

PROBATE OF WILL REFUSED BY JUDGE MALONEY

Mabel Warner Says Appeal Will at Once Be Taken; Father Young Visits Weston, Gets Cold Reception.

(Special to The Journal.) Probation, Or., April 27.—Mabel Young Warner, alleged maker of bogus will and creator of sectations, today suffered another reverse in her long battle for the estate of her uncle, who was Judge J. J. Maloney.

Judge Maloney heard his decision on the grounds of lack of jurisdiction, but in a cryptic decision "his realization of the fact that a number of other wills have appeared, and that the case has become notorious and scandalous."

"I am one will to be probated another will indubitably with the first cannot be probated, since this in effect acts as a revocation of the earlier will."

Michael R. Young, declared to be Mrs. Warner's long lost father, who reappeared Thursday, was taken to Weston today by his son, Fred Young, and called on Mrs. Nora Watts, the principal heir under the accepted will.

COLONEL OPENLY ACCEPTS PERKINS AS HIS SUPPORTER

(Continued From Page One.) directly to Illinois to say so. I have made no assault on Mr. Taft. I think he means well, but is feeble. However, he is supported by men who are neither well meaning nor feeble and who have designs on the prosperity of the country.

Here the Colonel shifted to the well known issues he has advocated in all his recent speeches and made no further allusions to the president. The crowd was so large it was necessary to invest the Colonel to address an overflow meeting in Mechanics' hall.

Pleas for Support of Masses. Roosevelt pleaded for the support of the laboring men by the enforcement of the eight hour law for government employees and advanced a bill to investigate labor conditions. He declared for a protective tariff which "would protect the wage worker."

The Colonel was well received in all towns today. Tomorrow he will rest at the home of W. Stuart Bigelow, where he will receive a few visitors. Monday he leaves for Pittsburg to close his campaign in the Bay state.

When the Colonel concluded his speech there was a mad rush of spectators to crush his hand. Many climbed on a table and it collapsed, causing a scare, but fortunately no one was hurt. It required the united efforts of an armed squad of policemen to get Roosevelt out of the arena and he was rushed at once to Mechanics' hall, where he spoke for 15 minutes. He repeated a great part of his speeches on the working man and made no attack whatever on President Taft.

12 SPEECHES IN DAY MADE BY ROOSEVELT BEFORE MILL WORKERS

(By the International News Service.) Boston, April 27.—In his trip today, upon which he started at 9:30 in the morning from this city, Colonel Roosevelt made twelve speeches. In all of them he talked directly to the mill workers, urging them that he stands for the eight hour law, workmen's compensation and other things that go to make toilers' life tolerable.

The Colonel avoided personal attacks upon the president in his day's tour, except in the briefest and mildest allusion. To a crowd in the armory at Fall River the ex-president remarked with irony:

"My opponents have accused me of overrating. I am a demagogue. Now, I never did anything that the law forbids when I was president, but if I found anything the law forbid and there was something that needed to be done, I went ahead and did it."

The Colonel saw, during a cross-country run from Brockton to New Bedford, high billboards that blazed out an accusation that he had opposed the eight hour law for government employees when president. Taking this up, Roosevelt declared:

"Our opponents have been reduced to misrepresentation and deliberate falsification. I put into effect the eight hour law which had lain dormant for years."

President Taft and his militant advisers will be both in Massachusetts on Monday, the Colonel to stump the towns where Taft went last Tuesday and the president to traverse the ground that Roosevelt covered today.

SHAVERTOSSERS TOO MUCH FOR IRVINGTON

The Irvington Grammar Grade league team was defeated by the Shaver team Friday by the score of 8 to 3. The Irvington team gave the Shaver nine its hardest game of the season. The victory over Irvington gives the Shaver boys a clean slate in Section V.

Grants Pass, Or., Women Are Helping to Make a Better Business City

Mrs. J. F. Burke (at the left) and Mrs. Chesbire, present and retiring heads of women's auxiliary to Commercial club.

Grants Pass, Or., April 27.—Grants Pass has a live ladies' auxiliary to the Commercial club. The women are doing active work each day in the year. The club has always taken a live interest in all things pertaining to the best interests of the city.

For a year Mrs. J. F. Burke has held the position of president of the club and has done splendid work. It is readily understood that the last year has been by far the most successful since the organization of the society. Interest has been aroused in the club and the membership has nearly doubled.

The work of the club is growing more arduous each year. Among the important things that will be taken up this year will be the building of a library, which has the hearty approval of Mayor Smith and the city council.

PORTLAND RUNAWAYS READY FOR EMERGENCY

(Special to The Journal.) Albany, Or., April 27.—Chief of Police Daugherty this morning found two youngsters in the Southern Pacific railroad yards who were acting suspiciously and found they were bound for California. When brought to the station they gave their names as Otto Rinehart and Robert Short, both of Portland, 16 and 14 years old respectively.

U. S. STANDS BACK WHILE 3 POWERS RUSH ON MEXICO

(Continued From Page One.) Japan will immediately put this to a test. Orders Are Significant. In view of the action by the foreign powers, of which the state departments has been informed for several days, the orders issued to the steamer Colon of the Panama Steamship company, which really is a United States transport, are of the utmost significance.

On the day before the Colon sailed on her last voyage to Panama an army board survey to ascertain the number of soldiers she could accommodate. On the return voyage the Colon was sent wireless orders to hasten to New York and discharge her cargo and hurry to Baltimore. She is to be drydocked and overhauled for other service.

Ignoring President Taft, General Orozco, leader of the insurgents through Braulio Hernandez, his confidential agent, has addressed "an appeal for justice" to congress and the citizens of the United States. It was received by many members of congress through the mail today.

MANY LIVES ARE LOST BUT OPPOSING FORCES HAVE GAINED LITTLE

(United Press Leased Wire.) El Paso, Texas, April 27.—Cullacan, Mexico, although practically in ruins, is still held by the rebels, and Tepic, almost as badly-battered, is still held by the federals. This is the information received tonight from Mazatlan.

The assault on Tepic was in progress for more than two days and few buildings in the city escaped destruction, the advices say. Details of the number killed on each side are not given, but the dispatches confirm the report that General Guerrero and Colonel Morales, rebel leaders, were both severely wounded and that the rebels were forced to retire from the outskirts of Tepic after having occupied the town a brief time. Tonight the wires from Tepic are cut at Presidio.

American Property Seized. It is known, however, that at Cullacan the rebels seized a car of flour belonging to an American. When they learned it was American property all the flour, except one sack, was returned.

General Pascual Orozco this afternoon announced at Jiminez that he would take Torreón on May 5 and end the revolution. The rebel movement to the south is now well under way and is moving practically the whole rebel force will be at Escalon, according to Jiminez dispatches tonight. The federals have not moved north, except to send small squads to repair the railroad toward Jiminez.

One hundred rebel recruits were sent from Juarez to the south today. All available forces in northern Chihuahua are being sent to Orozco as fast as possible. Provision for Wounded. A train load of ambulances and hospital supplies, accompanied by nurses and physicians, reached Torreón today to be sent to the federal army, accord to Mexican Consul E. C. Lioreto, of El Paso. Consul Lioreto says the federal advance already had begun.

Forty-four thousand head of cattle from the Terrazas ranches in Chihuahua will be shipped to the American side, beginning Sunday. Arrangements have been made with the rebels to cross the cattle by paying \$1 a head. The shipment will come through El Paso. No Catholic School Meets. There will be no track meet for the grammar grades of the Catholic educational institutions this season. Last year a meet was held under the auspices of the Columbia university, but on account of the lateness of the indoor track season, it has been decided not to hold a meet.

WINDNAGLE STAR OF SCHOLASTIC MEET

Local Runner Breaks Coast Interscholastic Record; Grant Defeated in 220 Dash.

(Special to The Journal.) Berkeley, Cal., April 27.—Berthing against great odds the track team of Washington high went down to defeat in the Pacific coast interscholastic track meet here today. In one of the most brilliant performances of scholastic athletics ever held in the west.

Palo Alto high captured the honors with 16 1/2 points. Washington high was behind with 14 points. Making a splendid showing in the trials, Washington fell down badly in the finals.

Verse Windnagle, Washington scholastic distance runner, was the hero of the day, smashing the Pacific coast interscholastic record for the mile run. Windnagle's time was 4:31 and had he retained himself more, seconds would have been clipped from the record. Windnagle remained in fourth place for the first lap, late third position in the second lap, and at the third lap stepped into second place. Starting on a terrific pace, Ansin dropping back and Wilson running second, the last hundred yards Windnagle fairly sprinted. Berkeley oval was the scene of wild enthusiasm as Windnagle crossed the tape. Wilson, less than 15 yards behind, made the distance in 4:24.

Dick Grant of Washington put up a great fight in the 220-yard dash, forcing Wadsworth of Butler Union to break the record. Wadsworth broke the tape in 2:25, establishing a new record. Grant did not qualify for the hundred.

Nearly Win Half Mile. After running his record-breaking mile, Windnagle came back in the half mile and almost won. Led by Windnagle overhauled Millhollans the winner, and lost by a scant foot. Millhollans broke the interscholastic record. Bibbe, of Jefferson, broke the tape in the high hurdles, clearing the obstacles in 18 1/8 seconds, with the one-fifth second of the record. Bibbe won by two yards. He was the only Jefferson athlete to place.

Lincoln high failed to score a point. Langley of Jefferson was boxed in the half mile and was unable to get free from the bunch. Wilson of Washington was third in the half mile. Nelson, who broke the interscholastic record the previous day, failed to place.

Eleven records were broken today and one equaled. Performance of distinction were the record made by Windnagle in the mile, 4:31; Wadsworth's fast 2:20 quarter mile dash (Clark of Berkeley Prep); Millhollans' half mile in 2:02; Caughey of Ukiah won the shot put, 49 feet 4 1/4 inches, making a new record.

Drake of Santa Rosa threw the hammer 167 feet 5 inches for the record. Washington was second in the first lap of the one mile relay, but Grant, Nelson and Windnagle were too tired. One of the surprises of the meet was Washington's defeat of Los Angeles. Los Angeles expected to be a strong contender. Herastrom, Ventura, winner of the pole vault, tried for the world's record but failed at 11 feet 10 inches.

At the presentation of medals tonight Washington was awarded the second place trophy. Positions of the schools: Palo Alto 16 1/2 points, Washington 14, Sutter Union 13, Modesto 7 1/2, Los Angeles 6, Jefferson 5, Fremont 5, Ukiah 5, Ventura 5. Lincoln high school failed to get a point.
