts representative declared would prove it.

EPWORTH LEAGUE ELECTS OFFICERS

Ernest Stansbery Made President—Dr. Young Delivers Address.

The annual election of officers of the Portland District Epworth league took place yesterday at the district convention held in the Sellwood Methodist church. The newly elected officers of the league are: President, Ernest Stansbery, Taylor street chapter; first vice president, B. W. Gooley, Sellwood; second vice president, Ruth Woolley, Sunnyside; third vice president, Mrs. Lena Sweetland, Laurelwood; fourth vice president, Laura Bertrand, Wesley chapter, Centenary; recording secretary, W. H. Warren, Sunnyside; treasurer, Mrs. G. H. Rogers, Central; superintendent of junior leagues, Miss Ida Mattson, Montavilla; Dr. J. W. McDougall, member of the board of control.

A large attendance heard Dr. Benjamin Young of Taylor Street Methodist church deliver an interesting address last night on "The Value of the Boy." Members of all the Methodist churches of the city were present.

Under the supervision of the Miss Mary J. Hepburn, superintendent of the Portland Methodist Deaconess Home, a successful campaign has been inaugurated for the support of a nurse deaconess for the settlement work in Lower Albina. The various chapters have contributed generously to the movement. Reports of officers of the league, submitted at the convention yesterday, show that finances are in a thriving condition.

The entertainment committee of the Sellwood Methodist church are serving the delegates and vistors with appetizing meals noon and evening of each day.

Ernest Stansbery was elected a delegate to the annual convention of Salem district, which will take place in Leslie church at Salem next month. Miss May Marcy of Sellwood chapter was elected alternate.

A sermon will be preached this morning at 11 o'clock on the Epworth league. The speaker will be Rev. J. K. Hawkins, pastor of Sellwood church. At 3 o'clock District Superintendent McDougall will conduct a communion service, assisted by other ministers. "Digging Ditches" will be the topic of a sermon to be preached tonight by Superintendent McDougall. Services at Sellwood church tonight end the convention. The next convention will be held at Sunnyside.

"PLEASE TELL MOTHER I WENT DOWN WITH SHIP"

New York, April 20.—"Please notify my mother, Mrs. Mary Yates, Akron, Ohio, that I went down on the Titanic."

This was the message written on a slip of paper, by John Yates, known all along Broadway and in many of the principal cities of the country as J. W. Rogers, gambler and card shark, as the giant liner was settling to her watery grave and handed to a woman whom he had assisted into the last lifeboat. As the water washed the deck where he was standing, Yates plunged into the sea. He was not among the survivors when the Carpathia arrived here.

When the order for the lifeboats to be lowered was given, Yates, who had been in the card room, hurried to the deck and assisted many women into the boats. When the last woman was ready to leave the ship, the noted gambler thought of his mother. Tearing a sheet of paper from a diary, he scribbled his last message to her.

The woman kept the slip of paper and when she reached New York, she at once sent a message to Mrs. Yates, telling her of her son's death. The original of the message was sent to the United Press.

"Thank God, I know where he is now," murmured the mother, when notified of her son's death.

"TIRED OF THIS GRAFT;" HE ATTEMPTED SUICIDE

Arhtur M. Rhodes, about 35 years of age, made an attempt at suicide this morning about 1 o'clock, but a note of farewell was found in the hallway, which had been tucked under the door leading to his room at 739 Glisan street, and a patrolman broke in the door and turned off the gas, by which the man had planned to shuffle off his mortal coil. He is now in the city jail. The substance of the note was that he "was tired of this graft," whatever that might mean.

8 Iowa Counties Give Clark Lead.

Des Moines, April 20.—Eight Iowa counties held conventions today and as a result Speaker Clark secured 60 more delegates and Woodrow Wilson 22, making a total for the week of 70 for Wilson and 119 for Clark.

Manager Jamieson of the Clark forces, says his man now has 481½ to 239½ for Wilson and only 36 more needed to give Clark control of the state convention, and these will be secured during the next week.

ALASKAN JUDGE UNDER ARREST

L. T. Erwin of Fairbanks Accused of Failing to Pay Alimony.

(Special to The Journal.)

North Yakima, Wash., April 20.—Because he stopped off for a few hours to see his old home city in the beauty of her blossom time, Judge Lewis Thomas Erwin of Fairbanks, Alaska, is residing in the county jail, instead of continuing his railroad journey to Minnesota where, it is said, he expected to meet representatives of the Guggenheims to confer about Alaska matters. His arrest has nothing to do with Alaska matters, however, but arises from marital troubles. Twelve years ago Mrs. Verdie Aiken Erwin, prominent in social circles then and now, divorced him and the court instructed him to pay $50 a month alimony for the support of his wife and seven children. According to the charge made by Mrs. Erwin, the alimony was never paid and would have amounted, during the 12 years, to $4810 with interest, which sum it looks as if Judge Erwin would have to pay before he gets out of jail.

After the divorce he went to Alaska where he has a second wife and two children. This is his first visit to North Yakima in the 12 years. News of his presence in the city got about, and a warrant for his arrest on a contempt of court charge was procured. He managed to board the train for the east, but was arrested at Toppenish.

ELECTRIC COMPANY MUST DEFEND CASE

(Special to The Journal.)

Hood River, Or., April 20.—Complaints were today served upon officers of the Hood River Gas & Electric company, charging violation of the city ordinance recently passed arranging for changing of their electric wires, claimed by electrical workers to be too near poles. The fine provided for in violation of the ordinance is between $200 and $1000. The Hood River Gas & Electric company claims that the ordinance was passed at the solicitation of parties interested in opposition to the electric plant. The electric company will stand trial.

DEMOCRATS INDORSE DUNPHY FOR GOVERNOR

(Special to The Journal.)

Walla Walla, Wash., April 20.—Democrats of Walla Walla county held their convention this afternoon and elected 20 delegates to the state convention to be held here next month. Instruction was given them regarding the presidential situation. They indorsed W. H. Dunphy for governor and W. A. Ritz of this city, for delegate to the national convention and praised the work of the Democratic congress. While no instructions were given, the convention was clearly pro-Clark.

LATOURETTE TOPS FIELD IN CONTEST FOR LEGISLATURE

Spencer Second in Popularity—Both Advocated Reasonable Tax Exemption on Household Furniture.

A complete count from all but six of the 193 precincts in Multnomah county shows John R. Latourette leading the field in the contest for 12 places from the 18th representative district for the state legislature. Latourette's vote in the 187 precincts totaled 12,830.

W. Irving Spencer, with a vote of 10,698 is thus far second in point of popularity with the electorate. Both Latourette and Spencer advocated a reasonable tax exemption on household furniture in their platforms.

McArthur Runs Third.

C. N. McArthur, former speaker of the house, ran third. He received 10,506 votes in the precincts counted up to midnight. His campaign slogan was for rigid economy in public expenditures.

L. G. Carpenter, formerly a city detective, was fourth with 10,329 votes. Carpenter's platform included advocacy of closed bridge draws during the rush hours.

James D. Abbott, a member of the last state legislature, was next on the list with a total of 9,638 votes to his credit. Abbott's name headed the ballot for representatives.

Other Candidates Nominated.

Other candidates apparently nominated by the count are as follows:

Claude E. Hicks, with a vote of 9078. One of Hicks' promises before the primary election was that he would work for judicial reform.

Conrad P. Olson polled 9107 votes. He was heavily supported by the local Swedish American voters. Regulation of corporations is advocated by him.

Jay H. Upton, Spanish war veteran and an advocate of good roads and better school laws, came through with 9087 votes.

Arthur W. Lawrence, one of the candidates of the workingmen, followed closely, amassing a total of 9059 votes.

J. H. Nolta, who has boosted for a bridge across the Columbia between Vancouver and Portland, got 8690 votes.

H. C. King is also apparently nominated as one of the lucky 12 with a vote of 8275. The list of 12 is apparently completed by John C. Bryant, who has served two previous terms, his vote being 8738.

M. J. Murnane, another candidate backed by the labor men of the county, trailed the procession with a vote of 8196. C. A. Applegren was only 42 votes behind Murnane in the precincts counted and the final result may change the two around, or even affect the situation in such a way as to crowd King out in favor of some one of the other candidates as yet not in the charmed circle.

Race is Close One.

The race between W. H. Chatten and David E. Lofgren, for the place of joint representative from Clackamas and Multnomah counties is close, Lofgren so far leading by a vote of 10,748 to his opponent's 9595.

DEMOCRATS WOULD INVESTIGATE $$ TRUST

(United Press Leased Wire.)

Washington, April 20.—A movement among the Democrats of the house for a more rigid and drastic investigation of the money trust had its inception today when Representative Pujo introduced a lengthy resolution calling for a complete inquiry into the relations of the New York Clearing House and the New York Stock Exchange with the big industrial and railroad corporations of the country and touching on the campaign contributions that the banking interests of New York City are said to have made to various presidential campaign "barrels" in the past.

New Zealand postal authorities are using more than 100 machines which print the fact that postage has been paid upon a letter when a coin is dropped in a slot instead of affixing an adhesive stamp.
