Then I'm coming back to you,

O my! Who ever heard such stuff! Can that be verse, or is it bluff? The more 1 write the more 1 feel the dedking neath a streetear wheel and ending all this earthly toll by shuffling off this mortal coll.

off this montal coll. For life is sad enough at best, and folk should spend their time with rest by springing little gass of fun, or silp-ping in a nifty pun, instead of reading bits of verse that look like trimming on a hearse.

Enlightening the Court.

From the Atlanta Constitution. The question of a single term with "What is your occupation?" the jusneligibility arose even in the fuderal tice asked the witness.

onvention which made the constitution. "Jedge," he replied, "nin't you a-gittin' It had been much discussed, but the jest a lectle too pussonal? Have I got first actual occupant of the office who to give my livin' away before this here hon'able court ?"

"You heard the question," said the judge, "and you must answer it. What do you do for a living?"

Well, sir, I'll jest make bold to enlighten you-sence you seem to need it. In the symmer, when I ain't a-fishin', I'm prophesyln' weather, an' when the weather don't fall right I'm either akillin' of alligators an' a-sellin' of rattlesnake buttons or attendin' campaign barbecues nn' votin' around."

No Malice.

From Tit-Bits. Farmer (to horse dealer) -- No. I don't bear ye no mallee. I only hope when People who live in clean houses you're chased by a pack of ravishin', angry wolves you'll be a-driving that horse you sold me.

Gratitude

(Contributed to The Journal by Walt Mason, the famous Kansas poet. Ills prose-poems hre a regular feature of this column in The Daily Journal.)

I'm glad the people don't insist that al should for an office run; they've tum-i Unless a woman is a first class artist bled to the fact, I wist, that I don't like that sort of fun. No delegation seek my door to tell me that the state demands my presence on the house's man who lets his wife have her own floor, the service of my brain and hands. No patriots come round to say that all is lost if I don't rise and knock the welkin loose today with facts, statistics, pipe dreams, lies. I do not list, to Toms or Dicks unwind their campaign rigmarole; the stale old same of politics imparts the willies to my soul. I've seen the thresome game so long! I've seen the rourback pounded flat; I've seen the same old shricking throng With the waning of the honeymoon a demanding this, rebuking that! And al. man begins to look upon the kiss-before- ways when the noise is done, expired the music and the thrills, the chronic During leap year a great many bach- to foot the bills. The statesmen know elors of mature years get married- I do not care who wins or loses in the air, or lug transparency by night; they know I will not toot a horn or waddle Nothing disconcerts a girl more than with the other greese, and so they pass

There is no man, unless he be brute by nature of environment, who can from the jury box condemn a fellow man to death, without remorse. "Journal Reader" admits the severity of imprisonment for life is greater than that of execu-
