Must Return Property-Property left the two children of H. W. Goode, deceased, former president of the local street railway lines, is to be returned to the Portland Railway, Light & Power company by reason of a decision yester-day of Judge McGinn. The property consists of 10 lots in the town of Fair- good on P. R., L. & P. cars. Goode purchased the property in March, 1907, in his own name to be redeeded to the O. W. P. company. Part of the property was transferred as originally planned, but the remaining lots stood in his name at the time of his death, and naturally went to the two children, Helen M. Goode and H. F.

Lost Ring Reported Pound.-Detectives Mallett and Hammersly, who have been detailed to help in the search for a \$750 diamond ring which was lost on the Linnton road by Frank Dougherty of Seattle several nights ago, stated this morning that they have secured information to the effect that the ring has been found and is being held by the finder. An arrest will be made within a short time if the finder refuses to turn the ring over, it is declared. A reward of \$75, with no questions asked, was offered for the ring and this reward will stand for a short time in hopes of recovering the ring, as Dougherty does not care to prosecute.

Saloon Man Pined-A jury in the municipal court yesterday found H. Tannensee, a saloon man at Fourth and Madison streets, guilty of selling liquor without a meal, when the question of whether a sandwich was a meal came up for discussion again and was made the object of contention. Judge Tazwell has ruled that way several times, and this time his ruling was sustained by the jury. Lenlency was recommended, however, and sentence was sus-

(Continued From Page One.) destroyed his will made in agreement with his wife, substituting another. The second instrument provided that Georgia Frances Myers, the daughter, should receive only \$20,000 from his estate, this sum to be paid her when she became 45 years of age. In this second will, the Children's Home, of Portland, was given \$20,000; the Taylor Street Methodist church, \$20,000; Ralph W.

Myers, a nephew, \$20.000. The executor was directed to allow Lillie A. Gloss, daughter of William Cormly of Pittsburg, Pa., \$300 a year during her lifetime, and the rest of the estate was to go to her son, George

Tobias Myers, Jr. Attorneys Emmons and Webster maintain that the supreme court, having recognized the second will leaves the validity of the will open to question, and it is on this point that the new suit has been started.

City Water Board Places on File Claims of Schaw-Batcher Co.

After having on a number of occasions considered claims of the Shaw-Batcher company for extra work declared to have been performed on the new Bull Run pipe line, the city water board was yesterday presented with a formal demand for the payment of \$191,934,13, the amount of these claims, with interest at 6 per cent. The company, through its representative, J. R. Bowles, also filed a claim for \$7200 held out by the board as a penalty for the failure of the company to complete the pipe line on time. The board listened to the reading of the demands and then calmly filed them. The company will now have recourse to the

The board ordered its engineer to investigate the complaints made by delegations of residents of the Peninsula hat the water pressure in that vicinity has been very low at times. The main feed pipe to the Peninsula was constructed to carry 8,000,000 gallons a day. Its capacity has been severely overtaxed, as much as 12,000,000 gallons a day having been delivered through the pipe. The pipe will be probably replaced by a larger one.
