Dr. Harry Lane, Democratic nominee for United States senator, has returned from a trip to eastern Oregon, where he was splendidly received and was given much encouragement in his can-didacy to succeed Senator Bourne.

Dr. Lane's satisfaction over his own prospects is only equalled by his enthusiasm for the eastern Oregon wheat crop. He says the wheat was never better, and the great fields of close set grain are forecasting good times for the farmers.

Dr. Lane spoke on Umatfila county pioneers' day at Weston and again at a strawberry festival at Milton. He also visited Pendleton, Hot Lake, La Grande and Union. At Hot Lake he was the guest of Walter M.
