## WITH GRAVEL BITULITHIC

(Special to The Journal.) Lebanon, Or., July 11 .- The council,

by unanimous vote has awarded the paving contract to the Federal Construction company of San Francisco. The council decided to use what is termed

bld for that kind of paving by the suc-

cessful bidders was \$1.75 per square

yard for finished pavement. Gravel

bitulithic was considered cheapest and

one of the leading inducements for

making this selection was that excel-

lent gravel for this kind of work is

The area to be paved this year or soon

after is 18 blocks, which will be about

a mile and will mean the laying of

something over 25,093 square yards of

pavement, and will cost \$52,359.25. This

in addition to the amount now being

expended for sewage will mean an ex-

penditure of about \$112,000, which is a

lot in one year for a city the size of
