The "Silk-Maid" Is Here! \$1 Silk Hosiery, Best of All

"AREN'T they wonderful for one dollar!" exclaimed the young women in our Hosiery Department when these new "Silk-Maid" Hosiery were being taken down from the receiving room yesterday. In our new "Silk-Maid" Hosiery is carried out an ideal which we've had for years, as to the quality of a Silk Hosiery which could be sold at \$1. We wanted to be able to offer a PURE THREAD SILK HOSE which would really WEAR and GIVE SATISFACTION.

For months we've been investigating, testing, comparing. Nearly every Silk Hosiery maker in the country has vied to give us a \$1 Silk Hosiery better than any heretofore produced. Our ideal is fulfilled in "Silk-Maid" Hosiery. Regular size Silk Hosiery, but with the lisle welt top so elastic than an outside is unnecessary. "Silk-Maid" Hosiery are of the finest pure thread cocoon silk, knit so fine that they look and wear like a piece of cloth. "Silk-Maid" Hosiery combine luxury with practical wear. They have a 7-inch lisle top, with garter-proof welt, extra high spliced double lisle heel and sole. One of the most modern and best equipped mills in the world, knit "Silk-Maid" Hosiery for us. Our first contract called for over 6,880 pairs. Such quality-buying means "lowest known cost."

Buy a 3 pair box of "Silk-Maid" Hosiery tomorrow. With each box is this printed guarantee: "If for any reason these Stocking prove unsatisfactory, we ask you to return them and get new ones. We leave it to your sense of fairness."
