Should be Considered When You Select a Physician to Treat You

Ability and Skill

C. K. HOLSMAN, M. D. I am just now completing my six-teenth year as a specialist in men's diseases. During these years of close application to a single class of americal field and perfect-ments I have originated and perfect-ed scientific and certain methods by diseases are cured. If accept your case for treatment ure is but a matter of a reasonable

time. My practice is limited to the disoray practice is imitted to the disor-ders of the male, and is further con-fined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Conincipide Lost Vitality, various vens, Hydrocele, Blood Disorders, Contracted Aliments and Bladder and Kidney Diseases. I have taken up these aliments especially, because thousands of lives are rulned and thousands of men are not what they should be because they are held down by chronic weakness, which the average practicing physician the average practicing physician does not understand and usually tries to make light of by telling the natient that nature will soon repair

he waste. My methods are up to date, and are endorsed by the highest medical authorities of Europe and America, hence our success in the treatment of men's diseases.

CONSULTATION FREE If you cannot call, write for Sympom Blank. Many cases can be treatd at home. All correspondence con-
