RODENBURG ROASTS WILSON'S WRITINGS

Illinois Congressman Picks Flaws in Books Printed in Years Gone By.

(United Press Leased Wire.) Washington, July 26.—Dubbing Woodrow Wilson the "anti-Jefferson, anti-foreign, anti-labor, anti-soldier, pro-Chinese candidate for the presidency," Congressman Rodenburg of Illinois, discussed in the house today the writings of the Democratic presidential nominee.

Rodenburg quoted Wilson's "History of the American People," and referred especially to the statement made therein that Jefferson was "an aristocrat, who deliberately practiced the arts of the politician." Washington found in his a guide who needed watching.

Rodenburg also referred to Wilson's baccalaureate sermon on organized labor and commented thereon thus:

"I do not agree with Professor Wilson that trades unionists are 'unprofitable servants.' I do not believe that the unionist is trying to 'give as little as he may for his wages.'"

Wilson's eulogy of Grover Cleveland for vetoing pension bills was then read. In it Wilson declared that such legislation was an unjustifiable use of public money and a gross use of charity.

Rodenburg said: "Wilson may have experienced a change of heart when he himself applied to Andrew Carnegie for a pension his application being based on his 'mere service' as an educator."

Bryan Incident. The Illinois congressman also quoted an old Wilson letter criticizing William J. Bryan, and added:

"This is his honest opinion of Bryan and Bryanism. Yet today he is prepared to don sack cloth and ashes and to eat out of the hand of the man he denounced as an 'untried claimer.'"

Bryan also came in for a share of Rodenburg's denunciation.

"For 16 years," he said, "Bryan has been Democracy's Old Man of the Sea. Disregarding every consideration of decency and fair play, he succeeded in robbing Champ Clark of the nomination. The impartial historian will write of his betrayal at Baltimore as marking the acme of perfidy and as the culmination of political treachery."

SILVIES ADJUDICATION MAY BE FEDERAL MATTER

(Salem Bureau of the Journal.) Salem, Or., July 26.—A petition from Edwin F. Treadwell, attorney for the Pacific Livestock company of California, was received today by the state board of control, requesting removal of the adjudication of the waters of the Silvie river in Harney county, from the state board of control to the federal court.

On the other hand a strong protest from the water users' association of that district has also been received by the board of control.

For the first time this raises the question whether the state board of control is a judicial body, or only administrative. In the past the board has been working under the assumption that it was only administrative, in which case a petition for removal of the case would be ignored, but if the body is judicial then the act of filing the petition automatically transfers the adjudication case to the federal court for hearing.

The livestock company contends a federal question is involved, as it is a foreign corporation.

Sykes of Drain, vice president; Dr. A. C. Seely and H. Woltenberg. They will enter pleas at 10 o'clock Saturday.

Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In 99 out of 100 cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness—which often leads to epileptic-form attacks—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person.

The symptoms denoting their presence are about the same, but in this case the child has no appetite. Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than 80 years. Insist upon Jayne's Tonic Vermifuge and accept no other, and buy it everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

STRIKE RUMOR COMES FROM RAILROAD CAMPS

C., July 26.—Owing to the fact that a number of day men working on the line of the Grand Trunk Pacific, east of Hazelton, left work Saturday, the rumor arose that a general strike was to be called by the I. Mine be a cot beside the hill; A beehive's hum shall soothe my ear; A willow brook that turns a mill; With many a fall, shall linger near.

Honest Advice to Consumptives

Somehow there exists a vast amount of scepticism as to the possibility of curing Consumption. We state none but facts, and are sincere in what we assert. The reason we advise all Consumptives to take Eckman's Alternative promptly and faithfully is because we have the reports of many recoveries, one of which follows:

1618 Susquehanna Ave., Phila., Pa. "Gentlemen: For two years I was afflicted with hemorrhages of the lungs and our family physician advised another climate, as to remain would probably be fatal; however, I remained and when I recovered sufficiently to walk about the house I was left with a frightful hacking cough, which no medicine I had taken could alleviate. It was at this time, March, 1902, that I learned of Eckman's Alternative. In a short time my cough was gone and I was pronounced 'well' or 'cured.' I am at present in excellent health and feel that as long as I can obtain Eckman's Alternative, I have no fear of Consumption." (Signed) HOWARD L. KLOTZ.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by Owl Drug Co., and other leading druggists. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.
