IF YOU ARE LOOKING FOR A HOME

Read This

Mr. Priest, the well known builder, is building eight new houses in Westmoreland, about 22 minutes on the Sellwood car from First and Alder streets.

I have purchased the corner house and am now making it my home. I also have charge of selling the remainder of the houses. Two have been sold up to this time.

If you want a home it will be to your advantage to come out and see these houses, for I consider that they are the best for the money in the city today.

I can sell you a two story six room house with large front porch, reception hall, living room with fireplace and built in bookcases, dining room with buffet, beamed ceiling and paneled walls all hardwood floors down stairs; kitchen, back porch and toilet, three bedrooms with large closets, each having a window; sleeping porch, bathroom, linen closet; full cement basement, furnace, laundry trays and wood lift. Light fixtures in, window shades (duplex) and tinted to suit, and many other features that go to make up a well arranged home. Lot 50x100, improvements paid. Price only $3850 and on terms that will be within the reach of any one.

Come out and see them. Take a Sellwood car and get off at Bybee street; walk three short blocks east; you can't miss them.

If one of the eight don't suit you we have several more lots and will build you one that does, or we will build on your lot.

For further information call Sellwood 1787.
