Ability and Skill Should be Considered When You-Select a Physician to Treat You

C. K. HOLSMAN, M. D.

I am just now completing my six-teenth year as a specialist in men's diseases. During these years of close application to a single class of all-ments I have originated and perfect-ed scientific and cartain methods by which these diseases are cured. If I accept your case for treatment, a cure is but a matter of a reasonable time.

My practice is limited to the disorders of the male, and is further confined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Contracted Aliments and Bladder and Kidney Diseases. I have taken up these ney Diseases. I have taken up these aliments especially, because thou-sands of lives are ruined and thousands of lives are ruined and thou-sands of men are not what they should be because they are held down by chronic weakness, which the average practicing physician does not understand and usually tries to make light of by telling the patient that nature will soon repair the waste.

My methods are up to date, and are endorsed by the highest medical au-thorities of Europe and America, herice our success in the treatment of men's diseases. CONSULTATION FREE.

If you cannot call, write for Symp-

tom Blank. Many cases can be treated at home. All correspondence confidential. Hours-9 a. m. to 8 p. m. daily; 10 to 12 m. Sundays.

THE CHINESE HERBALIST

The Chinese system of medicine differs from all others. It employes only purely herbal remedies and adheres to principles that have been thoroughly tested for thousands of years. When a patient comes to C. Gee Wo for treatment he is given a careful examination and he is told what alls him. Then he s given sufficient herb remedies for a course of time and told to report again to have his condition noted. In most cases patients notice a decided improvement in their health in a week's time. This is particularly so in nervous diseases and where the system is run down. The system itself when toned up to normal is often able to throw off sickness. If you are ailing don't continue to suffer when the help of harmless remedies is so near at hand.

CONSULTATION FREE Out-of-town people can begin treatments by sending 4 cents in stamps for symptom blank, which is to be filled out and returned.
