Ability and Skill Should be Considered When You Select a Physician to Treat You

C. K. HOLSMAN, M. D.

I am just now completing my six-teenth year as a specialist in men's diseases. During these years of close application to a single class of ali-ments I have originated and perfect-ed scientific and certain methods by which these diseases are cured. If I accept your case for treatment accure is but a matter of a reasonable

My practice is limited to the disorders of the male, and is further confined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Contracted Allments and Bladder and Kidney Dissease. ney Diseases. I have taken up these ailments especially, because thou-sands of lives are ruined and thousands of lives are ruined and thousands of men are not what they should be because they are held down by chronic weakness, which the average practicing physician does not understand and usually tries to make light of by telling the patient that nature will soon repair

My methods are up to date and are endorsed by the highest medical au-thorities of Europe and America, hence our success in the treatment of men's diseases. CONSULTATION FREE

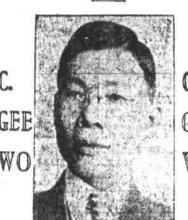

If you cannot call, write for Symp-tom Blank. Many cases can be treat-ed at home. All correspondence con-Hours—9 a. m. to 8 p. m. daily; 10 to 12 m. Sundays.
