Bill Lindsay Makes Four Hits in Four Times Up and Helps in Rally That Beats Young Fanning.

Speck Harkness turned the tables on the Seals yesterday afternoon and administered some of their own medicine on a 3-to-0 basis.

Lindsay's Hitting Feature. The feature of the game was the great hitting of Bill Lindsay, who gathered four clean hits in four trips to the plate.

Harkness tried to sacrifice and then fanned, but Deane brought Rapps home with a pretty pinch hit to short left field.

Speck Fans Corban. In the fifth inning, Speck, by Mohler, fanned a hit to Butler and took second on Schmidt's scratch to the same individual.

TEXAS LEAGUER IN 9TH BEATS COLTS

Cruikshank and Kibble Hurt Trying to Field Hit That Wins Game.

Seattle, July 10.—Check up the ninth straight victory for Pitcher Bill James, who defeated Portland yesterday 4 to 2, but he was hardly so effective as when he pitched and won a double header against the Colts in the Rose City a couple of Sundays back.

When the ninth rolled around, both teams had three runs registered. The Colts immediately grew dangerous to James; McDowell walked, and Moore singled past third, and things looked promising for the visitors, but James tightened up, causing Coltrin to arch to Strat, striking out Harris, who batted for Veazy, and making Kibble left to Moran.

GROUP CAPPS HORROR AS STARK STEERS TO EARTH

Aviator, in Trying to Avoid Crowd When Engine Fails, Wrecks Machine; Oldfield Breaks Coast Record.

July 2000 people, half of the crowd which watched the automobile races at the Country club track yesterday afternoon, gasped in horror as they saw W. M. Stark deliberately turn the aeroplane in which he was making an exhibition flight to the earth 60 feet below and a sigh of relief went up when it was found that he was unharmed.

Stark had just risen from the ground and started to turn to the left when his engine began to miss. Seeing several automobiles in the path which prevented a safe landing, Stark took the only alternative left as the safest for himself and the spectators.

Neither Stark nor those near the scene could explain his escape except that the fall of the machine threw the aviator from his seat before the ground was struck. Stark received a slight scratch on his lip, a bruise on his nose and lost a little skin from one knee. His trousers were torn and soiled by the dirt. Both planes of his machine, the running gear and the braces were twisted and torn to such an extent that considerable repairs will be necessary to put the biplane in shape to fly again.

Barney Oldfield was the star performer in the automobile races and in an exhibition mile against the clock with a flying start he broke the Pacific coast record for a mile dirt track by covering the distance in 52 seconds. Oldfield was accompanied by a passenger. The former record of 52 2-5 seconds was held by Oldfield and was made at the Ascot track in Los Angeles two years ago. Had it not been for the turn which caused the accident to Chris Dundee on Tuesday, when he crashed through the fence in the "Whisking Billy" Oldfield's time might have been even better, but as was a matter in all of yesterday's races he slowed up for this turn.

Shortly before Oldfield's performance Teddy Tetzlaff covered the mile in 53 1-5 seconds and this fast time caused Oldfield to let his powerful Christie car out. Tetzlaff was the star of the two big races. In the first of the two he had his team mates, Verbeck and Hill, pitted against him and the first three of the five miles were exciting. Tetzlaff began to draw away at the third mile and had such a lead at the finish that he slowed his car considerably as he turned into the stretch that the finish might be more exciting. His time for the five miles was 5:19 2-5. All three cars were flats.

As though to show that he really could make fast time in the closing race Tetzlaff turned his 60 horsepower car loose and made the fastest time of the day for five miles, making the drive in 4:39 1-5 seconds. Heinemann in his Benz followed at a good distance, but Fritsch was completely outclassed.

One of the prettiest races of the day was between Barney Oldfield in his Christie car and Heinemann in his Benz. The race was scheduled for Oldfield against the winner of a five mile race between Fritsch in a Clio and Heinemann in a Benz. Instead of five miles the heat was cut to three, which Heinemann won in 3:01. Oldfield and Heinemann then completed the other two miles and Oldfield led by the length of his car. Through an error in announcing the race the timekeepers failed to start the second mile. Heinemann led at the finish of the first mile, crossing the line in 58 2-5 seconds with Oldfield close behind and gaining. As the two turned into the stretch on the second mile Oldfield opened the throttle of the Christie and the car leaped to the lead. The official gave the estimated time for the race as 1:53.

Stung by the defeat which Heinemann had administered in the three mile race Fritsch challenged him to a special race of three miles. Fritsch the line Heinemann made a great start and took the lead which he maintained. At the first turn of the third mile at the west end of the track the spectators held their breaths, for with slightly diminished speed Heinemann started to circle and his heavy car began to skid and for a moment it appeared as though it would strike the fence. Heinemann crossed the line at the finish in 2:53 2-5, with Fritsch but a second and a fifth behind.

In a the changing contest Tetzlaff and Verbeck with their mechanicians tied in 36 seconds. Later Tetzlaff, with the aid of Hill, accomplished the change in an exhibition in 30 seconds.

Verne Maskell on an Indian motorcycle two defeated Gus Peppel on an Excelsior, making the 10 mile ride in 9:27 2-5 and breaking his own track record made last Sunday by three fifths of a second, and in the five mile race by coming under the wire in 4:43 2-5.

See Pitchers Easy. Spokane, Wash., July 11.—Spokane walloped Victoria yesterday by the score of 12 to 3. The Indians made 20 hits out of the Victoria pitchers.

Denver, Colo., July 11.—Captain Fred Fornoff of the New Mexican state police, who stopped the Johnson-Flynn fight July 4, arrived here today on private business.

It was no longer a skillful boxing exhibition, he said, "but a test of brute strength and rough house methods."

Asked his opinion as to what steps the governor would take in the matter of further contests in New Mexico, the captain refused to discuss the subject further than to say that the Flynn-Johnson contest ended unsatisfactorily and did not help the sport as far as the new state is concerned.

"I was on the verge of jumping into the ring with my deputies in the sixth round," declared the captain, "when Flynn grew so bold in his rough work. The moving pictures will uphold me in all my statements concerning the bout."
