Our Pledge To The Public

We believe that our business creed meets with a crying need—to be forgetful of self and alert to satisfy the customer first, last and always; to sell merchandise whose quality has been proven, so that no misstatement can be made or mistake occur; to improve on our best efforts of the past.

To Serve Exactly as We Would Wish to Be Served if in the Customer's Place. The store service must be right from the CUSTOMER'S point of view—not the way the owners of the business look at it. **WE PLEDGE OUR WORD TO KEEP THIS PLEDGE.**
