FIVE MEN SAVED FROM PERIL ON WALDPOR BAR (Special to The Journal.) Waldport, Or., June 21.—Wayne Weist, Cyrus Patterson, Fred Chapin, Dee Kent and Hermann Neilson, Waldport young men, narrowly escaped death Sunday in making a trip over the bar in a small gasoline launch. They made the trip out safely, but on their return facing a strong tide and heavy north wind, a heavy swell passed over them, killing their engine. The wind drove them onto the sands about half a mile south of Telling John Point, where their anchor held, but as they were in the direct line of breakers, they were in great danger of being dashed to pieces.

PLAN TO HOLD APPLE SHOW IS ADOPTED Portland will have a big apple show this year, probably during the Thanksgiving week. Decision to this effect was reached at a meeting of the committee appointed by a number of commercial organizations at the Commercial club at noon yesterday.

FREIGHT HITS EMIGRANT WAGON, KILLING HORSES AND INJURING A CHILD (Special to The Journal.) Roseburg, Or., June 21.—Three persons escaped death or serious injury by the merest chance yesterday when a southbound freight train struck an emigrant wagon on a railroad crossing 16 miles south of Roseburg, killing the two horses attached and demolishing the wagon and most of its contents. The occupants of the wagon, O. R. Bounds and family, en route to Marshfield, miraculously escaped injury except a 3-year-old child, who sustained slight injuries. The crossing is on a sharp curve and Bounds did not see or hear the oncoming train.
