KLAWITTER STOPS VILLAGE TOSSERS

Beavers Find Gray Easy and Put Game Away in the Sixth Frame.

Los Angeles, Cal., June 21.—Dutch Klawitter, the only Beaver pitcher who has been winning games regularly, stopped the onward march of Hogan's Tigers yesterday afternoon. Klawitter was in fine form after the third inning and with the aid of his team mates succeeded in taking the game from the Villagers by the score of 4 to 2.

Dolly Gray was on the mound for Vernon and Manager Mac again shifted his line-up and secured excellent results. Gray was touched up for an even dozen singles, while Klawitter allowed the Vernon sluggers but nine singles.

Bill Lindsay, a left handed batter, liked the offerings of Southpaw Gray very much and succeeded in pounding out three hits in four trips to the plate. Bancroft, Chadbourne and Krueger also liked the way Gray served the ball.

Both teams scored in the first inning and Vernon stepped into the lead in the second inning. Chadbourne's single, Krueger's sacrifice bunt and Mahoney's fly netted Portland's first tally, while singles by Carlisle and Kane, a wild pitch and an infield out gave Vernon her first tally. Singles by Litschi, Burrell and Brown netted the second run for Vernon.

The Beavers put the game on ice in the sixth inning. Krueger opened with a double and took third on Mahoney's sacrifice, and scored on Rodger's cracking single. Singles by Rappe and Lindsay followed, and Rodgers counted.

Portland scored its last run in the lucky seventh. Chad opened with a single and Bancroft hit infield, but Chadbourne was caught at second. Bancroft took third on Krueger's out and scored on Mahoney's single.

McCredie will likely send Harkness or Higginbotham against the Tigers today. The score:

COLTS AND TIGERS AT IT AGAIN TODAY

Neither Team Complains of Enforced Layoff on Account of Rain.

After a lapse of one day, Portland and Tacoma will be at it again at the Vaughn street park this afternoon. Neither team kicked much over the enforced layoff, Tacoma because it was going bad and the Colts owing to the rest that it would give Mensor and McDowell, who are recuperating from injuries.

Manager Nick believes that with a reasonable break of luck he will take the rest of the games from the Tigers. In two years of Northwestern league baseball, the Colts have lost but two series on the home lot, one to Victoria in the waning weeks of 1911, and one to Seattle this spring.

Williams is well satisfied with his crew this year, but will strengthen whenever he finds it necessary. The return of Mensor and McDowell to the ranks had made a decided difference in the playing of the Colts. The pepper that was absent in the first game has returned and if the club is able to keep old Kid Injury out of the game for the rest of the season, it will be a pennant contender.

CLUBS PLAY BASEBALL TOMORROW AFTERNOON

The Multnomah baseball team will line up tomorrow afternoon at 3:30 o'clock against the Columbus club team. The game will be played on Multnomah field.

Multnomah has lost but one game this season and Manager Morris is confident that his team will defeat the east side club team. Morris will depend on his star southpaw, DeNeffe, to stop the Columbus clubbers.

George Grayson, manager of the Columbus team, has secured Moreland to twirl for his team. Moreland is one of the best local twirlers and Grayson thinks he will be able to stop the winged "M" team.

Entries blanks have been mailed to all prominent riders in the northwest. The entries close July 4.

Doc Roller Wants to Wrestle John Berg Here During Convention.

Reports from Spokane have it that Dr. Roller and John Berg are to wrestle here during the Elks' convention. Since the Berg-Beall match, John is about as popular here as a mouse at an afternoon tea, and it is hardly likely that a promoter can be found who will take a chance with the affair.

Roller and Berg have wrestled here several times before and the husky physician-athlete never had any trouble in disposing of the Swede light-heavyweight.

Demetral, the Greek whom John flopped on a fluke hold here last winter, also wants to return and show us that John is not suchamuch. But the wrestling game was put in bad with the fans when Berg quit cold in the Beall match and refused to come back to meet the Wisconsin demon.

There were charges and counter charges between the backers of the two grapplers, but to the ordinary observer it was plainly apparent that Berg never was, is not now and never will be the equal of the eastern middleweight.

It is hardly likely that a crowd could be gotten out to a wrestling match now unless a bona fide side bet was put up and the affair was held in private with free admission to those interested in the game. It is hardly likely that John and the Doc would want to wrestle that way.

ENGLAND AND EMPIRE PLAY CRICKET AGAIN

The cricket match scheduled for Saturday afternoon will be the return game between teams representing England and the Empire.

The first match was won by England, but the Empire players think they have the better team and can win the next time. The losers will entertain the winners at a dinner after the game.

There is no doubt that this will be one of the best games of the season, because great rivalry exists.

Play will start promptly at 3 o'clock. All players are asked to be ready at that time. The public is invited out to the game. No admission is charged to the grounds. Take a Montavilla car and get off at East Sixty-seventh street and walk two blocks north.

SIZE OF RING DOESN'T SCARE JACK JOHNSON

(United Press Leased Wire.)

Las Vegas, N. M., June 21.—Jack Johnson told the newspapermen today that he would not make any objection to the size of the ring prepared for his fight with Jim Flynn here July 4. When Jack Curley announced that the ring measured only 17½ feet, it was reported that Johnson would insist on a ring at least 20 feet wide. Johnson denied this.

Both fighters continue their strenuous work and each insists that he is rapidly getting into fine shape. The negro champion predicted that he would score a knockout inside of twelve rounds.

CHAMPION AND WIFE INDICTED BY A JURY

(United Press Leased Wire.)

Chicago, June 21.—Jack Johnson, heavyweight champion prize fighter of the world, and his wife, Etta, were indicted by the federal grand jury today, charged with smuggling to this country a diamond necklace worth $6300. Johnson was given the opportunity some weeks ago of avoiding prosecution on the charge by paying $9000 to the government. The pugilist attempted to compromise the case and the government officials refused.

MULTNOMAH LOW JINKS WILL PROVIDE SPORT

The entertainment committee of the Multnomah club, of which Bert Allen is chairman, will meet in the near future and make arrangements for the annual "low jinks."

It is expected that over several hundred will make the trip this season. Chairman Allen has no idea where the picnic will be held this season. Heretofore it has been held on grounds near the Lewis river.

OREGON BANKERS ARE AT GEARHART

Good Platform Men Secured for State Convention; 250 Already Present.

(Special to The Journal.)

Gearhart, Or., June 21.—The members of the Oregon State Bankers association came with a rush last night. About 150 bankers from all over the state, many accompanied by their wives, arrived on the 11:30 o'clock train. The train arrived in one of the hardest showers so far this season. The Gearhart Hotel company had prepared for the occasion, and all the available automobiles on the beach were called into service outside of the busses of the hotels. In spite of the seeming inconvenience the bankers reached the hotel in comparative comfort and without any complaints of their wet reception.

The hotel is taxed to its capacity, reservation having been made for some hundred other guests, who arrived on the noon train today. The association has procured good men for its platform during the convention. Among the leading speakers are John Herrin of Indianapolis, F. W. Ellsworth of New York, E. W. Wilson, George N. O'Brien and George F. Edwards of the Coast bankers from San Francisco. Other speakers will address the convention on the problems of country life, industrial education and agricultural development. President W. J. Kerr of O. A. C., L. R. Alderman, state superintendent of public instruction, and Emery Olmstead are among those who will enlighten the bankers on these subjects.

R. L. Durham, president of the Merchants' National of Portland, will preside.

OVERLANDS WILL STOP ON SIGNAL AT ONTARIO

(Salem Bureau of The Journal.)

Salem, Or., June 21.—After a fight lasting for nearly two years, the state railroad commission has received notice from the Oregon Short Line Railroad company that overland trains Nos. 17 and 18 would stop on signal at Ontario. A new time card has just been issued showing these stops. The railroad company resisted the demands of the commission in this regard as long as possible.

BRIDEGROOM MEETS DEATH BY DROWNING

Louis E. Merchant, aged 22 years, a bridegroom of but a very short time, who has been conducting a dairy ranch on Sauvies island, was drowned in a shallow slough Wednesday when searching for some cows which had strayed away. While crossing the slough on horseback, his horse slipped and he was thrown into the water.

Soon after the bidy was found, the coroner was notified, and the body was brought to Portland. The young wife is prostrated.

RALLYING TO AID OF FESTIVAL CHORUS FUND

Albert Ehrgott, manager of the Rose Musical Festival, has succeeded in reducing the deficit incurred in giving the concerts during the festival week, to $1580, and he hopes to have the entire indebtedness wiped out shortly. Mr. Ehrgott is circulating a subscription list and a number of individuals and business firms have already signed for various amounts. The list will be circulated until the entire amount is raised. Wednesday a check came in voluntarily from a man who stated he had not found time to patronize the concerts but was in sympathy with the work.

The concert of school children Wednesday afternoon and the concert of the mixed chorus Wednesday night at the Oaks were immense successes, artistically and in point of attendance, and netted $75 in collections. In addition thereto the amusement part will turn over to the fund 50 per cent of the proceeds from the concessions for the afternoon and evening. The amount will not be known until the receipts and expenditures have been checked up.

The magnitude of the Panama-Pacific Exposition at San Francisco in 1915 and its importance to the Pacific coast was explained by D. O. Lively at the weekly luncheon yesterday of the Transportation club at the Imperial hotel. Mr. Lively also spoke of the livestock industry of the Pacific northwest and its relation to the transportation business.

The luncheon was the best attended since the beginning of the club about a year ago. The annual meeting of the club will be held in the rooms of the Portland Press club on the evening of June 27.
