ROOSEVELT LAYS PLANS FOR AUGUST MASS CONVENTION

Arrangements for Progressive Assembly Made at Series of Conferences Between Colonel and Committee.

GOVERNOR JOHNSON WILL HEAD GOVERNING BODY

Support Will Be Invited From Such Men as La Follette, Wilson and Bryan.

Chicago, June 24.—What asked for the result of the Democratic convention would have any influence upon his future course, Colonel Roosevelt today said. Whatever action the Democratic convention will take will have no effect upon my position. I will not depart from what I said Saturday night. I will accept the progressive nomination upon a progressive platform, and I shall fight the battle through to the end.

Chicago, June 24.—Plans for the progressive mass convention to be held probably in Chicago during the first week in August, were made today at a succession of conferences between Colonel Roosevelt and the committee of seven authorized at Sunday's meeting of delegates in the Florentine room in the Congress hotel.

Although no announcement of the membership of the committee had been made, Colonel Roosevelt went to work at once, calling to his assistance Governor Hiram Johnson of California, who was authorized to name the committee and who will be its chairman, James R. Garfield, of Ohio, Judge Ben Lindsey, of Colorado, G. T. Taylor, state treasurer of Tennessee, H. L. Anderson, of Florida, Richmond Pearson Hobson, of North Carolina, Oscar Hundley, of Alabama, Governor W. R. Stubbs, of Kansas, Judge Lowder of North Dakota, George L. Record, of New Jersey, Charles E. Merriam, of Illinois, Gifford Pinchot and others.

In the call for the mass convention, it is to be made plain, say members of the committee, that the new movement is to be broadly non-partisan. The doors are to be swung wide open and support invited from men like La Follette, Bryan and Wilson. The nomination, the Roosevelt leaders say, is free to any candidate favored by the progressive sentiment of the nation and Colonel Roosevelt reiterated his statement that he will gladly step aside and support another candidate if his committee decides that the fight can be made more strongly under other leadership.

Regardless of action to be taken at the mass convention, it is learned, Colonel Roosevelt regards himself as already the candidate of those states where he has received the indorsement of presidential primaries.

These states have already chosen presidential electors and Roosevelt will go into these states and campaign for their electors—the nominees being men committed to his candidacy and he believes, prepared to vote for him in the electoral college.

In other states it is anticipated that the list of electors pledged to vote for Roosevelt as the candidate of the progressive party will be placed on the ballot by petition and in many states there will be complete state tickets to con-

WILSON DEFEATED, HIS BACKERS WILL INSIST ON BRYAN

Pennsylvanians Inform New York Delegates That if New Jersey Is Beaten They Will Support Commoner.

Baltimore, June 24.—With the necessity confronting them of lining up 729 delegates to nominate, the managers of the various presidential booms showed an activity in juggling figures that would have done credit to the cashier of a 10 cent circus. Each of the leading candidates was shown by figures issued from his respective headquarters to be in the lead. But the figures, when analyzed, all showed beyond the question of a doubt that there was no chance of any candidate securing the two-thirds vote needed to nominate unless there was a stampede. And the danger of a stampede was believed today to be remote.

The Wilson managers insisted that their man would poll 512 votes on the first ballot. They are divided as follows: Instructed, 428; pledged, 89. They said that Wilson had only 122 instructed and 58 pledged.

The Clark managers insisted persistently that they would put their man over on the second ballot. But the politicians who are supposed to have a good line on the situation, were quietly insisting that Clark would show his total strength on the first ballot and that if he had not enough to nominate, he would have shot his bolt and thereafter would dwindle on each successive ballot.

The Wilson managers assert that they will surely have 223 instructed delegates on the first ballot and that there are 137 who are pledged and will fall into line. They also declare they will receive strong accessions from the uninstructed delegations.

There is little doubt that the Wilson men are forcing consideration of their claims by insisting that, if their man is turned down, they will line up behind William Jennings Bryan and force him over. This was best shown by the attitude of a number of Pennsylvania delegates who openly told New York delegates: "Either help us put over Wilson or we will jam Bryan down your throats."

WRIGHT FOR 2D TIME SENTENCES GOMPERS TO JAIL

Imposes Term of Year for President of Labor Federation and Six Months for Morrison.

Washington, June 24.—Samuel Gompers, president of the American Federation of Labor, was sentenced to one year in jail for contempt of court by Justice Daniel Thew Wright of the District of Columbia supreme court today. Frank A. Morrison, secretary of the federation, was sentenced to six months in jail for the same offense. Both gave notice of appeal and were released on \$5,000 bail.

John Mitchell, also found guilty of contempt in the proceedings growing out of the publication in the American Federationist of the name of the Buck Stove and Range company, of St. Louis, in an "unfair list," was not present in court, and his sentence was deferred.

Penalties in Proportion. "Because these respondents have shown themselves ready to repeat the offenses of the past, the penalties in these cases ought to be in proportion to the gravity of the offenses," declared Justice Wright in his decision.

Wright declared that Eugene V. Debs, "sentence of six months for contempt of court was not sufficient, and 'his offenses are the least of these men (Morrison) was more malicious than that of Debs.'"

COMMITTEE PUTS TAFT IN COMPLETE CONTROL IN FIGHT

Up to President Goes Question of What Will Be Done With the Roosevelt Men in Body.

Chicago, June 24.—The permanent organization of the Republican national committee, the disposition of the Roosevelt men who still hold places as committeemen and the work of the organization during the coming campaign for election, will be directed by President Taft himself.

The committee adjourned today after a short session, the only business transacted being the selection of a committee of nine who will confer with the president as soon as possible.

Roosevelt Men on Committee. On the committee were two Roosevelt supporters—Thomas K. Niedringhaus of Missouri and Roy O. West of Illinois. The other members of the committee of nine, who will meet at the New Willard hotel in Washington within the next few days to plan the matters they will take up with the president, are General Powell Clayton of Arkansas, Charles B. Warren of Michigan, Fred W. Estabrook of New Hampshire, Howell Sanders of Tennessee, John T. Adams of Iowa, S. A. Perkins of Washington and Alvah H. Martin of Virginia. They will take up with President Taft the resolution adopted late Saturday night compelling every member to support the nominee. In doing this they put up to President Taft the question of what will be done with the 19 Roosevelt men who may decline to sign this pledge.

It was believed that Charles D. Hill, who was slated for the committee chairmanship, influenced the members of the committee to take no action until the president had been consulted.

General Clayton Presides. At the short session here today General Powell Clayton presided. He was given the chair because, in point of service, he was the oldest committeeman. He first served in that capacity in 1872. Alvah H. Martin of Virginia was temporary secretary. Before the committeemen began preparations for leaving Chicago the committee of nine held a short meeting to complete arrangements for going to Washington.

The committee will be in Washington next Monday morning.

COLLAPSE OF DOCK AT BUFFALO MAY CLAIM 40 VICTIMS

Twenty-five Persons Known to Have Perished in Disaster at Eagle Park; Search Kept Up for Bodies.

HEAVY CURRENT AT SCENE OF ACCIDENT

Ghouls Rob Bodies of Victims, Taking Jewelry and Money.

Buffalo, N. Y. June 24.—With 15 bodies recovered, all of which have been identified, and 18 more known to be missing and probably drowned, it is feared this afternoon that the total loss of life in the collapse of the dock at Eagle Park, Grand Island, last night, may reach 40.

Five bodies were recovered during the early morning. Ten more were taken from the water between 9 and 10 o'clock today. They were found floating about among the piles of the dock.

The water at the point where the dock collapsed is 10 feet deep, but the current rushes by at a rate of nine miles an hour and some bodies may have been carried over the falls.

Bodies are piling up the river between Eagle Park and Chippewa, Ontario, in the hope of recovering bodies still in the water.

Ghouls Mob Bodies. Ghouls got to work early today. A valuable diamond ring disappeared from the hand of a woman and valuables were stolen from other bodies. Finally the rescuers gathered up purses and jewelry and placed them in charge of the Eagle Park hotel.

Another body was taken from the river this afternoon, making 16 so far recovered. The known dead and missing now number 31.

Oregonians Elect King Committeeman; Burke Named as Chairman

Herman Wise Publishes "Oregon Gridiron," Advertising Home State in Baltimore.

By F. J. Dyer. (Special to Journal.) Baltimore, Md., June 24.—It is considerably more than a possibility that William Jennings Bryan will head the Democratic ticket, as he is reported to have said he would like to do so should Roosevelt be a candidate. At any rate he is greeting delegates so genially that one from Washington assured him openly today: "You'd carry my state strong."

PERTH AMBOY GIRLS STONE 100 OF THEIR NUMBER WHO YIELD

When Policemen Come to Rescue Them, Too, Are Stoned, Two Being Badly Injured.

Ed Press Leased Wire.) Md., June 24.—Vice presidents sprouted in the pre-convention today. Most of the boasts of those mentioned either to speak of it, or else demand first place or none, open and avowed running Mayor Preston of Baltimore, led by the Maryland delegation of Baltimore, that blossomed today in the case of Governor John Burke of New York; Representative Frank Harrison, of New York; ex-Louisiana Governor James A. Montague, and Clark Howell, of Atlanta.

Perth Amboy, N. J., June 24.—Rioting broke again today after a week of quiet when several hundred girl strikers of Perth Amboy cigar factories, enraged because about 100 of their number had gone back to work, swooped down on the factory.

Bricks and stones were hurled at the returning girls, but when policemen came in answer to a hurry call, the girls turned their rage upon them. Two policemen were struck in the head and badly injured, while practically every other policeman was struck about the body. Two of the girls, giving the names of Anna Gerbe and Susie Lorme, were arrested, fined \$50 and sent to jail.

People say they want Gov. to take second place on the ticket; the Wilson camp would be satisfied with Maryland, or Burke of North Carolina; or Burke of North Carolina; or Burke of North Carolina; or Burke of North Carolina.

T. R. AND WIFE LEAVE WINDY CITY FOR EAST

Chicago, Ill., June 24.—Colonel and Mrs. Roosevelt left for Oyster Bay on the Twentieth Century Limited at 2:40 this afternoon. A crowd that gathered at the La Salle street station was disappointed in not getting to see Roosevelt. The colonel's party took a baggage elevator to the train floor and boarded the train at once. As the train started Roosevelt came to the rear platform and waved his hat.

Massachusetts, and Connecticut, were much dispossibilities. It is conceded that geographical conditions are a most important part of the ticket, the candidate president is likely to come from the south, and the east or west is named for
