

BASEBALL GAME
HIGGINBOTHAM CHAMPS

Kibble Starts and Fitzgerald Finishes Up Rally That Causes Hogan to Use Three Pitchers in Final Frame.

After presenting the game to Vernon in the seventh inning yesterday afternoon on Higginbotham's bank, the Beavers, came from behind in the ninth and in a battle of wits and good sticking won out, 4 to 1, although they were compelled to face three pitchers in the last frame, Castleton, Carson and Gray. Kibble opened the onslaught that drove Castleton from the box and Higginbotham tied up the score, with his long double to right center, little Fitzgerald finally bringing in the odd run with a scratch single to Kitty Brashear, who was signed up by Hogan today to play first base until his crimples are well. There were enough features in the game to admit of a good two columns.

Carson Pitches to One Man.

Then Carson was called to the mound by Hogan and McCredie had made up his mind to replace Klawitter with Fisher, a left handed batter, that it occurred to him that he would have a capable shortstop to fill in if Klaw was removed. Klawitter was allowed to resume and popped out to McDonnell. Fitzgerald was acting to get a crack at a right hand slug, but Hogan stuck in his way when he called on Fitzgibbon to pitch to the little left handed batter. Doane had no chance to get far off third, but Fitzgerald bounced a stinker away from N. Brashear, beat it out and the game was over.

Bancroft's decision to pitch Fitzgerald's single gave Portland a run in the first inning and following it Fitz gave another sensational exhibition of base-running, such as he did last Sunday, by taking second on Brown's throw to catch him off first, then on Brashear on the kneecap and bounced back on the diamond, and later making a clean steal of third. However, both Krueger and Butcher skied out.

Brown walked in the second and after Castleton was out for a third strike, went to second on Brashear's grounder across second. Kane followed with a beautiful triple to left center that scored two runs and put the visitors in the lead. Rodgers tossed Johnny out at the plate, trying to score on Brashear's grounder and after Brashear walked Brother Norman filed to Fitzgerald.

Beavers Lead Again. The Beavers took the lead again in the third. Higginbotham doubled to right and took third on the first of Chadbourne's two perfect hits. In the third baseline, Bancroft ambled, filling the bases. Fitzgerald shot a grasscutter to R. Brashear and Hig was mugged at the plate. Krueger came along with a timely double to left field, and cleaned the bases. He took third when R. Brashear, on Butcher's grounder, made his second assist at the plate on Fitzgerald. Butcher stole second and Rodgers walked, but Howley closed the inning on a foul ball to McDonnell.

McDonnell's double and Brashear's single with one out in the fourth tied up the score. Castleton scratched one to Bancroft, but Carlisle forced Cas at second, and then essayed a double steal with Brown, the latter being out at the plate, Howley to Bancroft, O. Howley.

Hig Falls for Balk. With two out in the seventh Kane singled between first and second and Bayless between second and third. They pulled off a successful double steal. In the midst of polishing for a pitch, Howley and Higginbotham got mixed up and concluded to talk it over, but Umpire Wheeler declared that Hig had committed a balk and Johnny went marching home. The count was 4 and 3, and the ninth inning has already been described.

CARTOONIST SEED SPENDS A DAY AT THE COUNTRY CLUB RACES

NORTHERN STARS STEP AWAY WITH ALL THREE RACES

Second Day of Big Country Club Meet Brings Out Some Classy Fields and Events Are Hotly Contested.

Northern horses romped off with first places in the three harness events of yesterday afternoon's program at the Portland fall race meeting at the Country club track. Northern horses also won first places in Monday's events, giving them a clean sweep of the meet so far over the California entries. The nature race of yesterday's program was the 2:25 pace, which was won by Homer Mc, owned by J. W. McClain of Monarch, Alberta, after four fast and exciting heats. This is Homer Mc's third victory in the North Pacific circuit this season, the horse having won two paces at the Vancouver meet.

Twelve Horses Started.

Twelve starters, including the bay horse Manitoba, which won the feature event of Monday's races, scored in this race and only one of them was distanced in the first heat. The first heat, which was made in the first time of the season, was won by Manitoba with Homer Mc in second place and Holly Brand in third place. In the second heat, Homer Mc got away good and held the lead all the way, as he did in following heats. Dan Logan, a bay stallion from California, got away bad in the first heat, but in the three following heats he finished third, giving Manitoba a hard run for second place.

Henry Splendid Horse.

Henry Clayton is a splendid, strong hearted, big gelding and after getting away good with the exception of the first heat, proved that he was the class of the field. Dan Matthews, who won third money in the race, would doubtless have made a better showing had he not been set back a place in the third heat. The field in this race was as classy as could be expected and exceptionally fast time was made in all heats, the fastest time being 2:12 1/2, in the first and fourth heats.

Lindsay Suffers Broken Leg.

The first accident of the meet occurred in the second heat of the 2:25 pace, when Red Hal, owned by Fred Merrill, tripped in her hobble, causing at the far turn of the track, causing her bike to turn completely over and breaking Driver Sim Lindsay's left leg and thumb and bruising his face a little. Lindsay was removed to the hospital, where he is resting easily.

NAPS SEND BAKER TO COVER THIRD

Kibble Will Leave for East When Youngster Arrives This Week.

Third baseman Baker, whom the Cleveland club picked up in New England and tried out at third base for eight or ten games, is on his way to Portland to play the difficult corner for Portland, relieving Jack Kibble, who will start for Napland just as soon as Baker arrives. Baker is expected to join the Beavers before they start for the south for a two weeks' series next Sunday night. He will hold down the position until Bill Lindsay is able to return regularly to his old job, which will be within the next week or so.

Owner Somers of the Cleveland club is very anxious to let Kibble go, but he is unwilling to let go until he has had some needed experience, if he is good enough to stick with the Naps to start the 1913 campaign.

McCredie is perfectly willing to let Kibble go, but he told Somers that, inasmuch as Lindsay was unable to get into the game regularly for a couple of weeks, he must have third base amply guarded. Somers then agreed to rush Baker out to the coast.

Baker is a youngster with a great deal of promise, according to 'The Journal's' Cleveland sport correspondent, and should make good with the Beavers if given a fair trial. He covers a lot of ground, but in the eight games he played with the Naps was unable to get started with his sticking. He was at bat 22 times, made one run and three hits, two of which were doubles. His average was .136. However, he is said to have a nice swing on the ball and will improve when he gets regularly into the game.

double targets were: Amateur, R. H. Bungay, 43; C. Fuller, 41; D. J. Holohan, 41; B. Nelson, 41; O. L. Thornton, 40; H. McElroy, 40; W. A. Sears, 40; D. Reid, 40. Professional, H. E. Poston, 44; L. R. Barkley, 44.

MARTIN HAWKINS BACK FROM GAMES

Portland Hurdler at Stockholm May Retire From Athletic Life.

Martin W. Hawkins, the only point winner of the northwest in the 1912 Olympic games, returned to Portland last night from Stockholm. After the games Hawkins and Walter McClure, both University of Oregon students, journeyed through France, competing in two meets, Marseilles and Rheims.

Hawkins did not stay in New York for the banquet, as he arrived there two weeks ahead of the time that it was scheduled to be held.

The Multnomah hurdler was loud in his praise of the treatment accorded the American athletes by the Swedish and French people. "They can show the Americans a few things about entertainments and hospitality," said the Portland athlete.

"One thing that made a great hit with the American athletes was the long days. It would stay light till 10 o'clock at night and then it would not get very dark, and at 2 o'clock in the morning it would commence to brighten up again."

Walter McClure, the sensational mile runner, is at his home in Eugene, having arrived there last Monday.

Very likely Hawkins will retire from athletics, as he desires to devote all of his time to the study of law, planning to finish his course in the Oregon law school, which he pursued along with his studies at Eugene, in a couple of years.

He regards the European trip as having been a liberal education in itself, and while abroad visited some of the great French universities.

Hawkins is looking the picture of perfect health, and says that he is glad to get back to Oregon again.

THORPE GOING AFTER ALL-AROUND RECORD

(United Press Leased Wire.) New York, Aug. 28.—Convinced that he can achieve a new world's record, James Thorpe, the Carlisle Indian athlete, who made such a sensational showing at the Swedish Olympiad, will participate in the all-around athletic championship meet in Celtic Park next Monday, according to announcement made here today.

The present record is held by Martin Sheridan, who scored a total of 7255 points in 1905. Thorpe is confident that he can beat this by 700 points.
