100 Elks to Act as Special Policemen to Cooperate with Regular Force.

Promptly at 12 o'clock tonight, all the lights in the court of honor, on the Elks temple, and on the high buildings downtown, will wink out...

These rumors have come from quarters with absolutely no connection with the Elks, said Captain V. M. C. Silva, a prominent member of the Elks' reunion committee...

Whatever celebration takes place tonight will not be an Elk celebration. The official program of the Elks' convention ended last night with the grand ball in the Elks' temple.

Extra precautions taken. Extraordinary precautions to enforce order were taken in orders issued by Chief of Police Slover this morning.

These regular patrolmen will be reinforced by about 50 specials, and by Elks with special officers' stars who have volunteered to help enforce order.

No impropriety or disorder of any kind will be tolerated, said Captain of Police Moore, who will station the men, this morning.

SMILING BITS OF SALEM HUMANITY HAPPY ON PARADE

Salem, Or., July 13.—The cutest feature of Salem's annual cherry festival was the baby parade held at 10 o'clock this morning, when the little tots, ranging in ages from a few months to a half dozen years, rode in prettily adorned go-carts, buggies and other wheeled carriages of nearly every description.

Stockholm, July 13.—Charles D. Reidpath, of Syracuse University, in a hair raising finish won the 400 meter race here today, defeating Hans Braun, of Germany, by little more than the thickness of a shirt.

In the 3000 meter race there was more melodrama. Sweden was in the lead by several meters, 100 meters finish, but Tablor, of Brown University, with a wonderful sprint, breasted the tape in the lead.

ADMIRAL REYNOLDS RECIPIENT OF GIFT; HERO IS AFFECTED

Commander of Pacific Coast Reserve Fleet Honored Before His Departure for Seattle After Visit Here.

HANDSOME GOLD PLATE PRESENTED COMMANDER

Donation Made on Behalf of "Hi Hi Club" and People of Portland.

When Admiral Alfred Reynolds, commander of the Pacific reserve fleet and the man to whom the city of Portland is indebted for the presence of the battleship Oregon in the local harbor during the greater part of three days of the present week, left Portland today on a private car for Bremerton, there were tears in his eyes as he gulped an affectionate farewell to Mayor Rushlight and the members of the Hi Hi club.

The headquarters of the admiral during the past week have been in room 22 of the Imperial hotel, the reception apartment of a suite reserved by the Hi Hi club especially for the use of the admiral, his aides and friends.

Following a visit which was filled with entertainment to overflowing, the admiral was presented at 11 o'clock this morning with a handsome gold plate enclosed in an exquisitely embossed leather case bearing the admiral's initials.

Mr. Hawkins, who was appointed chairman of the admiral's committee last Saturday, and who with George H. Kelly, Tom N. Monk, John H. Burgard, William Norris City Harbormaster, J. Speier and D. W. Campbell, have provided for the comfort of the admiral and his party during the week, made the presentation speech, which was distinctly impromptu and therefore all the more expressive and sincere.

"Admiral, I now have the great honor and pleasure to present you, for those I represent, with this little token," stammered Chairman Hawkins in conclusion.

"Wherever you may be, on the sea or on the land, we hope that this will serve to remind you of the love and affection the people of Portland, and more especially the members of the Hi Hi club, who have been so intimately associated with you during the past week, bear toward you."

As Admiral Reynolds received the present the little coterie of men in the room became absolutely silent. The admiral glanced all around the room, his eyes blinked, he made a few convulsive attempts to say something, and finally, mastering his emotion, said:

ON LOYAL BLACK MARE WEST IN COWBOY SUIT OFF FOR BOISE TONIGHT

Will Cross Cascades by Santiam Pass, Riding Through Prineville and Burns.

(Salem Bureau of The Journal.) Salem, Or., July 13.—Astride his favorite black mare and wearing cowboy chaps and a sombrero, Governor West will leave this evening on his 500 mile horseback ride across Oregon to Boise, Idaho, where he will attend the conference of northwestern governors, of which organization he is secretary.

By starting this evening and riding late the governor expects to make the first unit as easy as possible on his horse, which has been lame. He said today he could not think of giving the mare a chance to carry him and that he hoped by "babying" her along for while to get her into shape to stand the full trip. If her lameness becomes worse he will secure another animal en route.

Leaving here the governor will ride south to Lebanon, and then up the south fork of the Santiam river, passing through Sweet Home and Foster. He will cross the mountains at Fish Lake, riding over Sand mountain and on to Prineville and Burns. The next important point he will touch will be Burns, from where he will swing north again and reach Vale. He was uncertain whether he would go from Vale to Ontario or Caldwell.

On the border between Oregon and Idaho he will be met by Governor Hawley, who will escort him to Boise.

While to cover the distance by August 1 he will keep the governor jogging along, he expects to visit several irrigation projects on the way, and make a number of addresses on Good Roads.

Senator Lorimer Ousted Bribery Charge Is Upheld Prolonged Fight Closed

Curly Boss Loses

William Lorimer of Illinois, who has been thrown out of the United States senate.

DRAMATIC APPEAL BY LORIMER ENDS BATTLE FOR SEAT

Illinois Senator Charged With Legislature Bribing Challenges Enemies to Prove Corruption Charged.

Washington, July 13.—The climax in the Lorimer case in the senate approached today. Senator Lorimer expected to hold the floor for a few hours more in his defense appeal, and then leaders planned to start the roll call on Lorimer's right to a place in the senate without further debate.

It was hot in the senate chamber, yet packed galleries heard the debate. Most of the "regulars" in the visitors' seats brought lunches. It was asserted by the anti-Lorimerites when the senate convened that Lorimer's dramatic appeal would effect no change in the majority, which, they claimed, would vote to unseat the senator on the ground that his election was accomplished by bribery and corruption.

Result May Be Dramatic. In view of this expected result, there was considerable speculation as to the manner in which Lorimer would make his exit from the senate if unseated. If the senate votes his election void, Lorimer will immediately lose the privilege of a senator. Automatically he will be

ABERDEEN ELK HERD BOUGHT BY EX-MAYOR MATLOCK FOR EUGENE

Handsome Animals Shown in Parade Will Roam Over the New City Park.

The six elk, including the baby, which were an interesting feature of the showing of the Aberdeen lodge in the Elks' parade Thursday, have been purchased for the city park at Eugene, Or., and will leave for their new home this afternoon.

J. D. Matlock, formerly mayor of Eugene, and at present chairman of the board of park commissioners in that city, consummated the deal this morning. When Mr. Matlock was mayor he purchased for the city 140 acres of land for a city park.

"Before getting out of public life altogether," said Mr. Matlock this morning, "I want to see a start made toward stocking the park and the purchase of the Aberdeen elk is the first step in that direction. Natural conditions at our park are such as will make an ideal home for the animals and we expect them to feel themselves at home right away."

The purchase price of the elk, Mr. Matlock says, was about \$1300.

ILLINOIS BOSS IS FINALLY BEATEN IN FIGHT FOR SEAT

Remarkable Address of 11 1-2 Hours' Duration by Lorimer Fails of Purpose and He Loses His Toga.

(United Press Leased Wire.) Washington, July 13.—Senator William Lorimer, of Illinois, was expelled from the United States senate this afternoon by a vote of 65 to 23. By that overwhelming verdict his colleagues found him guilty of having been elected May 24, 1909, by "corrupt methods and practices."

Lorimer's dramatic assertion that his expulsion would be the "crime of the senate," his colleagues voted nearly 2 to 1 to oust him as a beneficiary of fraud.

Lorimer did not vote on his own case, but his aged colleague, Senator Cullom, of Illinois, turned against him after having formerly voted to keep him in the senate.

Three senators were absent. Several were "paired" and could not vote. Senator Culberson, of Texas, originally voted to oust Lorimer and then, being paired with Dupont, of Delaware, who was absent, withdrew his vote.

Lorimer's ejection followed a three days' speech by the senator, dramatic and replete with invective for his opponents. Beginning Thursday, Lorimer had spoken in all 11 1/2 hours when he relinquished the floor at 1:30 this afternoon. Lorimer's fight for his official life, which ended this afternoon when the senate doors closed behind his bulky figure, began almost immediately after his election.

The Vote in Detail. The senators voting to unseat Lorimer were: Ashurst, Bacon, Borah, Bourns, Briggs, Bristow, Brown, Brydson, Burton, Chamberlain, Ciapp, Clarke of Arkansas, Crawford, Cullom, Cummins, Curtis, Dixon, Fall, Gardner, Gore, Gronna, Hitchcock, Johnston, Kenyon, Kern, La Follette, Lea, Lodge, Martin, Martineau, Myers, Nelson, Newland, Overman, Overman, Page, Pendergast, Pomeroy, Rayner, Reed, Root, Sanders, Shively, Simmons, Smith of Arizona, Smith of Georgia, Smith of Michigan, Smith of South Carolina, Stone, Sutherland, Swanson, Townsend, Watson, Williams, Works.

Those voting for Lorimer were: Bailey, Bradley, Brandegee, Burnham, Cannon, Clark of Wyoming, Crane, Dillingham, Fletcher, Foster, Gallinger, Gable, Guggenheim, Johnston, Jones, Lippitt, McCumber, Oliver, Payne, Penrose, Perkins, Richardson, Smith of Maryland, Smoot, Stephenson, Thornton, Tillman, Wetmore.

ROUND-UP CITY PLANS TO ERECT COWBOY OF BRONZE AT NEW DEPOT

Heroic Statue Expected to Fix Name Permanently Upon Umatilla's Largest City.

Determined that the name "Round-Up-City" shall belong only and forever to Pendleton, the people of the Umatilla, metropolis and the O. W. R. & N. are cooperating in preparation for placing on the wide lawn in connection with the new Pendleton depot a statue which will express in the ingeniously formed lines of bronze the frontier event that has already immortalized Pendleton across the United States. The statue will show a cowboy horseback lassoing one of the wild steers and it will be heroic in conception and execution.

The green adjacent to the Pendleton depot, says William McMurray, general passenger agent of the O. W. R. & N., is the most beautiful on the railroad between Portland and Omaha and the statue will contribute a distinguishing finishing touch. The agent at Pendleton is T. F. O'Brien and he is very much interested in the plan.

FAMOUS COMPOSER SAID TO BE IN SWITZERLAND

(United Press Leased Wire.) Rome, July 12.—Members of the Macagnoli family today renewed their denial that the composer had fled to Paris with a member of the chorus of the opera. While they declare his exact whereabouts is unknown to them, they are certain that he and his eldest daughter are in Switzerland, in search of a villa, where he can begin the work he recently started.
