#### GERMAN CROWN PRINCE WRITES HUNTING BOOK

on charged.

(By the luternational News Service.)
Berlin, June 23.— The German crown
prince is about to begin a new venture, showing that his versatility is almost as

great as his father's. He has become an expert in almost every kind of sport, and he is now devoting his leisure time to literary work. He is writing an exhaustive account of his hunting adventures, and the work will appear shortly at Stuttgart under appear shortly at Stuttgart under

The author of the book will be described on the title page as "Freder-ick William, crown prince of the German empire and the Prussian king-

The greater part of the book will be devoted to the crown prince's tiger canting expeditions in India. Twentyeight photographs, taken either by the rown prince or the German princess, The book will be divided into thireen chapters. The cover represents the rown prince in the act of shooting a

iger in the jungle.

The emperer sanctioned the publicaion of the book, but has asked to see

Two Italian chemists have perfected

process for depositing metals of any haracter permanently upon almost any surface by electricity, zinc, end and tin being used as easily as silver, nickel or copper.
